GODEY'S LADY'S BOOK, VOLS. 22 & 23, 1841.

EDITED BY Mrs. SARAH J. HALE and Mrs. LYDIA H. SIGOURNEY. MISS E. LESLIE

Will have a Contribution in every Number. The only Magazine in this country intended for the perusal of the Female that is edited by their own sex.

This is an important matter and should be borne in mind by those mothers who intend catering for their own, or their daughters' instruction and amusement.

The LADY'S BOOK has been published by the same Proprietor for nearly eleven years, and during that time he can safely say that no article has been admitted into its columns that parents might not with safety read to their children. It has been his constant care to prevent the work from being sectarian, political or disputatious. He has watched its progress from its first appearance in the world of letters to its now almost mature age.

General Contents—One original large sized Steel Engraving, by A. L. DICK, in each number. Twelve plates, each engraved (marked) every month. Two pages (generally original) Music in each number. Forty-eight pages reading matter.

Pictorial Department—The same attention to this department will be displayed. These splendid Steel Engravings, by A. L. DICK, every month. Two pages (generally original) Music in each number. Forty-eight pages reading matter.

Engravings from the paintings of Landseer and Collins, by the most celebrated painters of London, will from time to time grace our Book, and so soon as arrangements can be completed, our long cherished plan of original engravings from paintings originally prepared for the Book, will be given, one in each number. Two are now in preparation. Our means give us the opportunity of embarking in this enterprise with more, and with more confidence than we are enabled to go to a greater expense than any other publisher. A better return may therefore be expected for the price paid for subscriptions.

The voice of the public press has pronounced GODEY'S LADY'S BOOK at the head of the periodical literature of the country, and he is gratified that it shall retain its proud superiority. With this view he has chosen for its conductors two of the most eminent female writers of this or any other country—Mrs. HALE and Mrs. SIGOURNEY, assisted monthly by one of no less ability than Miss LESLIE.

In speaking of our Engravings, we beg leave to draw attention to the following published in last volume, viz: View of Constantinople, The Pilgrim, Schuylling Water Works, Happy as a King, The Indian Maid, The Death of Luath.

With each of these was published a Fashion-plate, containing either three or four figures beautifully and tastefully colored.

Universally pronounced superior to any other Magazine illustrations in this or any other country. Beautiful as they undoubtedly are, we produce, without hesitation that those for this year shall be superior. The engraving shall always be worth more than the price of subscription.

We do not, as many of our contemporaries do, who would scorn to tell a verbal falsehood, pass off second hand plates as original. Ours are undoubtedly so, and the designs selected by ourselves, and they will be continued throughout the year.

Godey's Book has been emphatically termed THE LADIES' NATIONAL MAGAZINE, as it is a repository for the contributions of the celebrated FEMALE WRITERS OF AMERICA, most of whom are of eminent talents and high repute.

In a future publication we will devote a column to publishing the names of our contributors. It is too long, except for a separate advertisement. We do not, as many of our contemporaries do, in any instance mention the name of a contributor from whom we have not the remotest idea of procuring a contribution. There are enough writers in our country, and good ones too, who if they are paid will furnish matter sufficient for all our periodicals.

TWENTY ONE VOLUMES have already been issued. It is usual to announce that a small edition only will be published. Contrary to this, the Proprietor of the Lady's Book announces that he will publish AN IMMENSE EDITION, with which he hopes to supply all those who will favour him with orders, commencing with the January number.

Every effort has been made by the proprietor of this work to make it superior to any other in America; and as A NEW YEAR'S GIFT, the Lady's Book is probably the most proper that could be desired for Ladies, edited by their own sex, and assisted, as the Editorial Department, by the most eminent female talents of America.

The Times aptly remarks that "no subscription to this work, would be a much more appropriate present to a fair friend during the coming holiday season, than any of the gingerbread annuals made of Laura Matilda poetry and diluted prose." It is the object of this publication to gratify the FASHION PLATES. The Publisher of the Lady's Book wishes it to be distinctly understood that the principal Fashions in his work ARE COLOURED, AND IN EVERY NUMBER, which is not the case with any other work published in this country: unless they are coloured they are useless.

The Literary Department is placed under the supervision of Mrs. SARAH J. HALE and Mrs. LYDIA H. SIGOURNEY; two ladies so well known to the world, that to mention their names in connection with any publication is at once a guarantee of its morality, virtue, and utility. Of their capability to conduct the LADY'S BOOK, it is presumed no person will doubt, and the proprietor mentions with pleasure that no English or American Magazine can publish in connection with its literary Department two names so celebrated in the world of letters. It will be remembered that MISS LESLIE contributes to each number. The Musical Department is under the superintendence of J. G. OSBORNE, than whom no person is more capable of doing it justice. General Features.—Literature, Tales, Essays, Legends, Romantic Incidents in History, Extracts from the Old Plays, Reviews, Poetry, Female Education, Embellishments, Fashions Coloured, Lace, Embroidery, Fac Similies, Music, &c. &c. A great deal of curiosity is often expressed to see the Geography of celebrated persons. We shall endeavor so far as lies in our power to gratify this feeling, by giving from time to time correct imitations of the most celebrated writers of the day. Any embellishments to be found in any other Magazine may be looked for in the Lady's Book.

ADVERTISEMENTS

Our Reading Matter is about the same in quantity as any similar production, probably a little in favor of the Book. It would be foolish and false to say that it contains more, and the proprietor is not willing to condescend to such means for any supposed advancement of his interests. The paper is of the finest quality for periodical use. And the typographical execution has long been a subject of congratulation with those best acquainted with these matters.

Transmission by Mail.—One advantage the subscribers of THIS work will have, is its early reception. It will be received at the remotest Cities of the Union by the first day of the month of publication.

Business Department.—The price of the publication is THREE DOLLARS per annum—the money to be positively received before a number is sent. No letters will be taken from the Post Office unless the postage on them is paid. Unless positive orders are given at the time of subscription, the work is continued after the first year, and if not paid during the year, the price will be increased to FOUR DOLLARS.

We still continue to furnish WALTER SCOTT'S NOVELS complete and the LADY'S BOOK one year, for TEN DOLLARS. For the convenience of persons wishing to subscribe for any of the following publications—Godey's Magazine—Saturday Courier—Saturday Chronicle—Alexander's Weekly Messenger, or Saturday Evening Post—they will be furnished with the Lady's Book, and any one of these publications one year, upon the receipt of Five Dollars, postage paid.

FARMERS!

Attend to your Interest!! THE subscriber respectfully informs the public, and the Farmers particularly, that he has ready for delivery his

Improved Two Horse THRASHING MACHINES; One of which is now in the possession of Mr. Abraham Fisher, residing in Menallen township, Adams County, Pa. Messrs. Fisher and Forney having fairly tested the utility of this machine, furnish the following Certificate:— CERTIFICATE.—We certify, that we have in use one of Mr. S. H. LITTLE'S PATENT HORSE POWERS, and believe it to be decidedly superior to any thing of the kind we have ever seen. From the small degree of friction and the rapidity of motion, two horses have thrashed at the rate of two hundred dozen a day, with the greatest ease, and without injury to the grain. ABRAHAM FISHER. DANIEL FORNEY. Menallen township, Sept. 5, 1840.

WE, the undersigned, do hereby certify, that we have seen one of S. H. Little's Two Horse Patent Portable Thrashing Machine in use and can assure the Farmers and the Public that it is worthy of the highest praise and patronage, as two horses can do the work of four with more ease and less hands. It saves one half the labour and performs the work in the best manner possible. It possesses a decided advantage over any other machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

ALBANY LOCK HOSPITAL. SYPHILIS.

OMNES PRINCIPIS OBSTA. INCOURAGED by the uniform success attending the peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice; sensible also of the happy effects resulting to the community, from having confined himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent. DR. COOKE continues to direct his sole attention to the treatment of every disease that occurs from impudence, whilst under the influence of intemperance or any other baneful excitement, and to the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess ulceration, nodes, caries of the bones, pseudo syphilitic cancer, premature old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he was properly educated and regularly initiated into every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his office, which are properly fitted up and arranged for confidential consultation. Country patients residing at a distance—as all other patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their cases by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent by express for advice and medicine.

DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, difficulty of Breathing, and every other disease of the Lungs and Breast, can do at least to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by this medicine. All symptoms of this disease (Bronchitis) are Coughs, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hoetic Fever, a spitting up of Phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Group or Hoetic Chitren from fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hoandreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by its use.

REV. JONATHAN GOING, D. D., President of Granville College, Ohio, writes—"I was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation; but was perfectly cured by using this Expectorant." Mrs. Dicks, of Salem, N. J. was cured of Asthma of twenty years standing, by using two bottles of this medicine.

Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was beloved by her friends to be the gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly benefited by a cough, Soreness and soreness of the lungs, cured by using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated Modest Town, Va. August 27, 1838.

Dr. Jayne—Dear Sir:—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of cold, inflammation of the lungs, consumption, asthma, pains and weakness of the breast, it is decidedly the best medicine I have ever tried. Very respectfully yours, R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1. Where also may be had Jayne's Carminative Balsam, for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.

For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

HOOPING COUGH, AND CROUP.—TO PARENTS.—JAYNE'S EXPECTORANT, is without exception the most valuable preparation in use, for the above diseases. It converts Hooping Cough into a mild and tractable disease and shortens its duration more than one hundred fold, produces a certain and speedy recovery. From half to one tea spoonful, will certainly cure Croup in infants and young children, in half an hour to an hour. The lives of hundreds of children will be saved annually, by always keeping it on hand ready for every emergency. For sale at No. 20 South 3rd street, Philadelphia. Price 50 cts. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

JAYNE'S CARMINATIVE BALSAM

IS a certain, safe and effectual remedy for Dysentery, Diarrhoea, or Loosenes, Cholera Morbus, Summer Complaint, Cholera, Gripping Pains, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Diseases, as Sick and Nervous Headach, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm. All persons are requested to try it, for there is "no mistake" about its being one of the most valuable family medicines ever yet discovered. Hundreds, nay thousands, of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES. This is to certify that I have used Dr. Jayne's Carminative Balsam very liberally in several Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of these diseases. WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. 1836.

Dr. D. Jayne, Dear Sir,—Having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine. JONATHAN GOING, M. D. President of Granville College, Ohio. New York, May 20, 1837. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

ATTENTION BALD HEADS. NO AFFIDAVIT FOR WIGS. Of all the restorer or devor for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant locks of hair by the use of this medicine. Copy of a letter from Dr. S. S. Fitch. PHILADELPHIA, May 10, 1839.

Dr. Jayne—Dear Sir:—I feel that it can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off about two years, and had become very thin threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off. I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If it will be tried, I have no doubt of its general success. I mean to use it before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit. Respectfully yours, S. S. FITCH. No. 172 Chestnut street.

The Rev. LEONARD FAY, Minister of the Baptist Church, Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald, writes:— "My hair is growing nicely. I assure you."

West Chester, Pa. March 2, 1833. Prepared only by Dr. D. Jayne, sole proprietor, No. 20 South Third Street, Philadelphia. Price \$1 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

COUGH, ASTHMA, SPITTING OF BLOOD OF Sixty Years Standing, cured by Dr. Jayne's Expectorant! PHILADELPHIA, August 16th, 1838. MR. ATKINSON—Dear Sir:—A few weeks ago I noticed in your paper, an account of the surprising effects of Dr. Jayne's Expectorant. I had a great number of passengers on board a Mississippi steambot, to perfect health who were affected with Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially in the case of my children, has led me to call your attention to it. My case is a striking one. I was afflicted in the same way. It has been my misfortune, sir, to labor under a cough and asthmatical oppression, for more than half a century. When a soldier in the American camp, in 1775, I with many others, (owing to great exposure) had a violent attack of dysentery and diarrhea, which was disabled from duty for a long time. At that period only recently, I have never been free from a violent cough and difficulty of breathing. Year after year I have expectorated over a gilla day; often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain any breath, and a great deal of sleep. My case by such constant expectation, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial result. Last winter I had another severe attack of inflammation of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine, when I was persuaded to call on Doctor Jayne. With the assistance of Divine Providence, through him, I was once more raised from my bed, but the coughing and wheezing worried me again and again. I found it remedied by Dr. Jayne's Expectorant. I did so, with a strong hope that, as it had cured many of my acquaintances of various diseases, of the Lungs, it might at least mitigate my sufferings. Need I say how gratified I felt? It has effectually cured me. As soon as I commenced taking it, I began to breathe with freedom. My expectation became more easy, and my cough entirely left me. I now feel as well as ever I did in my life, and am better than I have been for the last sixty years. Last summer I spent a great deal of blood; now, thank God, I am perfectly cured. Now, Sir, after suffering so long and finding that at last such signal relief from Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. If you think this worthy a place in your paper you will oblige me by noticing it. NICHOLAS HARRIS, SEN. No. 33 Lombard Street. Dr. Jayne's Office is No. 20 South Third street Philadelphia.
