METCALFE'S MISCELLANY

A NEW PERIODICAL,

EDITED BY DR. THOMAS DUNN ENGLISH.

The subscriber will issue upon the fifteenth day of February, 1841, the specimen (March) number of a new magazine to be entitled "METCALFE'S MISCELLANY." To contribute to its pages the services of many eminent and excellent writers have been secured, and arrangements are being made with others for the same purpose. Not alone will this new magazine be the neatest and best, but it will be peculiarly suited for family perusal.

In order to give it an attraction possessed by no other Magazine of the kind we have made arrangements to procure outline portraits of ALL THE PHILADELPHIA EDITORS illustrated by biographical sketches. There being engraved in outline on wood will have all the effect of copper etchings. To satisfy the public of their correctness as likenesses, we need only mention that they will be designed by Parker, of this city, whose success in this style especially, is exceedingly great. A sketch of one well-known to the religious community, will appear in the first number.

Among the articles which will be continued in each number, but which will be complete in themselves, will be

"Letters on Miscellaneous subjects."—These are from a pen of a gentleman well qualified for the task he has undertaken.

"Sketches of Down-East, by an expatriated Yankee."

"Pages from a Physician's note book,"—Original Poetry of merit, short spicy tales, brief essays, and a series of severe but impartial critical notices, will fill up the remaining pages, and form an excellent and readable magazine.

The public are particularly requested to observe that all the matter in this magazine will be obtained expressly for it; and will not be taken from any newspaper or any other magazine. Taking this into consideration, it is evidently the VERY CHEAPEST WORK ever attempted in this country.

TERMS. ONE DOLLAR PER YEAR, invariably in advance, for 12 numbers of 32 large octavo pages each making at the end of the year, a volume of nearly four hundred pages.

Every one procuring us FIVE subscribers and remitting the amount in cash or current bank-bills postage free, shall be entitled to a sixth copy gratis; and at the same rate for any further number of subscribers.

Postmasters, and others are requested to act as Agents. J. METCALFE, Back of 112 Walnut Street. January 26, 1841.

ONCE MORE.

WILL my friends permit me to say that I am anxious that the Books of the late firm of GEORGE & WILLIAM ARNOLD be settled up? Those who have not got the money to pay their accounts will please call and give their note, and all those that are indebted by note of long standing will please pay at least part. The books and notes are in the hands of the subscriber, who at all times gives pleasure to give all the indulgence possible; and will merely say, that necessity requires that the business of the firm be closed.

Very Respectfully, GEORGE ARNOLD, January 12, 1841.

CONSUMPTION! CONSUMPTION!

To the Agent, No. 19 North Eighth St.

—DEAR SIR:—There is not one medicine which has so small an introduction in the public prints, in proportion to its virtues, as that of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. I have scarcely ever observed it to occupy a good position in the papers more than once or twice, and that in very brief manner, just sufficient to let the people know that there was such an article; whilst other medicines, much inferior in virtue, embrace "whole columns," and "certificates of persons repeated again and again," even long after they have been laid in their silent tombs, perhaps ever to be forgotten, if not blazed forth in public prints as being cured of maladies of which they have long been dead.

And the reason is asked, under these circumstances, why the demand is so great for the COMPOUND SYRUP OF WILD CHERRY? The answer must be obvious that its virtues tell wherever it goes, and those who have once taken it are glad to communicate such intelligence to their kindred sufferers. This from one who has suffered much, and has been relieved by the above medicine.

Your's, with respect, L. W. For sale, in Gettysburg, at the Drug Store of S. S. FORNEY, Agent. January 26, 1841.

CERTIFICATES OF AGENCY FOR THE SALE OF BRANDRETH'S Vegetable Universal Pills

Cook & Tudor, Hampton. A. S. E. Duncan, Cashtown. M'Sherry & Fink, Littlestown. A. M'Farland, Abbottstown. H. W. Slagle, Oxford. M. Lawver, Fairfield.

As pills, purporting to be mine and put up in imitation, are vended in various quarters, prejudicial to health of those who use them, it is but just to warn the public against purchasing of any but such as are the avowed and authorized agents. By so doing they will be secured against deception.

FARMERS!

Attend to your Interest!

THE subscriber respectfully informs the public, and the Farmers particularly, that he has ready for delivery his

Improved Two Horse THRASHING MACHINES;

One of which is now in the possession of Mr. Abraham Fisher, residing in Menallen township, Adams County, Pa. Messrs. Fisher and Forney having fairly tested the utility of this machine, furnish the following Certificate:—

CERTIFICATE.—We certify, that we have in use one of Mr. S. H. LITTLE'S PATENT HORSE POWERS, and believe it to be decidedly superior to any thing of the kind we have ever seen. From the small degree of friction and the rapidity of motion, two horses have thrashed at the rate of two hundred dozen a day, with the greatest ease, and without injury to the grain.

ABRAHAM FISHER, DANIEL FORNEY, Menallen township, Sept. 5, 1840.

WE, the undersigned, do hereby certify that we have seen one of S. H. Little's Two Horse Patent Portable Thrashing Machine in use and can assure the Farmers and the Public that it is worthy of the highest praise and patronage, as two horses can do the work of four with more ease and less hands. It saves one half the labour and performs the work in the best manner possible. It possesses a decided advantage over any other machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

As a family medicine it stands unrivalled, and should be possessed by all heads of families, particularly, by all those that are subject to a constipation of the bowels; it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivening and invigorating the whole system. This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper customary employment and habits. ALBANY LOCK HOSPITAL. SYPHILIS.

OMNES Principii obsta. ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice; sensible also of the happy effects resulting to the community, from having continued himself assiduously to the study and care of a class of cases which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudence, whilst under the influence of intemperance or any other baneful excitement, and to the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess ulceration, nodes, caries of the bones, pseudo-syphilitic cancer, premature old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he was properly educated and regularly initiated into every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his offices, which are properly fitted up and arranged for confidential consultation. Country patients residing at a distance, are glad to see patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and enclosing a recent certificate of a physician in general, or a difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent without any of the usual postage.

DR. JAYNE'S EXPECTORANT.

This valuable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hiccoughs, Pain and Soreness of the Breast, Difficulty of Breathing, and every other disease of the Lungs and Breast, can do so at the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hiccoughs, Pain and Soreness of the Breast, Difficulty of Breathing, and every other disease of the Lungs and Breast, can do so at the most astonishing and wonderful cures that have ever been known.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JONATHAN GOING, D. D. President of Granville College, Ohio, says—"he was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilke, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.—Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, health Carolina, was greatly affected by a cough, Soreness and soreness of the lungs, and by using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1838.

Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of cold, inflammation of the lungs, consumption, asthma, pains and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price 91.

Where also may be had Jayne's Carminative Balsam, for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sensative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.

The lives of hundreds of children will be saved annually, by always keeping it on hand ready for every emergency. For sale at No. 20 South 3rd street Philadelphia.

ADVERTISEMENTS.

JAYNE'S CARMINATIVE BALSM

IS a certain, safe, and effectual remedy for Dysentery, Diarrhoea, or Looseness, Cholera Morbus, Summer Complaint, Cholera, Griping Pain, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Disorders, as Sick and Nervous Headache, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are solicited to try it, for there is "no mistake" about its being one of the most valuable family medicines ever yet discovered.—Hundred! nay thousands, of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES.

This is to certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases.

WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse, Bridgeton, July 19, 1838.

Dr. D. JAYNE—Dear Sir.—Having myself used your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

JONATHAN GOING, M. D. President of Granville College, Ohio. New York, May 20, 1837.

For Sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

ATTENTION BALD HEADS. NO APOLOGY FOR WIGS.

Of all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it.

Copy of a letter from Dr. S. S. Fitch, PHILADELPHIA, May 10, 1839.

Dr. Jayne—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off about two years, and had become very thin threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off.

I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil all the different preparations of Bear's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH, No. 173 Chestnut street.

The Rev. LEONARD FLETCHER, Pastor of the Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald, writes—

"My hair is growing finely. I assure
