Improved Two Horse THRASHING MACHINES;
One of which is now in the possession of Mr. Abraham Fisher, residing in Menallen township, Adams County, Pa. Messrs. Fisher and Forney having fairly tested the utility of this machine, furnish the following Certificate:—

CERTIFICATE.—We certify, that we have in use one of Mr. S. H. LITTLE'S PATENT HORSE POWERS, and believe it to be decidedly superior to any thing of the kind we have ever seen. From the small degree of friction and the rapidity of motion, two horses have thrashed at the rate of two hundred dozen a day, with the greatest ease, and without injury to the grain.
ABRAHAM FISHER,
DANIEL FORNEY.

Menallen township, Sept. 5, 1840.
WE, the undersigned, do hereby certify that we have seen one of S. H. Little's Two Horse Patent Portable Thrashing Machine in use and can assure the Farmers and the Public that it is worthy of the highest praise and patronage, as two horses can do the work of four with more ease and less hands. It saves one half the labour and performs the work in the best manner possible. It possesses a decided advantage over any other machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

Prepared only by the sole proprietor, JOHN S. MILLER, Frederick, Md.

As a family medicine it stands unrivalled, and should be possessed by all heads of families, particularly, by all those that are subject to a constipation of the bowels: it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivening and invigorating the whole system. This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper customary employment and habits. ALBANY LOCK HOSPITAL. SYPHILIS.

Omnes Principiis obsta.
ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice; sensible also of the happy effects resulting to the community, from having confined himself entirely to the study and cure of a class of diseases which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudence, whilst under the influence of impudence or any other baneful excitement, and to the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or delay, become extended afterwards assume a more aggravated state of disease, occasioning abscess ulceration, nodes, caries of the bones, pseudo syphilis, cancer, premature old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, of his professional character, that he was properly educated and regularly initiated into every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his offices, which are properly fitted up and arranged for confidential consultation. Country patients residing at a distance from the city, who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent without delay to the place appointed.

DR. JAYNE'S EXPECTORANT.—This

valuable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All the most distressing coughs or Asthma, Cough, Spitting of Blood, Hoarse Cough, Croup or Hoarseness, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Throat, Difficulty of Breathing, and every other disease of the Lungs and Breast, can and do at once to its relief. Bronchitis, a disease which is annually sweeping thousands upon thousands into premature graves, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hectic Fever, a spitting up of Phlegm or mucus, and some times blood. It is an inflammation of the mucous lining of the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hoarseness of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JONATHAN GOING, D. D. President of Granville College, Ohio, says—"who was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant of twenty years standing, by using two bottles of this medicine.—Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, hoarse Cough, was greatly benefited by a cough, Soreness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1838.
Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of cold, inflammation of the lungs, consumption, asthma, pains and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours,
R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. For sale at No. 20 South Third street, Philadelphia. Price \$1.

Where also may be had Jayne's Carmine Balsam, for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.
