To the People of the U. States.

Freedow Crizens:—Before my arrising at the Seat of Government the painful communication was made to you by the afficer presiding over the averar Departments of the deeply regetted death of William Handson, late President of the United States. Upon him you had conferred your suffrages for the first office my your chess mistrument to correct and reform all such errors and abuses as had manifested themselves from time to time in the practical operation of the Government. While standing at the forward the general should be abled to the may arise. All sinceures and abuses as had manifested themselves from time to time in the practical operation of the Government. While standing at the forward from a manifested demander of the proportions of the depole of the U. States and manifested themselves the control of the United States and manifested demanders and manifested demanders of the proportion of the United States and manifested demanders of the proportion of the United States and manifested demanders of the proportion of the United States and the United States and the proportion of the United States and the United States dispensation of an all-wise Providence, been with the public service. A strict responsiwith the public service. A strict responsition of the last he passed up the Old Slip dock, the abundance of the Constitution the Old Strict test to be strict responsition of the Constitution the Old Strict responsition of the O removed from amongst us, and by the providence, and for visions of the Constitution the efforts to be directed to the accomplishing of this vitally important task have devolved upon myself.

This same occurrence has subjected the wisdom and sufficiency of our institutions.

The public interest also demands that the passed up the Old Slip dock, the abundance, and for his honesty and independance, and for his honesty and independance, and for his honesty of the purity of his character. He belonged to the own arrival. I confess myself not at all own arrival. I confes This same occurrence has subjected the dign punishment. immediately appointed Mi wisdom and sufficiency of our institutions. The public interest also demands that, spector of the customs. Instory the person elected to the vice residency of the United States, by the happening of a contingency provided for in the Constitution, has had devolved upon him the Presidential office. The spirit of factorial and the currency it shall cease. Measure hereof, Mr. John Sir:—The bearer hereof, M

can lofty patriotism, may find in this occasion, and in constitution measure which we shall be constantly addressed to the mblest composent of the falling of the Constitution which I have some of Government, and the light of the Constitution which I have some of Covernment, and the light of the Constitution which I have some of Government, and the light of the Constitution which I have some of Government, and the light of the Constitution which I have some of Government, and the light of the Constitution which I have some of Government, and the light of the Constitution which I have some of Government, and the light of the Constitution which I have some of Government, and the light of the Constitution of the Cons

The usual opportunity which is afferded to a Chief Magistrate upon his induction to their ever glorious example.

The usual opportunity which is afferded to a Chief Magistrate upon his induction to the chief was under which we live, my position of the policy which would guide not set that the following is necessary for the kind of employment he constructions under which we live, my position of the policy which would guide contrymen an exportance which have brought mer circumstances which have brought men deriving its powers from the consent which we live, my position of the policy which would guide dect enjoyment of all his rights. The spection of the policy which would guide dection the policy men the consent of the United States, he was re-elected to the policy ment of the their ever glorious example.

The mitutions under which we live, my pour of sustaining the contained the pounders and 4 Paixhan Guns, and Paixhan Guns, and Paixhan Guns, and Paixhan Guns, and the protection es instantia, to what was equivalent to 40 percent. That the change which with the sent of the United States, he was re-elected to the places, in regard to the question, "Your's very truly, each of the United States, he was re-elected to the places, in regard to the question, "Your's very truly, each of the United States, he was re-e me, a brief exposition of the principles which will govern me in the general course of my administration of public affairs would seem to be due as well to myself as to you. In regard to foreign nations, the groundwork of my policy will be justice on our part to all, submitting to injustice from none.—

While I shall adultually conting the principles which he partiots and statesman of the partiots and statesman in case of President and not the feet of the Senate. As chair-mode of payment; was fully equal in my shear and that with a distainfrom all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a distainfrom all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destainfrom all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payment; was fully equal in my view to 15 or 20 per cent; and that with a destain from all attempts to enlarge the range of payments of the Government, other than of the Committee on the form of the Committee on the form o all, submitting to injustice from none.—
While I shall sedulously cultivate the relations of peace and amity with one and all, it will be my most imperative duty to see that will be my most imperative duty to see that will be my most imperative duty to see that will be my most imperative duty to see that most of the strict of the form none.—

grants, lest by so doing they disturb that prosperity would be speeding the belief, that pr will be my most imperative duty to see that tables no rules in and the States composing the Union. made known, and are fast superseding every other preparation of professed similar im He says that as man is the shaper of his own character, so is he to some extent the shaper of his own face. For instance if a man indulges in a good hearty laugh, it will sell of the time being give his face a peculiar shape. This much the objector to physiognomy must admit—but whilst the objector is bound to admit this, he says that the late free discussion, of slathis peculiar shape of the face will cease to exist.

I communicated.

Co

Porter sent to the Legislature another of his Who would mistake such a countenance for that chaste and beautiful productions, in the shape of of a monk?

Purchase them in Gettysburg of 1 nos.

Resolved, That we rejoice, in the liberation of J. Cooper, distributing agent; of Jno. M.

Penusylvania Riflemen! chaste and beautiful productions, in the shape of a Veto Message. It was a veto of an act to authorize religious societies to purchase and hold lands for burying grounds, churches, and for other lands for burying grounds are lands for burying grounds. HYMENIAL REGISTER.

> MARRIED. On Thursday morning last, by the Rov. S. Gutelius, Mr. Daniel Lashell, to Miss Margaret Kitzmiller-both of this place. OBITUARY RECORD.

Characters of Gen. Jackson and Mr. Van Buren were no less striking and correct. Without pretending to say that every person can become a very proficient physiognomist, I do think that the human countenance may to some extent be studied with advantage by all. Dr. M. promised te favor us with another locture, on the same subject, in public office ever since.

Characters of Gen. Jackson and Mr. Van Buren were no less striking and correct. Without pretending to say that every person can become a very proficient physiognomist, I do think that the human countenance may to some extent be studied by one made of Indian rubber, which looks as good as new, and answers all the purposes of hearing. This experiment may be called a new ear-a in surgery.

Characters of Gen. Jackson and Mr. Van Buren were no less striking and correct. Without pretending to say that every person can become a very proficient physiognomist, I do think that the human countenance may to some extent be studied by one made of Indian rubber, which looks as good as new, and answers all the purposes of hearing. On Saturday last, an infant daughter of Dr. A. R. M. Mellinger, of East Berlin. On Sunday last, an infant child of Mr. Daniel Bender, of East Berlin. Bender, of East Berlin.

COMMUNICATED. Whereas, it has pleased Almighty God in the J. & S. Patterson vs. Jonathan Rieman. not more than twelve years of age, commit-FROM HARRISBURG.

In ot more than twelve years of age, commits ted suicide by hanging himself. A slight whipping given him by his father, is said to have been the cause of this act.

Hannisburg, April 10, 1841.
