13 AND SIXTY-FOUR POSTMASTERS, a fine Durham cow, belonging to him gave

While in Washington ten days ago, the following statement from the Louisville Journal was put into our hands. Notwitheranding all the known and unknown instances of official corruption under the late administration, we could scarcely credit a tale of such unblushing? villany, and we etraightway applied to the general post office for information. We were there informed that it was true to the letter. When Mr. Barry was Postmaster General, a committee was rappointed by the United States Senate to investigate the iuvestigation resulted in the very able report made by Manual wing, in which divers extra allowance did other corruption, were duly made known to the people of the To parry the effects of that startling re

port, Mr. Barry, it may be remembered, published a pamphlet, a vindication, so called, of his conduct. This pamphlet called, of his conduct. This pamphlet was, of course, an individual and not an official document. Nevertheless, he agreed to pay to the editors of the Globe, Messrs. Blair & Rives, \$1,500 for printing it, and charged the amount to the Government! charged the amount to the Government!

this item of \$1,500. Afraid that another greatly to the appearance of the work. investigation would soon take place, and that this extraordinary item would thus be brought to light, he made Blair & Rives efund the money; at least he entered it as refunded, on the books. Thus the matter remained till the 3rd of March, 1841, the number of lads went into the mill dam of Mr. own as citizens, men who know not the "price of "The House has been ongoged in discussion up very last day of Mr. Van Buren's Adminis- Goiselman to bathe, when, melancholy to relate, valor," and who most certainly can never earn it, on the McLeod case, and Mr. Johnson's Land tration, when Mr. Niles, the successor of Jacob, son of Ludwick Group of Huntington cannot be denied; most tumbling and lamenta-Kendall as Postmaster General, paid back township; in this county, aged about seventeen ble proof has been given to the nation that such
