COUNTERFEITERS' DEATH BLOW.

THE public will please observe, that no Brandreth Pills can be relied upon as the TRUE and GENUINE unless each box has new labels upon it. VOLUME TWENTY-THREE.

GODEY'S LADY'S BOOK AND Ladies' American Magazine.

Mrs. S. J. Hale and Mrs. Lydia H. Sigourney, Editors. Miss E. Leslie, a contributor to each number.

THE present volume commences with two Steel Engravings by A. L. Dick. Sunday Morning and the Sale of the Pet Lamb. Also, a beautiful coloured Fashion Plate.

This is an outlay for Embellishments unprecedented in this or any other country. The great beauty of the pictures will give pleasure to every lover of the beautiful, and it shall always be our aim to procure such subjects for the engraver as will, even without the poetical illustration, tell their own tale. While thus giving attention to that which pleases the eye, we will show that equal attention has been paid to catering for the mind.

Mrs. L. H. Sigourney, who has lately returned from Europe, has made such arrangements as will ensure us a supply of articles from the best Female Writers of England.

Mary Russell Mitford, Mrs. S. C. Hall Maria Edgeworth, (their first contributions to an American periodical,) will each contribute to the Ladies' American Magazine; from the two last we now have articles on hand. The Hon. Mrs. Norton will also be a contributor.

While from abroad we are receiving such assistance as will serve to make an agreeable variety, we must not forget to mention that we are now publishing an article from an eminent writer of our own country—the author of 'Losing and Winning,' and 'Sensibility.' This tale we are certain will cause as great a sensation as did the publishing of 'Losing and Winning,' which was republished in half the papers of our country.

Let it not be forgotten that Miss Leslie contributes to the Lady's Book only. No other Magazine has articles from her pen. She commences in this No. another of those graphic sketches that give so much pleasure to our readers, 'Leonilla Lynmore.'

While paying a proper tribute to the great talents of the English ladies previously mentioned, be it remembered that we have our own Halo, Sigourney, Leslie, Parsons, Embury, Hentz, and a host of others, to mention which we have neither time nor space.

Godey's Lady's Book has been favored from the first with a list of writers that no other Magazine can equal. It has, also, what cannot be said of any other publication, Exclusive Contributors.

The list of subscribers is larger than any monthly publication in this or perhaps any other country.

Thier's History of the French Revolution.

The subscriber will commence on the 1st of July the publication of Thier's History of the French Revolution. It will be published weekly, and be completed in sixty numbers of twenty-eight pages each. It will contain thirteen fine engravings on steel, by A. L. Dick, Esq., so well known by his engravings in the Lady's Book. The paper is of the finest quality, large type, and a cover to each number. The sale in France of this book is unparalleled, forty thousand copies having been already sold, and a new edition called for.—Price per copy, \$7 50.

WAVERLY NOVELS.

By WALTER SCOTT, for FIVE Dollars. Waverly Novels, with a fine portrait on steel of the author, will be furnished complete to the subscribers of the Lady's Book, on receipt of a remittance of \$5.

This is printed after the Edinburgh edition, revised by the author himself, which was published in forty-eight volumes, and cost seventy-two dollars, and will contain every word comprised in the Edinburgh edition.

The work will appear in weekly Numbers, comprising an entire novel, printed on good paper, and will be completed in twenty-five numbers, making five large octavo volumes. Title page and portrait will be printed with the work.

In all cases, the money for any of the above works must be positively received, before a copy is sent.

No unpaid letters are ever taken from the post-office.

ALBANY LOCK HOSPITAL. SYPHILIS.

Omnes Principiis obsta. ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention of venereal complaints, and confirmed by the experience of many years in a widely extended practice; sensible also of the happy effects resulting to the community, from having confined himself entirely to the study and cure of a class of diseases which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudence, whilst under the influence of intemperance or any other baneful excitement, and to the cure of those dreadful maladies, which too frequently are the result of these vices. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess ulceration, nodes, caries of the bones, pseudo-syphilis, cancer, premature old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he was properly educated and regularly initiated into every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his office, which is properly fitted up and arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success, and their minutely their case by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, and carefully protected from observation, and sent without delay to the place appointed. Garlegant's Balsam of Health.

Prepared only by the sole proprietor, JOHN S. MILLER, Frederick, Md.

THE subscriber has just received a further supply of this valuable medicine, which has gained a celebrity which few other articles have ever received in so short a time as this; the sale of which, has constantly increased, and will continue to increase, as its merits are made known. This celebrated BALSAM OF HEALTH, is a medicine and vegetable compound, warranted a safe and effectual remedy for the cure of Dyspepsia, and for the whole train of diseases resulting from, and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions. As a family medicine it stands unrivalled, and is highly recommended by all heads of families, particularly, by all those who are subject to a constipation of the bowels; it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivening and invigorating the whole system. This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, and renders it perfectly harmless, and is a hindrance to business, nor any proper customary employment and habits. The proprietor could give a great many certificates of cures performed by this medicine in this advertisement, if it did not occupy so much room; therefore he deems it quite unnecessary, as all those who wish to see them can, by applying to his agent in this place.

S. H. BUEHLER, Gettysburg, or Dr. AUG. TANEY, Emmitsburg, Md. September 29, 1840.

DR. JAYNE'S EXPECTORANT.

This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hoarseness, Whooping Cough, Pleurisy, Hoarseness, Phlegm, and Soreness of the Throat, difficulty of Breathing, and every other disease of the Lungs and Bronch, can do almost to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Aching, Hiccough, a spitting up of Phlegm, mucus, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hoarseness of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, writes—"I was afflicted with a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilke, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.

Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, residing at Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, Soreness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated Modest Town, Va. August 27, 1838. Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively in my practice, for the last three months, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pains and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS, M. D. Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. Prepared only by Dr. J. Jayne, No. 20 South Third street, Philadelphia. Price \$1.

Where also may be had Jayne's Carmine Balsam, for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaint, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.

For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

WORMS! WORMS!!

To remove these dangerous and troublesome inhabitants of the Stomach and Bowels, which so often impair the health and destroy the lives of children, use Dr. Jayne's Tonic Vermifuge, a certain and safe preparation for the removal of the various kinds of Worms, Dyspepsia, Scour, Stomach, West of Appetite, Intestinal Fever, and Ague, and debility of the Stomach and Bowels and organs of digestion. To be had at No. 20 South Third Street, Philadelphia. Price 50 cts. For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

JAYNE'S CARMINATIVE BALSAM.

Is a certain, safe and effectual remedy for Dysentery, Diarrhoea, or Loosenes, Cholera Morbus, Summer Complaint, Cholera, Griping Pains, Sore Stomach, Flatulency, &c. &c. and all Spasmodic and Nervous Diseases, such as Headache, Headach, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for there is no "snake" about its being one of the most valuable family medicines ever yet discovered.—Hundred: nay thousands, of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES.

This is to certify that I have used Dr. Jayne's Carmine Balsam very extensively in Bowel Complaints, and have the least hesitation in declaring it superior to any preparation that I have not with, for the relief of those diseases. WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgeton, July 19, 1836.

Dr. D. JAYNE.—Dear Sir,—Having made use of your Carmine Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of those complaints will find relief in the use of this valuable medicine. JONATHAN GOING, M. D. President of Granville College, Ohio. New York, May 20, 1837. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

ATTENTION BALD HEADS. NO APPEAL FOR WIGS.

OF all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald for years ago, can now exhibit luxuriant heads of hair by its use. Copy of a letter from Dr. S. B. Fitch. PHILADELPHIA, May 10, 1839.

Dr. Jayne.—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off about two years, and had become very thin threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off. I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles offered for the hair, such as the Maccassar Oil. All the different preparations of Balsam of Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH, No. 172 Chestnut street. The Rev. LEONARD FLETCHER, Pastor of the Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald for years.

"My hair is growing finely, I assure you." L. FLETCHER. West Chester, Pa. March 2, 1839.

Prepared only by Dr. D. Jayne, sole proprietor, No. 20 South Third Street, Philadelphia. Price \$1 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

COUGH, ASTHMA, SPITTING OF BLOOD

of Sixty Years' Standing, cured by Dr. Jayne's Expectorant! PHILADELPHIA, August 16th, 1838.

Mr. ATKINSON—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carmine, in restoring a great number of passengers on board a Mississippi steamer, to perfect health who were afflicted with Bowel Complaint. I was glad to see you notice it so kindly, yet more glad to see it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially his Expectorant, induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a cough and asthmatical oppression, for more than half a century. When a soldier in the American camp, in 1778, I, with many others, (owing to great exposure,) had a violent attack of disease of the Lungs, by which I was disabled from duty for a long time. Since that period until recently, I have never been free from a violent Cough and difficulty of breathing. Year after year I have expectorated over a gill a day; often much more, and sometimes mixed with blood. For months together, night after night, I have had the weakness or debility caused by such constant expectoration, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another severe attack of Inflammation of the Lungs, which I fully expected would be the last. I then considered myself past the aid of medical aid, when I was persuaded to call on Doctor Jayne. With the assistance of Divine Providence, through him, I was once more raised from my bed, but the coughing and wheezing wearied me day and night. He advised me to use his Expectorant. I did so, with a strong hope, that as it had cured many of my acquaintances of various diseases of the Lungs, it might at least mitigate my sufferings. Need I say how gratified I felt. It has effectually cured me. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became more easy, and my cough entirely left me. I now feel as well as ever I did in my life, and am better than I have been for the last sixty years
