S. H. BUEHLER. Gettysburg, Feb. 18, 1840. A TTENTION BALD HEADS. NO AP-OLOGY FOR WIGS. Of all the romedies ever devised for the restoration and preserva-

tion of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restors the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuri-ant heads of hair by the use of it.

Copy of a letter from Dr. S. S. Fitch. PHILADELPHIA, May 10, 1859. Dr. Jayne .- Doar Sir .- I feel that I can hard. ly say enough to you in favor of the Hair , Tonic, prepared by you. My hair had been falling off

shout two years, and had become very thin throntening speedy baldness, when I commenced using this remedy. In about one week it ceased to full off. I have used it now about three months, and

avo as full and thick a head of hoir as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of itagen. eral success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil all the different preparations of Bear's Oil, Vegetable Hair Oil, &c. &c. without experiencing nuch, if any benefit.

Respectfully yours, S S. FITCH. No. 172 Chestnut street. The Rev. LEONARD FLETCHER, Pastor of the

Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bettles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head whose he was bald, writes--"My hair is growing finely, I assure you."

MOUGH, ASTHMA, SPITTING OF BLOOD of Sixty Years Standing, GUARD by Dr

Jayne's Expectorant! PHILADELPHIA, August 16th, 1838. Mr. ATEINSON- Dear Sir: A few weeks ago I acticed in your paper, an account of the surpri-sing effects of Jayne's Carminative, in restoring

a great number of passengers on board a Missist for Asthma, Coughe, Spitting of Blood, Hoop you notice it so kindly; you may rost assured it deserves the praise bastowed upon it. The benofit I have received from this medicine, more especially his Expectorant, induces me to state my case to you for the benefit of those who are afflia soldier in the American camp, in 1778, I, with many others, (owing to great exposure,) had a violent attack of disease of the Lungs, by which I from a violent Cough and difficulty of breathing, Your after year I have expectorated over a gill s day; often much more, and sometimes mixed with blood. For mouths together, night after night, I have had to sit or be bolstered up to ob. tain my breath. The wonkness and debility can. sed by such constant expecteration, frequently brought me to a state bordering on death. It has been a matter of astonielment to my family and friends that I am here to write this to you. I have had skilful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another severe attack of Inflamation of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine, when I was persuaded to call on Doctor Jayno. With the assistance of Divine Providence, through him, I was once more raised from my bed, but the coughing and wheezing that, as it had cured many of my acquaintances soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became more easy.

and my cough entirely left me. I now feel as well as ever I did in my life, and am botter than I have been for the last sixty YEARS. Last summer I spit a great deal of blood; now, thank God. I am perfectly cured. Now, Sir, after suffering so long, and finding at last such signal relief from Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. If you think this worthy a place in your paper you

will oblige me by noticing it.
