Important to Farmers!

TWO HORSE THRASHING MACHINES,

Warranted to thrash as much in any given time with Two Horses, and less labor, as any four-horse Machine now in use.

T. WARREN & CO.

Of Gettysburg, Adams County, Pa., HAVING purchased from S. H. LITTLE the right of ADAMS, CARROLL and FREDERICK Counties, of his Patent Two-horse Portable Thrashing Machine and Horse-Power, are now making, and will constantly keep on hand, at the

STEAM FOUNDRY.

in Gettysburg, a large quantity of these valuable Machines, and now offer them to the Farmers as the most useful, labor-saving, and convenient Machine of the kind ever offered to the public. The price of these Machines being much less than any other Machine of the kind, every Farmer has it in his power to obtain one. Two hands can load and unload this Machine with ease, and one horse can haul the whole Machine in a small wagon over any ordinary road. Almost every Farmer has help enough within himself to work the machine. We deem any further comment unnecessary, but will merely add the following Certificate, being one of many of a similar kind in our possession.

THOS. WARREN, GEORGE ARNOLD. Gettysburg, July 20, 1841.

CERTIFICATE.

We, the undersigned, do hereby certify, that we have seen one of S. H. LITTLE'S Two-horse Patent Portable THRASHING MACHINES in use, and can assure the Farmers and the Public, that it is worthy of the highest praise and patronage, as Two Horses can do the work of Four with more ease and less hands. It saves one-half the labor, and performs the work in the best manner possible. It possesses a decided advantage over any other Machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

ALBANY LOCK HOSPITAL.

SYPHILIS.

Encouraged by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed practice, resolvable also of the happy effects resulting to the community, from having confined himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudence, whilst under the influence of intemperance or any other baneful excitement, and to the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess ulceration, nodes, caries of the bones, pseudo syphilis, cancer, premature old age, and too often end to a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, a justice to his professional character, that he was properly educated and regularly initiated in every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his office, which are properly attended up and arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and enclosing remittances for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from heat, and sent without charge to the place appointed.

Garlegant's Balsam of Health, Prepared only by the sole proprietor, JOHN S. MILLER, Frederick, Md.

THE subscriber has just received a further supply of this valuable medicine, which has gained a celebrity which is not to be surpassed, and of which, has constantly increased, and will continue to increase, as its merits are made known. This celebrated BALSAM OF HEALTH, is a medicinal and vegetable compound, warranted a safe and effectual remedy for the cure of Dyspepsia, and for the whole train of diseases resulting from a disordered condition of the stomach and liver, or derangement of the digestive functions. As a family medicine it stands unrivalled, and should be possessed by all heads of families, particularly by all those that are subject to a constipation of the bowels; it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivening and invigorating the whole system.

The Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper customary employment and habits. The proprietor could give a great many certificates of cures performed by this medicine in this and other parts of the world, but it is quite unnecessary, as all those who wish to do so, may, by applying to his agent in this place.

S. H. BUEHLER, Gettysburg, or, Dr. AUG. TANEY, Emmitsburg, Md. September 29, 1840.

DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, difficulty of Breathing, and every other disease of the Lungs and Air-passages, can and do annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Coughs, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hoarse Cough, a spitting up of Phlegm or mucus, and sometimes blood. It is an inflammation of the fine skin tubes or air vessels which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough, and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JONATHAN GOING, D. D. President of Granville College, Ohio, says—"I was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also, of Salem, who was beloved by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, Soreness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1839. Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of cold, inflammation of the lungs, consumption, asthma, pain and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1. Where also may be had Jayne's Carmine Balsam for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.

JAYNE'S CARMINATIVE BALSAM

IS a certain, safe, and effectual remedy for Dysentery, Diarrhoea, or Loose Stools, Cholera Morbus, Summer Complaint, Cholera, Griping Pains, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Diseases, as Sickness and Nausea, Headache, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for there is no mistake about its being one of the most valuable family medicines ever yet discovered. Hundreds of thousands of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES.

This is to certify that I have used Dr. Jayne's Carmine Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases.

WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgeton, July 19, 1836.

Dr. D. JAYNE.—Dear Sir,—Having made use of your Carmine Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends, and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

ATTENTION BALD HEADS. NO APPEAL FOR WIGS.

Of all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it.

Copy of a letter from Dr. S. S. FITCH, PHILADELPHIA, May 10, 1839.

Dr. Jayne.—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off about two years, and had become very thin, and in some places baldness, which I commenced using this remedy. In about one week it ceased to fall off.

I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles sold for the hair, such as the Macassar Oil, all the different preparations of Bear's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH, No. 172 Chestnut street.

The Rev. LEONARD FLETCHER, Pastor of the Baptist Church, Great Valley, Pa. who had been bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald, writes—

"My hair is growing faster, I assure you." West Chester, Pa. March 1, 1840.

COUGH, ASTHMA, SPITTING OF BLOOD

of Sixty Years Standing, cured by Dr. Jayne's Expectorant.

PHILADELPHIA, August 15th, 1838. MR. ATKINSON.—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carmine, in restoring a great number of passengers on board a Mississippi steambot, to perfect health who were affected with Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured that I have received from this medicine, more especially his Expectorant, induces me to state my case to you for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a cough and asthmatical oppression, for more than half a century. When a soldier in the American camp, in 1781, I was many others, (owing to great fatigue,) had a violent attack of disease of the Lungs, by which I was disabled from duty for
