GETTYSBURG, SEPTEMBER 14, 1841

REMITTANCES BY MAIL.

FROM THE POSTMASTER GENERAL.

spinis, addressed to the public, in relation to the Veto on the first Bank Bill by President Tyler.

When I came to Washington, at the commencement of the present session, I will not believe any act of yours with testify to my friendship who are familiar with my course in the Virginia Logislature, when he was then engaged with his present confidential organ in the Senate, whom he then thought humiliated beyond recovery, by the performance of an act, that he resistent of the present session I will call into requisition.

When I came to Washington, at the constitution or otherwise jeopard the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became a condidate up to the time of the election, except while hound from the time I became in dividual, a resident of the time of the election, except while hound from the time I became to the time of the election, except while he time of the election, except while he ti prints, it senned, would prove my disposi- but will take great pleasure, I have no in my adhesion to Mr. Tyler's re-election, up and sustained from a quarrel ing suitable quarters and barracks. A character of a National Legislature for the done, but when all doubt was with what has been framed to suit his perform the fiscal purposes, founded from my mind, when the verl was collar views. "Captain Tyler" don't mean fairly drawn aside. I indulged the express the the various of the fairly drawn aside. I indulged the express that the various of the fairly drawn aside. I indulged the express that the various of the fairly drawn aside. I indulged the express that the various of the fairly drawn aside. I indulged the express to the congress of the United States, in the United States, fairly drawn aside, I indulged the express to give up the power that the union of the stion of indignation I felt, in conversation as sword and the purse will farnish him with, well as in my letters; and if all the latters are in a containing part, on good minitary road, supported at the ex- whole Union, to enter the fiscal wants and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to perform the fiscal purposes, and exigencies, supported at the ex- whole Union, to a content the ex- whole Union, to a content the ex- whole Union to Exigence and person of the General Government, from meet the fiscal wants and exigence at the ex- whole Union, to a content the ex- whole Union to Exigence and the exigence at the ex- whole Union to Exigence and the ex- whole Union to Exigence and the exigence at the ex- whole Union to Exigenc

that I spoke then, as I speak now, for my-divided us from our political opponents in signed for publication, the Whig office was 20 wounded, mostly whites. self, and myself alone. I am not only will—the late contest was the necessity of sepaing, but I feel able to bear the whole reing but I feel able to bea sponsibility on my own shoulders; and I the sword. This was our strong objection, easy, emphatically, that the bank bill refered and argument against the odious Sub-I am proud to be an humble member, that red to in the postscript of my letter, which Treasury; and yet within the first four they may imagine it to have been address. In the may imagine it to have been address. In the may imagine it to have been address. In the may imagine it to have been address. I thought would pass, and to which no stock months after this whig President assumes ed to the Madisonian for publication as conwould be subscribed, "but would serve to the robe of office, he by his own act, while taining not one half that I thought and felt, companions, the Grave and Guards, and circumstances against him, are said to be with similar powers for twenty years, with would be subscribed, "but would serve to fasten him," was not the bill now before the bank bill is still before him, by his sig the flouse; it was no other than the bill nature, repeals the Sub-Treasury bill; resent to Congress by the Secretary of the peals the state bank system, signs a bill pursue.

Treasury, and which was understood, if not known, to be a Cabinet measure; one to delice the by his own act, while taining not one half that I thought and felt, companions; the Grays and Guards, and both squares from Fifth to Seventh, are both squares from Fifth to Seventh, are said to be of circumstances against him, are said to be overy strong. Terry had filled an office in the same clause, to both squares from Fifth to Seventh, are guarded by, and under control of the milions, without enumerating other features which are considered to their the negroes being all confined to their the negroes against him, are said to be overy strong. Terry had filled an office of the modify or create any bank tor the negroes of the negroes against him, are said to be overy strong. Terry had filled an office of the negroes agai known, to be a Cabinet measure; one to dollars, by which the treasury is to be filled, which we had reason to believe he stood deeply committed to every member of his raises millions more and rejects the bill the conductor of the Madisonian. But I

the letter was written, at a meeting of the vote of Virginia and South Carolina united, in Richmond, but it gives me pleasure, preserve the peace of the city. Whigs, I submitted a proposition that the two States from which the principle while I denounce him as a politician and A Town Meeting of the citizens general-Executive plan as subjusted by Mr. Ew. opposition comes.
