Important to Farmers!

TWO HORSE THRASHING MACHINES, Warranted to thrash as much in any given time with Two Horses, and less labor, as any four-horse Machine now in use.

T. WARREN & CO.

Of Gettysburg, Adams County, Pa., HAVING purchased from S. H. LITTLE the right of ADAMS, CARROLL and FREDERICK Counties, of his Patent Two horse Portable Thrashing Machine and Horse-Power, are now making, and will constantly keep on hand, at the

STEAM FOUNDRY.

in Gettysburg, a large quantity of those valuable Machines, and now offer them to the Farmers as the most useful, labor-saving, and convenient Machine of the kind ever offered to the public. The price of these Machines being much less than any other Machine of the kind, every Farmer has it in his power to obtain one. Two hands can load and unload this Machine with ease, and one horse can haul the whole Machine in a small wagon over any ordinary road. Almost every Farmer has help enough within himself to work the machine. We deem any further comment unnecessary, but will merely add the following Certificate, being one of many of a similar kind in our possession.

THOS. WARREN, GEO. ARNOLD. Gettysburg, July 20, 1841.

CERTIFICATE.

We, the undersigned, do hereby certify, that we have seen one of S. H. LITTLE'S Two horse Patent Portable THRASHING MACHINES in use, and can assure the Farmers and the Public, that it is worthy of the highest praise and patronage, as Two Horses can do the work of Four with more ease and less hands. It saves one-half the labor, and performs the work in the best manner possible. It possesses a decided advantage over any other Machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere.

Garlegant's Balsam of Health,

Prepared only by the sole proprietor, JOHN S. MILLER, Frederick, Md.

THE subscriber has just received a further supply of this valuable medicine, which has gained a celebrity which few other articles has ever received in so short a time as this; the sale of which, has constantly increased, and will continue to increase, as its merits are made known. This celebrated BALSAM OF HEALTH, is a medicinal and vegetable compound, warranted a safe and effectual remedy for the cure of Dyspepsia, and for the whole train of diseases resulting from and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions. As a family medicine it stands unrivaled, and should be possessed by all heads of families, particularly by all those that are subject to a constipation of the bowels; it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivening and invigorating the whole system. This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper customary employment and habits. The proprietor could give a great many certificates of cures performed by this medicine in this advertisement, if it did not occupy so much room; therefore he deems it quite unnecessary, as all those who wish to see them can, by applying to his agent in this place.

S. H. BUEHLER, Gettysburg, or, Dr. AUG. TANEY, Emmitsburg, Md. September 29, 1840.

DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, (Inflammation, Pain and Soreness of the Breast, difficulty of Breathing, and every other disease of the Lungs and Bronch, can and do attest to its usefulness. Broadsheets, which are annually availing thousands upon thousands of premature graves, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Coughs, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hoarse Cough, a spitting up of Phlegm or matter, and some times blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind pipes or air vessels, which, in a disease which is usually accompanied by a spitting up of matter, produces the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, says—"he was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but he was perfectly cured by using this Expectorant." Mrs. Dicks, of Salem, N. J. was cured of a spitting up of matter, and a difficulty of breathing, by using two bottles of this medicine.— Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also, of Salem, who was beloved by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, soreness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1838.

Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of cold, inflammation of the lungs, or chest, it is decidedly the best medicine I have ever tried.

Very respectfully yours,

R. W. WILLIAMS, M. D.

Numerous other certificates might be added, out of the above are considered sufficient evidence of its great usefulness.
