Important to Farmers! TWO HORSE THRASHING MACHINES, Warranted to thrash as much in any given time with Two Horses, and less labor, as any four-horse Machine now in use.

T. WARREN & CO. Of Gettysburg, Adams County, Pa., HAVING purchased from S. H. LITTLE the right of ADAMS, CARROLL and FREDERICK Counties, of his Patent Two Horse Portable Thrashing Machine and Horse-Power, are now making, and will constantly keep on hand, at the

STEAM FOUNDRY, in Gettysburg, a large quantity of those valuable Machines, and now offer them to the Farmers as the most useful, labor-saving, and convenient Machine of the kind ever offered to the public. The price of these Machines being much less than any other Machine of the kind, every Farmer has it in his power to obtain one. Two hands can load and unload this Machine with ease, and one horse can haul the whole Machine in a small wagon over any ordinary road. Almost every Farmer has help enough within himself to work the machine. We deem any further comment unnecessary, but will merely add the following Certificate, being one of many of a similar kind in our possession.

THOS. WARREN, GEO. ARNOLD. Gettysburg, July 20, 1841.

CERTIFICATE. We, the undersigned, do hereby certify, that we have seen one of S. H. LITTLE'S Two Horse Patent Portable THRASHING MACHINES in use, and can assure the Farmers and the Public, that it is worthy of the highest praise and patronage, as Two Horses can do the work of Four with more ease and less hands. It saves one-half the labor, and performs the work in the best manner possible. It possesses a decided advantage over any other Machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

George Snyder, John F. McFarlane, David Ziegler, Wm. N. Irvine, C. N. Bulwuch, William Settle, John Barret, Robert King, William McClellan, Joel B. Danner, A. B. Kurtz, S. R. Russell, Wm. HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties. The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horse than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin County, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841. 1y-22

A NEW VOLUME IN SPLENDID STYLE. JULY, 1841.

GRAHAM'S Lady's and Gentleman's MAGAZINE.

In addition to the fact, that we employ the talent of the very best American artists, in the engraving of the plates for this work, it must be remembered, the most of the subjects selected, are ORIGINAL AMERICAN PICTURES, which have never been before engraved, and are consequently, the newest that can be brought before the public.

HIGHLY COLORED FASHIONS.—It must be remembered that the Fashion plates of this Magazine are the best in coloring and design that can be found in any work published in this country or in Europe. We pay more for coloring than any other publication, and always have the best.

THE CONTRIBUTORS.—In addition to the unusually fine array of original contributors, which the Magazine has thus far boasted, arrangements have been made with a number more, of the best writers of the day, so that space and variety may be looked for in the literary department of the new volume.

SPORTS AND PASTIMES.—This interesting feature of the Magazine shall still be preserved as important to young sportsmen, and in fact to all young or old, who delight in the sports of the rod and the gun. Articles in this department shall be from acknowledged pens, and of the very best authority.

Garlegant's Balsam of Health, Prepared only by the sole proprietor, JOHN A. MILLER, Frederick, Md.

THE subscriber has just received a further supply of this valuable medicine, which has gained a celebrity which few other articles have ever received in so short a time as this; the sale of which, has constantly increased, and will continue to increase, as its merits are made known. This celebrated BALSAM OF HEALTH, is a medicinal and vegetable compound, warranted a safe and effectual remedy for the cure of Dyspepsia, and for the whole train of diseases resulting from, and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions. As a family medicine it stands unrivaled, and should be possessed by all heads of families, particularly by all those who are subject to a constipation of the bowels; it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivening and invigorating the whole system. This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper customary avocations. The proprietor could give a great many certificates of cures performed by this medicine in this advertisement, if it did not occupy so much room; therefore he deems it quite unnecessary, as all those who wish to see them can, by applying to his agent in this place.

S. H. BUEHLER, Gettysburg, or, Dr. AUG. TANEY, Emmitsburg, Md. September 29, 1840. 6m-27

DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting cures of the most astonishing and wonderful kinds that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chlorosis, Pleurisy, Hemorrhages, Pain and Soreness of the Breast, Difficulty of Breathing, and every other disease of the Lungs and Breast, can do at least to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hoetic Fever, a spitting up of Phlegm or matter, and some times blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, says—"I was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.—Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, Soreness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Madest Town, Va. August 27, 1838. Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pains and weakness of the chest. It is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS, M. D. Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1. Where also may be had Jayne's Carmine Balsam for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c. Sensitive Pills, for Dyspepsia, Liver Complaints, and Female Disorders, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.
