

PROSPECTUS OF THE PEOPLE'S LIBRARY OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

A distinctive characteristic of the present age is the multiplication and cheapness of its literature. In every department of letters new works are constantly falling from the press, and notwithstanding the extraordinary supply, the demand continues with unabated activity.

As most of the publications referred to are printed in solid volumes, they are inaccessible to the mass of those readers who are remote from large cities. The cost and the difficulty of transporting books to places which do not lie on the great thoroughfares of the country, are such as to prevent their extensive circulation in the interior, and to make their prices so high, as to impose a serious tax on all who purchase them.

The People's Library, OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

The People's Library will consist principally of reprints of the best productions of the British press. The Novels of Bulwer, Dickens, James, D'Israeli, Marryat, Lecker, the author of "Malley and Lorraine," Lover, the author of "Rory O'More," Warren, the author of "Ten Thousand A-Year," Miss Pickering, Agnes Strickland, Mrs. Gore, Miss Austin, Lady Blessington, Mrs. S. C. Hall.

And all other modern writers of distinction will be embraced in the collection, as soon as possible after their publication abroad; and in occasional instances prior to any publication which can be made by the book-sellers here. In addition to the Novels, the library will contain such amusing Memoirs, Diverging Travels, and other fresh and racy works as may from time to time be thought worthy of being transferred to its pages.

It is a subject of familiar remark, that along with the wide spreading taste for literature, there is springing up in all parts of this country, a taste for the finer works of pencil and the graver, which denotes a rapidly progressive civilization. To minister to this taste, and to render "The People's Library" of the highest value, and worthy of the most extensive patronage, the proprietor intends to furnish along with each number

An exquisitely engraved Steel Plate, From the burins of the most distinguished artists. These plates will be accompanied with letter press illustrations from the pens of Miss Leslie, Sebá Smith, Mrs. E. C. Emery, Miss H. F. Gould, Mrs. L. H. Sigourney, &c., &c., and other eminent American writers. This feature in his proposed publication is of an importance which the proprietor believes cannot be over-estimated. The series will embrace many original pictures, and each subscriber will thus receive, in addition to the regular matter of the Library, a number of elegant and costly Engravings, which will make a valuable addition to the ornaments of the drawing room and the centre table.

Accompanying each number of the Library four pages of extra matter will be furnished in the form of a cover. This will comprise notices of new publications, a monthly compend of literature, contemporary events, &c. &c. The critical department will be supplied with judicious and impartial articles, the aim of which will be to elevate the character of our literature. "The People's Library" will be printed in large octavo form, on paper of the finest quality, from clear, distinct and elegant types. Each number will contain over 80 pages, making at the end of the year 1000 pages! The whole of this, with the engravings, additional matter, literary news, &c., &c., will be furnished at the singularly low price of 83 PER ANNUM, payable in advance. This price even in this age of cheap literature, is unrivalled for cheapness. Nor can it be objected that its cheapness will lessen its merit, as the proprietor pledges himself that in every department of the work, Literary, Typographical and Pictorial, it shall be at least equal to the best periodicals of the day.

Important to Farmers!

TWO-HORSE THRASHING MACHINES,

Warranted to thrash as much in any given time with Two Horses, and less labor, as any four-horse Machine now in use.

T. WARREN & CO.

Of Gettysburg, Adams County, Pa., HAVING purchased from S. H. LITTLE the right of ADAMS, CARROLL and FRANKLIN Counties, of his Patent Two-horse Portable Thrashing Machine and Horse-Power, are now making, and will constantly keep on hand, at the

STEAM FOUNDRY.

in Gettysburg, a large quantity of these valuable Machines, and now offer them to the Farmers as the most useful, labor saving, and convenient Machine of the kind ever offered to the public. The price of these Machines being much less than any other Machine of the kind, every Farmer has it in his power to obtain one. Two hands can load and unload this Machine with ease, and one horse can haul the whole Machine in a small wagon over any ordinary road. Almost every Farmer has help enough within himself to work the machine. We deem any further comment unnecessary, but will merely add the following Certificate, being one of many of a similar kind in our possession.

T. WARREN & CO., GEOS. ARNOLD, Gettysburg, July 20, 1841.

CERTIFICATE.

We, the undersigned, do hereby certify, that we have seen one of S. H. LITTLE'S Two-horse Patent Portable THRASHING MACHINES in use, and can assure the Farmers and the Public, that it is worthy of the highest praise and patronage, as Two Horses can do the work of Four with more ease and less hands. It saves one-half the labor, and performs the work in the best manner possible. It possesses a decided advantage over any other Machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE-POWER AND THRASHING MACHINES ever put in operation in either of the above counties. The advantages of the Horse-Power are clearly from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires higher draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them. The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON, August 24, 1841. 1y-23

THE NEW FOUNTAIN IN SPLENDID STYLE.

JULY, 1841. GRAHAM'S Lady's and Gentleman's MAGAZINE.

The great increase in the subscription list of this highly popular Magazine (the edition having more than doubled in less than six months) induces the proprietor to commence a new volume, with the July No. It will be issued in the most attractive style, with the first of a new series of RICH ORIGINAL ENGRAVINGS, got up in a manner, that shall surpass any used in any other Magazine. In addition to the fact, that we employ the talent of the very best American artists, in the engraving of the plates for this work, it must be remembered, the most of the subjects selected, are ORIGINAL AMERICAN PICTURES, which have never before been engraved, and are consequently, the newest that can be brought before the public.

Highly Colored Fastness.—It must be remembered that the Fashion plates of this Magazine are the best in coloring and design that can be found in any work published in this country or in Europe. They are engraved and colored for this Magazine by the best artists that the country can produce, and are drawn, always from the latest designs from Paris and London, and consequently may always be relied upon as the prevailing style in the United States, for the month in which they are issued. We pay more for coloring than any other publication, and always have the best.

THE CONTRIBUTORS.—In addition to the unusually fine array of original contributors, which the Magazine has thus far boasted, arrangements have been made with a number more, of the best writers of the day, so that spice and variety may be looked for in the literary department of the new volume. SPORTS AND PASTIMES.—This interesting feature of the Magazine shall still be preserved as important to young sportsmen, and in fact to all young or old, who delight in the sports of the rod and the gun. Articles in this department shall be from acknowledged pens, and of the very best authority.

NEW TYPE AND PAPER.—The volume will be opened with a new and beautiful type cast especially for the work, the mechanical execution shall be of surpassing neatness, and the printing shall be upon the finest white paper.

NEW AND POPULAR MUSIC.—The choicest pieces of new and popular music for the Piano forte and Guitar shall be selected for its pages, and two or more pages shall appear regularly each month. In this way subscribers in remote country towns, can always have the latest music at low rates, almost as soon as it is published.

Garlegant's Balsam of Health, Prepared only by the sole proprietor, JOHN A. MILLER, Frederick, Md.

THE subscriber has just received a further supply of this valuable medicine, which has gained a celebrity which few other articles has ever received in so short a time as this. The sale of this medicine is constantly increasing, and will continue to increase, as its merits are made known. This celebrated Balsam of Health, is a medicinal and vegetable compound, warranted a safe and infallible remedy for the cure of Dyspepsia, and for the whole train of diseases resulting from and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions. As a family medicine it stands unrivalled, and should be possessed by all heads of families, particularly by all those that are subject to a constipation of the bowels; it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and calms and invigorates the whole system. This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper customary employment and habits. The proprietor could give a great many certificates of cures performed by this medicine in this advertisement, if it did not occupy too much room; therefore he does it quite unnecessary, as all those who wish to see them can, by applying to his agent in this place.

S. H. BUEHLER, Gettysburg, or, Dr. AUG TANEY, Emmitsburg, Md. September 29, 1840. 6m-37

To one you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine had failed.

Be particular when you purchase to look for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of this name, which is cured by it. The usual symptoms of this disease (Bronchitis) are Coughs, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hoarse Cough, a spitting up of Phlegm or mucus, and some times blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels which run through every part of the Lungs. This Expectant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Bites of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it. REV. JOHN ATHAN GOING, D. D. President of Granville College, Ohio, says—"I was laboring under a severe cold, cough and hoarseness, and that difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectant." Mrs. Dilks, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief. The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va August 27, 1838. Dr. Jayne—Dear Sir:—I have been using your Expectant, extensively, in my practice, for the last three months, and for all attacks of colds, inflammation of the Lungs, consumption, asthma, and for the cure of Whooping Cough, &c.—I can testify to the efficacy of the best medicine I have ever tried. Very respectfully, R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. Prepared only by Dr. D. Jayne, No 20 South Third street, Philadelphia. Price \$1. Where also may be had Dr. Jayne's Cardiac Tonic, for the cure of Bowel Complaint, &c.—Tonic Venefique, for the removal of Worms, &c.—Sedative Pills for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair. For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.
