### AND THRASHING MACHINES

THE Subscriber takes pleasure in an nouncing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties.-The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Muchine now in use, and having greater leverage and less friction requires lighter draught. The superioral time with four men to attend it, than the

Machines now in use do with seven men to The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Marin Furnance. near Millerstown, Adams county, and at Indian Springs, near Waynesbore', Frank-
