PROSPECTUS OF THE PEOPLE'S LIBRARY.

MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

A distinctive characteristic of the present age is the multiplication and cheapness of its literature. In every department of letters now works are constantly falling from the press, and notwithstanding the extraordinary supply, the demand continues with unabated activity. This is especially true of those lighter publications which convey instruction in agreeable and attractive forms, and supply a means of recreation at the same time that they offer facilities for improvement. Scarcely a day passes in which some new work of this description is not given to the public, and though among the large number thus issued some may be unworthy or useless, generally they are deserving of commendation.

As most of the publications referred to are printed in solid volumes, they are inaccessible to the mass of those readers who are remote from large cities. The cost and the difficulty of transporting books to places which do not lie on the great thoroughfares of the country, are such as to prevent their extensive circulation in the interior, and to make their prices so high, as to impose a serious tax on all who purchase them. To obviate in some degree this difficulty, and to place within the reach of all, the choicest portions of the entertaining literature of the day, the Subscriber intends to publish, in a form suitable for transportation by the mails, beginning on the first day of October inst., a monthly periodical, to be called

The People's Library, OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

THE PEOPLE'S LIBRARY will consist principally of reprints of the best productions of the British press. The Novels of Bulwer, Dickens, James, D'Israeli, Marryat, Lever, the author of 'O'Malley and Lorraine,' Lover, the author of 'Rory O'More,' Warren, author of 'Ten Thousand A-Year,' Miss Pickering, Agnes Strickland, Mrs. Gore, Miss Austin, Lady Blessington, Mrs. S. C. Hall.

And all other modern writers of distinction will be embraced in the collection, as soon as possible after their publication abroad; and in occasional instances prior to any publication which can be made by the booksellers here. In addition to the Novels, the library will contain such amusing Memoirs, Diering Travels, and other fresh and rare works as may from time to time be the object of being transferred to its pages. It is a subject of familiar remark, that along with the wide spreading taste for literature, there is springing up in all parts of this country, a taste for the finer works of pencil and the graver, which denotes a rapidly progressive civilization. To minister to this taste, and to render 'The People's Library' of the highest value, and worthy of the most extensive patronage, the proprietor intends to furnish along with each number

An exquisitely engraved Steel Plate, From the burins of the most distinguished artists. These plates will be accompanied with letter press illustrations from the pens of Miss Leslie, Sebá Smith, Mrs. E. C. Emory, Miss H. F. Gould, Mrs. L. H. St. George, &c., &c., &c., and other eminent American writers. This feature in his proposed publication is of an importance which the proprietor believes cannot be over estimated. The series will embrace many original pictures, and each subscriber will thus receive, in addition to the regular matter of the Library, a number of elegant and costly Engravings, which will make a valuable addition to the ornaments of the drawing room and the centre table.

Accompanying each number of the Library four pages of extra matter will be furnished in the form of a cover. This will comprise notices of new publications, a monthly compend of literature, contemporary events, &c. &c. The critical department will be supplied with judicious and impartial articles, the aim of which will be to elevate the character of our literature. 'The People's Library' will be printed in large octavo form, on paper of the finest quality, from clear, distinct and elegant type. Each number will contain over 80 pages, making at the end of the year 1000 pages! The whole of this, with the engravings, additional matter, literary news, &c., &c., will be furnished at the singularly low price of \$3 PER ANNUM, payable in advance. This price even in this age of cheap literature, is unrivalled for cheapness. Nor can it be objected that its cheapness will lessen its merit, as the proprietor pledges himself that in every department of the work, Literary, Typographical and Pictorial, it shall be at least equal to the best periodicals of the day.

TERMS. Single Copy, \$3 00 Two Copies, 5 00 Five Copies, 10 00 Five Dollars remitted, postage paid will command The People's Library and Lady's Book one year. The first number will be issued on the 1st day of October, 1841. Address MORTON WMICHAEL, No 57 South Third St. opposite the Girard Bank. Or J. L. A. GODEY, Office of The Lady's Book. Oct. 12, 1841.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties. The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine, consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them. The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841.

WHAT IT HAS DONE.

And if you have a friend, or know any one that is afflicted with that distressing disease, 'CONSUMPTION,' persuade them without delay to try 'WISTAR'S BALSAM OF WILD CHERRY,' which has cured thousands of this complaint after every thing else had failed.— Read the following undoubted proofs of its efficacy:—

Dear Sir— Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully, JAMES KELLY. Holmesburg, Sept. 12, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend, JACOB HOLLOWAY. Bristol, September 8, 1841.

Dear Doctor—Hearing so many people talk about the wonderful cure your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much that I will buy three bottles more very soon. I believe it will cure me too. I have used a great many balams of different kinds, have tried Jayne's Expectorant and other medicines besides, but nothing has ever done me any good except your Balsam. Send by the steamboat Baltair. Yours truly, WILLIAM THOMAS. Philadelphia, Sept. 10, 1841.

Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, BRONCHITIS, COUGHS, CROUP, WHOOPING COUGH, &c., as hundreds will testify who have been cured by it after all other remedies had failed. Be very particular to ask for 'WISTAR'S BALSAM OF WILD CHERRY,' which has been sold wholesale and retail by WILLIAMS & Co., Chemists, No. 23 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.

By the extraordinary virtues of that unrivalled medicine, the 'BALSAM OF WILD CHERRY,' the most effectual remedy for CONSUMPTION AND LIVER COMPLAINTS, COUGHS, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c. Boston, June 16, 1841.

ANOTHER LIFE SAVED.

To Dr. H. WISTAR: Dear Sir,—In your last letter you ask if your Balsam has been successful in this city. In reply to that enquiry, I can assure you I have never before seen any medicine that has so rapidly and so completely cured such a distressing case, as yours has. In some cases it has effected surprising cures, and in others has given great relief after every other remedy had failed. I have seen a case of this kind, in which I have used your Balsam, which was cured in a very short time. This circumstance was soon made known to a religious society she belonged to, and they immediately presented her with half a dozen bottles, which she had also used in a part of her recovery. She had not felt so well for the last year, and believed your medicine was the only thing that saved her life. She has also used a part of your Balsam in thirty bottles for different persons, and will no doubt purchase many more as they praise it very highly. Yours, respectfully, JACOB BROOK, BARTLE & Co.

Do very particular to purchase to ask for 'DR. WISTAR'S BALSAM OF WILD CHERRY,' as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.

COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, nay thousands, who are afflicted with complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you have what you may consider a slight COUGH or COLD; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side, and it increases to large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this distressing complaint! If then you value life or health, be warned in time, and don't trifle with your COLD, or trust to any quack nostrum to cure you, but immediately procure a bottle or two of the famous remedy, the 'BALSAM OF WILD CHERRY,' which is known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it. Do very particular when you purchase to ask for 'DR. WISTAR'S BALSAM OF WILD CHERRY,' as there is also a SYRUP of this name in use.

Prepared wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.

MOTHERS, BE ON YOUR GUARD.

This is the season when this destructive complaint attacks your interesting little children, and often robs you of those you fondly dote on, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eye become red and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the 'BALSAM OF WILD CHERRY,' is the most speedy cure that is known, it is safe and innocent, and sure to give the little sufferer immediate relief, and quickly restores it to safety and health. Every mother who loves her children should always keep in the house and give it to them early; by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine had failed. Do particular when you purchase to ask for 'DR. WISTAR'S BALSAM OF WILD CHERRY,' as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared only by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.
