

THE MENDIAN NEGRO.—These African have been on a tour through Massachusetts and Connecticut, for the purpose of collecting money to enable them to return to their native country. They have realized about \$1000, after deducting traveling expenses.

THE ALPHABET.—The twenty-six letters of the Alphabet may be transposed 624,448,401,733,230,360,000 times. All the inhabitants of the globe, on a rough calculation, could not in a thousand million of years, write out all the transpositions, even supposing that each wrote forty pages daily, each of which page contained forty different transpositions of the letters.

PROSPECTUS OF THE PEOPLE'S LIBRARY

MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

A distinctive characteristic of the present age is the multiplication and cheapness of its literature. In every department of letters new works are constantly falling from the press, and notwithstanding the extraordinary supply, the demand continues with unabated activity. This is especially true of those lighter publications which convey instruction in agreeable and attractive forms, and supply a means of recreation at the same time that they offer facilities for improvement. Scarcely a day passes in which some new work of this description is not given to the public, and though among the large number thus issued some may be unworthy or useless, generally they are deserving of commendation. As most of the publications referred to are printed in solid volumes, they are inaccessible to the mass of those readers who are remote from large cities. The cost and the difficulty of transporting books to places which do not lie on the great thoroughfares of the country, are such as to prevent their extensive circulation in the interior, and to make their prices so high, as to impose a serious tax on all who purchase them. To obviate in some degree this difficulty, and to place within the reach of all, the choicest portions of the entertaining literature of the day, the Subscriber intends to publish, in a form suitable for transportation by the mails, beginning on the first day of October inst., a monthly periodical, to be called

The People's Library,

OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

THE PEOPLE'S LIBRARY will consist principally of reprints of the best productions of the British press. The Novels of *Bulwer, Dickens, James, D'Iraali, Marryat, Lezer,* the author of "O'Malley and Lorraine," *Lover,* the author of "Rory O'More," *Warren,* the author of "Ten Thousand A-Year," *Miss Pickering, Agnes Strickland, Mrs. Gore, Miss Austin, Lady Blessington, Mrs. S. C. Hall.* And all other modern writers of distinction will be embraced in the collection, as soon as possible after their publication abroad; and in occasional instances prior to any publication which can be made by the booksellers here. In addition to the Novels, the library will contain such amusing *Memoirs, Diverging Travels, and other fresh and racy works* as may from time to time be tho't worthy of being transferred to its pages. It is a subject of familiar remark, that along with the wide spreading taste for literature, there is springing up in all parts of this country, a taste for the finer works of pencil and the graver, which denotes a rapidly progressive civilization. To minister to this taste, and to render "The People's Library" of the highest value, and worthy of the most extensive patronage, the proprietor intends to furnish along with each number

An exquisitely engraved Steel Plate, From the burins of the most distinguished artists. These plates will be accompanied with letter press illustrations from the pens of *Miss Leslie, Seba Smith, Mrs. E. C. Emery, Miss H. F. Gould, Mrs. L. H. Sigourney, &c., &c., &c.* and other eminent American writers. This feature in his proposed publication is of an importance which the proprietor believes cannot be over-estimated. The series will embrace many original pictures, and each subscriber will thus receive, in addition to the regular matter of the Library, a number of elegant and costly Engravings, which will make a valuable addition to the ornaments of the drawing room and the centre table. Accompanying each number of the Library four pages of extra matter will be furnished in the form of a cover. This will comprise notices of new publications, a monthly compend of literature, contemporary events, &c. &c. The critical department will be supplied with judicious and impartial articles, the aim of which will be to elevate the character of our literature. "The People's Library" will be printed in large octavo form, on paper of the finest quality, from clear, distinct and elegant type. Each number will contain over 80 pages, making at the end of the year **1000 pages!** The whole of this, with the engravings, additional matter, literary news, &c., &c., will be furnished at the singularly low price of **83 PER ANNUM**, payable in advance. This price even in this age of cheap literature, is unrivalled for cheapness. Nor can it be objected that its cheapness will lessen its merit, as the proprietor pledges himself that in every department of the work, *Literary, Typographical and Pictorial*, it shall be at least equal to the best periodicals of the day.

HORSE-POWER

AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best **HORSE POWER AND THRASHING MACHINES** ever put in operation in either of the above counties. The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by the slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them. The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa. All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. **J. DONALDSON.** August 24, 1841. 1y-22

READ

WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them without delay to try that famous and unparalleled medicine, the **BALSAM OF WILD CHERRY,** which has cured thousands of this complaint after every thing else had failed.—Read the following uncontroverted proofs of its efficacy: **Boston, Sep. 10, 1841.** Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully, **JAMES KELLY.** Homeburg, Sept. 12, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend, **JACOB HOLLOWAY.** Bristol, September 9, 1841.

Dear Doctor—Having in many parts of the world the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon. I believe it will cure me too. I have used a great many Balsams of different kinds, have tried Jayne's Expectoration and other medicines besides, but nothing has ever done me as much good as yours has. Send by the steamer Bolivar. Yours truly, **WILLIAM THOMAS.** Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for **LIVER COMPLAINTS, ASTHMA, BRONCHITIS, CHOLERA, CROUP, WHOOPING COUGH,** &c., as hundreds will testify who have been cured by it after all other remedies had failed. Be very particular to ask for **DR. WISTAR'S BALSAM OF WILD CHERRY,** and be satisfied that it is sold by **WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia.** Price \$1 00 a bottle. For sale at the Drug Store of **S. H. BUEHLER.** Gettysburg, Oct. 19, 1841. 6m-30

ANOTHER

LIFE SAVED.

By the extraordinary virtues of that unrivalled medicine, the **"BALSAM OF WILD CHERRY,"** the well-known famous remedy for **CONSUMPTION AND LIVER COMPLAINTS, COLIC, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH,** &c. **Boston, June 16, 1841.** To Dr. H. Wistar: Dear Sir—In your last letter you ask if my Balsam has been successful in this city. In reply to that enquiry, I can assure you I have never before sold any medicine that has sold so rapidly or been used with such universal success, as yours has. In some cases it has effected a cure, and in some others has given great relief after every other remedy had failed. But there is one case that exceeds any I have yet heard of. This was a poor woman that has been afflicted with **CONSUMPTION** several years, and has tried every thing in vain. Knowing she was very poor, yet very worthy, I sent her a bottle gratis, which she said relieved her very much. This circumstance was soon made known to a religious society, and they immediately presented her with half a dozen bottles, which she has also used a part of, and is recovering very fast. She told me a few days since that she had not felt so well for the last year, and she believed your medicine was the only thing that saved her life, &c. The same society have purchased over thirty bottles for different persons, and will no doubt purchase many more as they praise it very highly. Yours, &c. **HOLBROOK, BARTLE & Co.** Be very particular when you purchase to ask for **DR. WISTAR'S BALSAM OF WILD CHERRY,** as there is a SYRUP of this name advertised that is entirely a different medicine, and prepared by **WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia.** Price \$1 00 a bottle. For sale at the Drug Store of **S. H. BUEHLER.** Gettysburg, Oct. 19, 1841. 6m-30

COUGHS & COLDS

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to **CONSUMPTION** every year from no other cause than **NEGLECTED COLDS.** Yet we find hundreds, nay thousands, who treat such complaints with contempt, and who, in the end, are laid in their graves, and often those who, without thinking of the danger, at first you have what you may consider a slight **COUGH** or **COLD;** you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your cough and cold has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your **COLD,** or trust to any quack nostrum to cure you, but immediately procure a bottle or two of that famous remedy, the **"BALSAM OF WILD CHERRY,"** which is known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by its use. Be very particular when you purchase to ask for **DR. WISTAR'S BALSAM OF WILD CHERRY,** as there is also a SYRUP of this name in use. Prepared, wholesale and retail, by **WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia.** Price \$1 00 a bottle. For sale at the Drug Store of **S. H. BUEHLER.** Gettysburg, Oct. 19, 1841. 6m-30

GROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when this destructive complaint attacks your interesting children, and often robs you of the joys of a fondly doted one, and carries hundreds to the grave. Every mother or school teacher, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by neglect. At first the little patient is seized with a shivering, it grows restless; has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then terminates in **FEARFUL COUGH** that will surely terminate in convulsions or death. In this complaint the **"BALSAM OF WILD CHERRY,"** is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore to her safety and health. Every mother in the house and children should always have a supply of this medicine on hand, by doing so you may often give it to them when
