PROSPECTUS OF THE PEOPLE'S LIBRARY

OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

A distinctive characteristic of the present age is the multiplication and cheapness of its literature. In every department of letters now works are constantly falling from the press, and notwithstanding the extraordinary supply, the demand continues with unabated activity. This is especially true of those lighter publications which convey instruction in agreeable and attractive forms, and supply a means of recreation at the same time that they offer facilities for improvement. Scarcely a day passes in which some new work of this description is not given to the public, and though among the large number thus issued some may be unworthy or useless, generally they are deserving of commendation.

As most of the publications referred to are printed in solid volumes, they are inaccessible to the mass of those readers who are remote from large cities. The cost and the difficulty of transporting books to places which do not lie on the great thoroughfares of the country, are such as to prevent their extensive circulation in the interior, and to make their prices so high, as to impose a serious tax on all who purchase them. To obviate in some degree this difficulty, and to place within the reach of all, the choicest portions of the entertaining literature of the day, the Subscriber intends to publish, in a form suitable for transportation by the mails, beginning on the first day of October inst., a monthly periodical, to be called

The People's Library, OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE.

THE PEOPLE'S LIBRARY will consist principally of reprints of the best productions of the British press. The Novels of B. Laver, Dickens, James, D'Israeli, Marryat, Leaver, the author of "O'Malley and Lorrequer," Loner, the author of "Rory O'More," Warren, author of "Ten Thousand A-Year," Miss Pickering, Agnes Strickland, Mrs. Gore, Miss Austin, Lady Blessington, Mrs. S. C. Hall.

And all other modern writers of distinction will be embraced in the collection, as soon as possible after their publication abroad; and in occasional instances prior to any publication which can be made by the book-sellers here. In addition to the Novels, the library will contain such amusing Memoirs, Diverging Travels, and other fresh and rare works as may from time to time be thought worthy of being transferred to its pages.

It is a subject of familiar remark, that along with the wide spreading taste for literature, there is springing up in all parts of this country, a taste for the finer works of pencil and the graver, which denotes a rapidly progressive civilization. To minister to this taste, and to render "The People's Library" of the highest value, and worthy of the most extensive patronage, the proprietor intends to furnish along with each number

An exquisitely engraved Steel Plate, From the burins of the most distinguished artists. These plates will be accompanied with letter press illustrations from the pens of Miss Leslie, Soba Smith, Mrs. E. C. Emery, Miss H. F. Goyld, Mrs. L. H. Sigmourney, &c., &c., and other eminent American artists. This feature in his proposed publication is of an importance which the proprietor believes cannot be over-estimated. The series will embrace many original pictures, and each subscriber will thus receive, in addition to the regular matter of the Library, a number of elegant and costly Engravings, which will make a valuable addition to the ornaments of the drawing room and the centre table.

Accompanying each number of the Library four pages of extra matter will be furnished in the form of a cover. This will comprise notices of new publications, a monthly compend of literature, contemporary events, &c. &c. The critical department will be supplied with judicious and impartial articles, the aim of which will be to elevate the character of our literature. "The People's Library" will be printed in large octavo form, on paper of the finest quality, from clear, distinct and elegant type. Each number will contain over 80 pages, making at the end of the year 1000 pages! The whole of this, with the engravings, additional matter, literary news, &c., &c., will be furnished at the singularly low price of \$3 PER ANNUM, payable in advance. This price even in this age of cheap literature, is unrivalled for cheapness. Nor can it be objected that its cheapness will lessen its merit, as the proprietor pledges himself that in every department of the work, Literary, Typographical and Pictorial it shall be at least equal to the best periodicals of the day.

TERMS. Single Copy, 33 00 Two Copies, 5 00 Five Copies, 10 00 Five Dollars remitted, postage paid will command The People's Library and Lady's Book one year. The first number will be issued on the 1st day of October, 1841. Address MORTON M'MICHAEL, No. 57 South Third St. opposite the Girard Bank. Or L. A. GODEY, Office of The Lady's Book.

Oct. 12, 1841.

Chambersburg Street, Gettysburg, Pa., WHERE the Subscriber will constantly keep on hand a good assortment of

FURNITURE,

Suitable for those who are about to commence house keeping. Such persons will find it to their advantage to give him a call, as he is determined to sell his work low to suit the times.

COFFINS.

All orders for Coffins will be strictly attended to as usual. As there appears to be no regular price for making this article, I will merely state for the information of the public, that all plain Walnut Coffins will be made at my Shop and conveyed to any burving ground within the County for Eight Dollars; small ones of the same material will be charged in proportion. DAVID HEAGY, Agent. August 3, 1841.

GABINET WAREHOUSE.

THE undersigned, thankful for the liberal patronage heretofore extended to him, would inform the public that he has removed his Warehouse nearly opposite to D. Little's Coach Factory, where he continues to manufacture and intends constantly keeping on hand a general assortment of

FURNITURE,

Of the best materials and workmanship, which he will dispose of cheap for cash, or Country Produce.

Persons wanting articles in his line, would do well to give him a call, as he is confident he can give them as good bargains as they can obtain elsewhere.

COFFINS.

All orders for Coffins attended to as usual. Having a Hearse of his own, he will deliver Coffins in any part of the County at the following rates:—Mahogany, \$15; Cherry and plain Walnut, \$7; small ones of the same materials in proportion. LAZARUS SHORB. August 24, 1841.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER and THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841.

WAGON MAKING.

THE subscriber respectfully informs his friends and the public in general that he carries on, in connection with the blacksmithing the

Wagon Making Business, and is prepared to execute all orders in either of the above businesses in a workmanlike manner and at the shortest notice. C. W. HOFFMAN. Gettysburg, May 5, 1840.

N. B. An apprentice will be taken to the Black Smithing if immediate application be made. C. W. H.

READ WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them without delay to try that famous and unrivalled medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of this complaint after every other remedy had failed. Read the following testimonials in proof of its efficacy:—

Dear Sir:—Please send me two bottles of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and considerably more of the second, and I feel better than I have ever felt before. I have used a great many remedies within the last year, but have never found any that has relieved me so much. It has stopped my cough, checked my night sweats, and has given me a good appetite in every way that I have for many months. Yours, respectfully, JAMES KELLY. Hillsburg, Sept. 12, 1841.

Friend Wistar—I must again trouble you to send me two bottles of your Balsam of Wild Cherry. I have now taken three bottles in all, and can assure you that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend, J. ASH HOLLOWAY. Bristol, Sept. 10, 1841.

Dear Doctor—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds, have tried James' Expectant and other medicines besides, but nothing has done me so much good as yours has. I have the steambath bottle. Yours truly, WILLIAM THOMAS. Chambersburg, Pa., Oct. 10, 1841.

Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, BRONCHITIS, COUGHS, &c. as hundreds will testify who have been cured by it after all other remedies had failed. It is very palatable to the taste, and is sold wholesale and retail by WILLIAMS & Co., Chemists, No. 38 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.

ANOTHER LIFE SAVED.

By the extraordinary virtues of that unrivalled medicine, the "BALSAM OF WILD CHERRY," the well-known female remedy for CONSUMPTION AND LIVER COMPLAINT, COUGHS, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c. Boston, June 16, 1841.

To Dr. H. Wistar:—Dear Sir,—In your last letter you ask if your Balsam has been successful in this city. In reply to that enquiry, I can assure you I have never before sold any medicine so generally and so rapidly as this used with such universal success, as yours has. In some cases it has effected surprising cures, and in others has given great relief after every other remedy had failed. But there is one case that excites my sympathy, and which I will relate to you very much. This circumstance was soon made known to a religious society she belonged to, and they immediately presented her with half a dozen bottles, which she has also used a part of, and with the result you may see. She had not felt so well for the last year, and believed your medicine was the only thing that saved her life, &c. The same society have purchased over 500 bottles for different persons, and will undoubtedly purchase many more as they praise it very highly. Yours, respectfully, HOLBROOK, BARTLE & Co.

Be very particular when you purchase ask for the "BALSAM OF WILD CHERRY," as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 38 South Fourth street, Philadelphia. Price \$1 00 a bottle. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.

COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you have what you may consider a slight COUGH or COLD; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty breathing ensues, and then you find your own faculties rapidly brought to this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your COLD, or trust to any quack nostrum to cure you, but immediately procure a bottle or two of that famous remedy, the "BALSAM OF WILD CHERRY," which is known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is also a SYRUP of this name in use. Prepared, wholesale and retail, by WILLIAMS & Co. Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.

CROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when this distressing complaint attacks your interesting children, and often rouses you to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately done for its relief. In this complaint the "BALSAM OF WILD CHERRY," is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore her safety and health. Every mother who loves her children should always keep in the house and give it to them early;—so you may often give a life to your young family. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine had failed.

Be particularly when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841.
