

ADVERTISEMENTS.

American Ladies' National Magazine. GODEY'S LADY'S BOOK, FOR 1842.

The most splendid and valuable Magazine ever published. THE only Magazine devoted to Ladies, and conducted by members of their own sex.

Contributors to each Number. Miss C. M. Sedgwick, Miss E. Leslie, Mrs. E. C. Embury, Theodor S. Fay, N. P. Willis, Mrs. C. Lee Hentz, T. S. Arthur, Mrs. E. F. Elliot.

In announcing to his numerous patrons and the public at large his arrangements for the year 1842, the proprietor of Godey's Lady's Book takes occasion to acknowledge the unparalleled and triumphant success of his Magazine, which has now reached the extraordinary number of

40,000 Copies Monthly,

being a larger edition than has ever been printed of any other work, of any description, in America. This success he is aware has been attained by the vast superiority which the Lady's Book has always maintained over the various contemporary magazines which have attempted to rival its merits, a superiority which he is still determined to preserve, by keeping it, in all its departments, Literary, Intellectual and Moral, as well as Pictorial, Emblematic, Artistic and Mechanical.

That this is no idle boast, he appeals to the experience of the past twelve years, in all which time he has made no promise to the public that he has not fully performed, nor undertaken anything which his means did not enable him to accomplish to the utmost.

Entering as he is about to do, on the 24th volume of the Lady's Book with increased energy and accumulated resources; with an ample knowledge of the business in which he is engaged acquired by long years of unremitting application—with a subscription list unparalleled in the annals of literature; with numerous facilities not possessed by any other publisher; with well-digested and wide-extended arrangements—and above all, with a steadfast purpose of maintaining the lofty elevation his work has reached, the proprietor has not hesitated to incur expenses which under other circumstances might well prove starting but by means of which he will be enabled to make the Lady's Book the richest, the rarest, the most attractive, and the most valuable periodical, intrinsically and extrinsically, ever offered to the public.

Literary Department.

Mrs. S. J. Hale, L. H. Sigourney, Miss E. Leslie, Miss C. M. Sedgwick, Mrs. Emma C. Embury, Mrs. F. S. Osgood, Mrs. A. M. F. Annan, Mrs. E. F. Elliot, Miss Dupuy, Mrs. H. Beecher Stowe, Mrs. S. S. Smith, Mrs. J. Thayer, Mrs. C. Lee Hentz, Mrs. E. C. Stedman, Miss Meeta M. Duncan, Mrs. C. H. W. Esling, Mrs. M. St. Leon Loud, Miss M. B. Snow, Kate Franklin. He will be entitled to furnish occasional articles from Maria Edgeworth, Mary Russell Mitford, Mrs. Cornwell Baron Wilson, Mrs. S. C. Hall, Mrs. Hofland, Mary Howitt, and other English lady-writers of distinction, some of whom have already published in the Lady's Book the first original contributions they have ever made to American Literature.

Nor has he omitted to procure the services of eminent writers of the opposite sex. Aware of the universal and well-deserved popularity of N. P. Willis, Esq., and confident that the productions of his graceful and eloquent pen will be highly acceptable to the readers of the Lady's Book, the proprietor has entered into an arrangement by which he will be able to give in each number of the work, an exclusive article from that gentleman; and he has also retained all the contributors whose writings have heretofore given such general satisfaction, including W. G. Simms Esq., Professor Ingraham, Professor Dimity, Professor Frost, Professor Walter, Park Benjamin, Esq., R. S. Mackenzie, LL. D., T. S. Arthur, Esq., H. W. Herbert, Joseph C. Neal, Hon. Robert T. Conrad, Dr. J. K. Mitchell, Epes Sargent, G. P. Morris, Joseph R. Chandler, Robert Morris, P. Earle, N. C. Brooks, E. Holden, A. McMakin, L. F. Tassier, Rufus Dawes, E. D. Squire, J. McLellan, J. J. Aldrich.

With such aid, it is not too much to say, that the Literary Department of the Lady's Book will surpass anything that has ever been or can be attempted.

Ornamental Department.

It is a source of no little pride to the proprietor of the Lady's Book, that he first introduced into this country the plan of furnishing, along with a monthly periodical of elegant literature, embellishments of an attractive and costly character. The first steel engravings accompany such a work were given by him; the first mezzotint engraving was given by him, the first patterns of lace work and embroidery were given by him; the first colored plates of Fashions were given by him; the first music was given by him. These are things to which he would not refer, if some of those who have essayed to follow in his footsteps, even to the form of his book, the size of his type, and the color of his cover, had not foolishly put forward claims to originality, and attempted to found a right to an exclusive merit on doing that which he had borrowed from his example. But what he has done heretofore in the way of embellishment to his book, though it far ex-

ceeded any effort of those who strove to copy his movements, cannot compare with what he now means to do. His arrangements for this department of his work have been projected on the most liberal scale of expenditure, involving such an extent of outlay as has never before been dreamed of in any periodical, European or American. As an evidence of his intentions, he now states that each number of the Lady's Book for the ensuing year, will contain, at least,

Three Splendid Engravings;

embracing in the series every possible variety of subject, Historical, Landscape, Pictorial, Portrait, Imaginative, Emblematic, and executed in every possible variety of the art; Mezzotint, Stipple, Medallion, and that most chaste and expressive manner, the Line and Dot combined, which has given such world wide celebrity to the works of modern artists.

The American Guido Plates of Fashions, colored, will be given every month. In order to give the greatest attractiveness to the subjects of his embellishments the proprietor has given orders to various American Painters, of established reputation, who are now engaged in preparing expressly for the Lady's Book, numerous Oriental Pictures, on National and Historical events, some of which are nearly completed, and will soon be in the hands of the engraver. Among the painters thus engaged he may enumerate—

J. G. Chapman, Painter of the National Picture of the Baptism of Pocahontas. P. F. Rothermel, J. P. Frankenstein, S. S. Osgood, of Boston, I. Williams, &c. He has also established a correspondence in London, through which he will receive early proof impressions of the finest prints executed in that metropolis, and will thus be constantly supplied with an immense variety, from which to make suitable selections. In addition to this, he will receive the only copies of the celebrated prize Engravings of the Edinburgh Apollo Gallery, sent to this country, one of which the Examination of Shakespeare before Sir Thomas Lucy, he has already given to his patrons, and another of which, The Stray Children he has now in preparation, as well as a series of Pictorial Illustrations of Shakespeare. Determined to satisfy every variety of taste, the proprietor has also made arrangements for a series of the most superb Mezzotints ever executed in this country, several of which are already engraved, and will be given to his subscribers as soon as a sufficient number of impressions can be taken to supply his immense edition. Beside the services of H. S. Sudd, of N. Y. who has now in hand a number of plates, she has secured the invaluable aid of Mr. Humphreys, of London, who is universally conceded to stand in the foremost rank of English Engravers, whose splendid efforts in Mezzotint have commanded the admiration of the most distinguished amateurs and critics. This eminent artist is now engaged in preparing, expressly for the Lady's Book, a number of Mezzotint Pictures, which the proprietor pledges himself will be of an unsurpassed excellence; and of the most interesting and attractive subjects. To guard against all possibility of difficulty hereafter, he has likewise ordered from England a Complete Mezzotint Establishment, and immediately on its arrival, Mr. W. F. Tucker, of this city, will commence operations in that department of art.

In order to procure the various establishments in season, the proprietor has made permanent arrangements with the following eminent engravers, all of whom are now engaged in executing steel plates for the Lady's Book. New York. Philadelp. A. L. Dick, W. F. Tucker, N. Gimbrede, J. B. Neagle, W. H. Jackman, J. B. Forrest, J. G. Duanel, W. H. Ellis, A. Jones, E. Humphreys.

PROSPECTUS OF THE PEOPLE'S LIBRARY OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE. A distinctive characteristic of the present age is the multiplication and cheapness of its literature. In every department of letters new works are constantly falling from the press, and notwithstanding the extraordinary supply, the demand continues with unabated activity. This is especially true of those lighter publications which convey instruction in agreeable and attractive forms, and supply a means of recreation at the same time that they offer facilities for improvement. Scarcely a day passes in which some new work of this description is not given to the public, and though among the large number thus issued some may be unworthy or useless, generally they are deserving of commendation.

As most of the publications referred to are printed in solid volumes, they are inaccessible to the mass of those readers who are remote from large cities. The cost and the difficulty of transporting books to places which do not lie on the great thoroughfares of the country, are such as to prevent their extensive circulation in the interior, and to make their prices so high, as to impose a serious tax on all who purchase them. To obviate in some degree this difficulty, and to place within the reach of all, the choicest portions of the entertaining literature of the day, the Subscriber intends to publish, in a form suitable for transportation by the mails, beginning on the first day of October inst., a monthly periodical, to be called

The People's Library, OR MAGAZINE OF CHOICE AND ENTERTAINING LITERATURE. THE PEOPLE'S LIBRARY will consist principally of reprints of the best productions of the British press. The Novels of Balzac, Dickens, James, D'Israeli, Marryat, Leier, the author of "O'Malley and Loreque," Lover, the author of "Rory O'More," Warren, author of "Ten Thousand A Year," Miss Pickering, Agnes Strickland, Mrs. Gore, Miss Austin, Lady Blessington, Mrs. S. C. Hall.

And all other modern writers of distinction will be embraced in the collection, as soon as possible after their publication abroad; and in occasional instances prior to any publication which can be made by the booksellers here. In addition to the Novels, the library will contain such amusing Memoirs, Diverging Travels, and other fresh and rare works as may from time to time be thought worthy of being transferred to its pages.

It is a subject of familiar remark, that along with the wide spreading taste for literature, there is springing up in all parts of this country, a taste for the finer works of pencil and the graver, which denotes a rapidly progressive civilization. To minister to this taste, and to render "The People's Library" of the highest value, and worthy of the most extensive patronage, the proprietor intends to furnish along with each number

An exquisitely engraved Steel Plate, From the burins of the most distinguished artists. These plates will be accompanied with letter press illustrations from the pens of Miss Leslie, Seth Smith, Mrs. E. C. Embury, Miss H. F. Gould, Mrs. L. H. Sigourney, &c., &c., and other eminent American writers. This feature in his proposed publication is of an importance which the proprietor believes cannot be over estimated. The series will embrace many original pictures, and each subscriber will thus receive, in addition to the regular matter of the Library, a number of elegant and costly Engravings, which will make a valuable addition to the ornaments of the drawing room and the centre table.

Accompanying each number of the Library four pages of extra matter will be furnished in the form of a cover. This will comprise notices of new publications, a monthly compend of literature, contemporary events, &c. &c. The critical department will be supplied with judicious and impartial articles, the aim of which will be to elevate the character of our literature. "The People's Library" will be printed in large octavo form, on paper of the finest quality, from clear, distinct and elegant type. Each number will contain over 80 pages, making at the end of the year 1000 pages! The whole of this, with the engravings, additional matter, literary news, &c., &c., will be furnished at the singularly low price of \$3 PER ANNUM, payable in advance. This price even in this age of cheap literature, is unrivalled for cheapness. Nor can it be objected that its cheapness will lessen its merit, as the proprietor pledges himself that in every department of the work, Literary, Typographical and Pictorial, it shall be at least equal to the best periodicals of the day.

TERMS. Single Copy, . . . . . \$1 00 Two Copies, . . . . . 5 00 Five Copies, . . . . . 10 00 Five Dollars remitted, postage paid will command The People's Library and Lady's Book one year. The first number will be issued on the 1st day of October, 1841.

HORSE-POWER AND THRASHING MACHINES. THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction, requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Marlin Furnace, near Millersburg, Adams county, and Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841. 1y-23

WHAT IT HAS DONE. And if you have a friend, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade him without delay to try that famous and powerful medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of this complaint after every thing else had failed. Read the following unqualified praise of its efficacy: "I was afflicted with this disease for many months, but I have never found any thing that checked me so much. It has stopped my cough entirely, relieved my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully, JAMES KELLY. Holmesburg, Sept. 12, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam, I have now taken three bottles more and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend, JACOB HOLLOWAY. Bristol, September 8, 1841.

Dear Doctor—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more and hope I believe it will cure me too. I have used a great many balams of different kinds, have tried Jayne's Expectorant and other medicines besides, but nothing has ever done me so much good as yours has. Send by the steamboat, WYOMING, truly, WILLIAM THOMAS. Philadelphia, Sept. 10, 1841.

Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, BRONCHITIS, COUGHS, &c., as hundreds will testify who have been cured by it after all other remedies had failed. Be very particular to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," and be sure you get the genuine, and retail by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

ANOTHER LIFE SAVED. By the extraordinary virtues of that unrivalled medicine, the "BALSAM OF WILD CHERRY," the well-known famous remedy for CONSUMPTION, BRONCHITIS, COUGHS, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c. Boston, June 16, 1841.

To Dr. H. WISTAR: Dear Sir,—In your last letter you ask if your Balsam has been successful in this city. In reply to that enquiry, I can assure you I have never before sold any medicine that has sold so rapidly and so well with such a large number of your cases. In some cases it has effected surprising cures, and in others has given great relief after every other remedy had failed. But there is one case that exceeds every thing I have ever seen of the kind, and that has been afflicted with CONSUMPTION for several years, and had tried every thing in vain.—Knowing she was very poor, yet very worthy, I sent her a bottle gratis, which she said relieved her much. This great success, as you are well known to a religious society she belonged to, and they immediately presented her with half a dozen bottles, which she has also used a part of, and is recovering very fast. She told me, that she had never felt so well for the last year, and believed your medicine was the only thing that saved her life, &c. The same society have purchased every third bottle of the different persons, and will not doubt purchase many more, as the price is very highly. Yours, respectfully, HOLBROOK, BARTLE & Co.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

COUGHS & COLDS. THE CAUSE OF CONSUMPTION.—Simple as those complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and without thinking of the danger, at first you have what you may consider a slight COUGH or COLD; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pain in the side or chest, expectorate large quantities of mucus, a mixed cough, a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this distressing complaint. If then you value life or health, be wared in time, and don't triffl with your COLD, or trust to any quack nostrum to cure you, but immediately procure a bottle or two of that famous remedy, the "BALSAM OF WILD CHERRY," which is known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is also a SYRUP of this name in use. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

GROUP IN CHILDREN. MOTHERS, BE ON YOUR GUARD.—This is the season when this destructive complaint attacks your interesting little children, and often robs you of those you fondly dote on, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "BALSAM OF WILD CHERRY," is discovered to be the most speedy cure, speedy—mild, safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to the safety and health. Every mother who loves her children should always keep in the house and give it to them early, by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine had failed.

Be particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared only by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30
