A PROPOSITION!

Reduction of Terms, and the Cash System!

PROMPTED by a desire to disseminate cheap information, and place his paper within reach of every person, even of the most moderate means, the publisher of the Harrisburg Chronicle proposes, if sustained by the public, to commence the next volume of the paper, opening in February, upon a new system, and upon such terms as will enable every citizen of the Commonwealth to become acquainted with matters and doings at the seat of government. We propose upon the commencement of the next volume to reduce the yearly subscription of the paper (which is now three dollars a year) ONE THIRD,—that is to publish it twice a week during the session of the Legislature and once a week during the remainder of the year, for TWO DOLLARS per annum, being a reduction of one dollar upon our former terms.—Subscriptions to be paid invariable IN ADVANCE. The session of the Legislature is generally five months in length, during which time our subscribers will receive two numbers each week, making nearly one hundred numbers each year, for the same price that is now charged for weekly country papers! These terms are very low, as every person will observe, but if our proposition is accepted, and the money forwarded with every subscription, we have no doubt of being able to make the new system work with as much advantage to ourselves as it certainly will for the reading community. H. MONTGOMERY. Dec. 21. 3t-39

IMPORTANT CAUTION.

BEWARE OF IMPOSITION.—Having noticed several remarks attached to the advertisements of a "Compound Syrup of Wild Cherry," by which it appears the proprietor of that article is endeavoring to injure the reputation of that invaluable and highly approved medicine—"DR. WISTAR'S BALSAM OF WILD CHERRY"—and bolster up his miserable preparation by resorting to fiction and falsehood, we deem it necessary to caution the public against such trickery, and request all those who wish to secure the genuine preparation of Wild Cherry to be very particular when they purchase of it, they may be deceived and get a very different article. In order to protect the public from imposition, every bottle of this medicine will be put up in moulded bottles with the words—"WISTAR'S BALSAM OF WILD CHERRY"—blown in the glass, and the signature of Henry Wistar M.D. on the Label without which none is genuine. WILLIAMS & Co., Agents for Dr. Wistar. Remember the genuine Balsam is sold only in Gettysburg by SAMUEL H. BUEHLER, Appointed Agent. Gettysburg, 14, 1841. 1c-38

ADVERTISEMENTS.

American Ladies' National Magazine. GODEY'S LADY'S BOOK, FOR 1842.

The most splendid and valuable Magazine ever published. THE only Magazine devoted to Ladies, and conducted by members of their own sex. Composed entirely of original articles, by the most eminent writers of the age—and embellished with a larger number and greater variety of costly, elegant, and attractive Pictorial illustrations than any other publication. Edited by Mrs. Sarah J. Hale, Morton M. Michael, Mrs. L. H. Sigourney, L. A. Godey. Contributors to each Number. Miss C. M. Sedgwick, Miss E. Leslie, Mrs. E. C. Embury, Theodore S. Fay, N. P. Willis, Mrs. C. Lee Hantz, T. S. Arthur, Mrs. E. F. Elliot.

In announcing to his numerous patrons and the public at large his arrangements for the year 1842, the proprietor of Godey's Lady's Book takes occasion to acknowledge the unparalleled and triumphant success of his Magazine, which has now reached the extraordinary number of 40,000 Copies Monthly, being a larger edition than has ever been printed of any other work, of any description, in America. This success he is aware has been attained by the vast superiority which the Lady's Book has always maintained over the various contemporary magazines which have attempted to rival its merits, a superiority which he is still determined to preserve, by keeping it, in all its departments, Literary, Intellectual and Moral, as well as Pictorial, Emblematic, Artistic and Mechanical.

That this is no idle boast, he appeals to the experience of the past twelve years, in all which time he has made no promise to the public that he has not fully performed, nor undertaken anything which his means did not enable him to accomplish to the utmost.

Entering as he is about to do, on the 24th volume of the Lady's Book with increased energy and accumulated resources; with an ample knowledge of the business in which he is engaged, acquired by long years of unremitting application—with a subscription list unparalleled in the annals of literature; with numerous facilities not possessed by any other publisher; with well-digested and wide-extended arrangements—and above all, with a steadfast purpose of maintaining the lofty elevation his work has reached, the proprietor has not hesitated to incur expenses which under other circumstances might well prove startling but by means of which he will be enabled to make the Lady's Book the richest, the rarest, the most attractive, and the most valuable periodical, intrinsically and extrinsically, ever offered to the public.

Literary Department.

Mrs. E. J. Hale, L. H. Sigourney, Miss E. Leslie, Miss C. M. Sedgwick, Mrs. Emma C. Embury, Mrs. F. S. Osgood, Mrs. A. M. F. Annon, Mrs. E. F. Elliot, Miss Dupuy, Mrs. H. Beecher Stowe, Mrs. Sara Smith, Mrs. J. Thayer, Mrs. C. Lee Hantz, Mrs. E. C. Stedman, Miss Meeta M. Duncan, Mrs. C. H. W. Estlin, Mrs. M. St. Leon Loud, Miss M. B. Snow, Kate Franklin. He will be entitled to furnish occasional articles from Maria Edgeworth, Mary Russell Mitford, Mrs. Cornwallis Barron Wilson, Mrs. S. C. Hall, Mrs. Hoffman, Mary Howitt, and other English lady-writers of distinction, some of whom have already published in the Lady's Book the first original contributions they have ever made to American Literature.

Nor has he omitted to procure the services of eminent writers of the opposite sex. Aware of the universal and well-deserved popularity of N. P. Willis, Esq., and confident that the productions of his graceful and eloquent pen will be highly acceptable to the readers of the Lady's Book, the proprietor has entered into an arrangement by which he will be able to give in each number of the work, an exclusive article from that gentleman; and he has also retained all the contributors whose writings have heretofore given such general satisfaction, including W. G. Simms Esq., Professor Ingraham, Professor Dimity, Professor Frost, Professor Walter, Park Benjamin, Esq., R. S. Mackenzie, LL. D., T. S. Arthur, Esq., H. W. Herbert, Joseph C. Neal, Hon. Robert T. Conrad, Dr. J. K. Mitchell, Epes Sargent, G. P. Morris, Joseph R. Chandler, Robert Morris, P. Earle, N. C. Brooks, E. Holden, A. McMakin, L. F. Tassier, Rufus Dawes, E. D. Squire, J. McLellan, J. J. Aldrich. With such aid, it is not too much to say, that the Literary Department of the Lady's Book will surpass anything that has ever been or can be attempted.

Ornamental Department.

It is a source of no little pride to the proprietor of the Lady's Book, that he first introduced into this country the plan of furnishing, along with a monthly periodical of elegant literature, embellishments of an attractive and costly character. The first steel engravings accompany such a work were given by him; the first mezzotint engraving was given by him; the first patterns of lace work and embroidery were given by him; the first coloured plates of Fashions were given by him; the 1st music was given by him. These are things to which he would not refer, if some of those who have essayed to follow in his footsteps, not content with imitating all his steps, even to the form of his book, the size of his type, and the color of his cover, had not foolishly put forward claims to originality, and attempted to found a right to an exclusive merit on doing that which he had borrowed from his example. But what he has done heretofore in the way of embellishment to his book, though it far ex-

ceeded any effect of those who strove to copy his movements, cannot compare with what he now means to do. His arrangements for this department of his work have been projected on the most liberal scale of expenditure, involving such an extent of outlay as has never before been dreamed of in any periodical, European or American. As an evidence of his intentions, he now states that each number of the Lady's Book for the ensuing year, will contain, at least, Three Splendid Engravings; embracing in the series every possible variety of subject, Historical, Landscape, Picturesque, Portraiture, Imaginative, Emblematical, and executed in every possible variety of the art; Mezzotint, Stipple, Medallion, and that most chaste and expressive manner, the Line and Dot combined, which has given such world wide celebrity to the works of modern artists.

The American Guide Plates of Fashions, colored, will be given every month. In order to give the greatest attractiveness to the subjects of his embellishments the proprietor has given orders to various American Painters, of established reputation, who are now engaged in preparing expressly for the Lady's Book, numerous Oriental Pictures, on National and Historical events, some of which are nearly completed, and will soon be in the hands of the engraver. Among the painters thus engaged he may enumerate: J. G. Chapman, Painter of the National Picture of the Baptism of Pocahontas. P. F. Rothwell, J. P. Frankenstein, S. S. Osgood, of Boston, J. Williams, &c. He has also established a correspondence in London, through which he will receive early proof impressions of the finest prints executed in that metropolis, and will thus be constantly supplied with an immense variety, from which to make suitable selections. In addition to this, he will receive the only copies of the celebrated prize Engravings of the Edinburg Apollo Gallery, sent to this country, one of which the Examination of Shakespeare before Sir Thomas Lacy, he has already given to his patrons, and another of which, The Stray Children he has now in preparation, as well as a series of Pictorial Illustrations of Shakespeare.

Determined to satisfy every variety of taste, the proprietor has also made arrangements for a series of the most superb Mezzotints ever executed in this country, several of which are already engraved, and will be given to his subscribers as soon as a sufficient number of impressions can be taken to supply his immense edition. Beside the services of H. S. Sadt, of N. Y. who has now in hand a number of plates, she has secured the invaluable aid of Mr. Humphreys, of London, who is universally conceded to stand in the foremost rank of English Engravers, whose splendid efforts in Mezzotint have commanded the admiration of the most distinguished amateurs and critics. This eminent artist is now engaged in preparing, expressly for the Lady's Book, a number of Mezzotint Pictures, which the proprietor pledges himself will be of an unsurpassed excellence; and of the most interesting and attractive subjects. To guard against all possibility of difficulty hereafter, he has likewise ordered from England a Complete Mezzotint Establishment, and immediately on its arrival, Mr. W. F. Tucker, of this city, will commence operations in that department of art. In order to procure the various embellishments in season, the proprietor has made permanent arrangements with the following eminent engravers, all of whom are now engaged in executing steel plates for the Lady's Book.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841. 1y-22

READ WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease; CONSUMPTION, persuade them without delay to try that famous and unrivalled medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of the most confirmed cases of this fatal and distressing disease. Read the following undated proofs of its efficacy: Boston, Sept. 10, 1841.

Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year; but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully, JAMES KEIT. Honesburg, Sept. 10, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend. JACOB HOLLOWAY. Bristol, September 8, 1841.

Dear Doctor—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has done in Consumption, I sent to one of my friends the other day for a bottle, and have found it to relieve me so much, that I wait three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds, have tried Dr. Wistar's Balsam of Wild Cherry, sold wholesale and retail by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle.

ANOTHER LIFE SAVED.

By the extraordinary virtues of that unrivalled medicine, the "BALSAM OF WILD CHERRY," the well-known famous remedy for CONSUMPTION and LIVER COMPLAINT, COUGHS, COLIC, BRONCHITIS, CROUP, WHOOPING COUGH, &c. Boston, June 16, 1841.

To Dr. H. Wistar: Dear Sir—In your last letter you ask if your Balsam has been successful in this city. In reply to that enquiry, I can assure you I have never before sold any medicine that has sold so rapidly or been used with such universal success, as your Balsam. In some cases it has cured the most confirmed cases of Consumption, and in others has given great relief after every other remedy had failed. There is one case that exceeds any I have yet heard of. This was a poor woman several years since had tried every thing in vain. Knowing she was very poor, yet very worthy, I sent her a bottle gratis, which she said relieved her very much. This circumstance was soon known to a religious friend, who had tried every thing in vain, and who she also used a part of, and is recovering very fast. She told me a few days since that she believed had not felt so well for many months. Your medicine is the only thing that saved her life, &c. The same society have purchased over thirty bottles for different persons, and will no doubt purchase many more as the result is very highly your friend. HOLBROOK, BARTLE & Co.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," that is entirely a different medicine. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, how often do they bring the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and let them run on for the last year or months without thinking of the danger. At first you will say you may consider a slight COUGH or COLD; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and you find you are your own flesh and blood brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your COLD, or trust to any quack nostrum to cure you, but immediately procure a bottle or two of that famous remedy, the "BALSAM OF WILD CHERRY," which is known to be the most speedy cure ever known, as thousands will testify who have been saved by it.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is also a SYRUP of this name in use. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

CROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when this destructive complaint attacks your interesting little children, and often robs you of those you fondly dote on, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with such neglect. As many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this case the "BALSAM OF WILD CHERRY," is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should always keep in the house her own bottle of this famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine had failed.

Be particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared only by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30
