NOTICE.
NOTICE is hereby given, that application will be made by the undersigned, for License to keep a Public House in the town of Hampton, Reading township, Adams county, at the January Court of Quarter Sessions, one thousand eight hundred and forty-two.

SOLOMON ALBERT.
The Subscribers citizens of Reading township aforesaid, recommend the above petitioner, and certify that the Inn, or Tavern aforesaid mentioned, is necessary, to accommodate the public and entertain travellers, and that the above petitioner is of good repute for honesty and sobriety, and is well provided as required by law, with house room and convenience for lodging and accommodating strangers and travellers.

THE LADY'S WORLD OF FASHION.
A new Monthly Magazine with the above title, embellished with the earliest Fashions from Paris and London, elegant Steel and Mezzotint Engravings, Lace Work, Embroidery, Music, &c. will be issued early in December in advance of the other Magazines for January. The work will be devoted especially to the ladies, and will be issued in a style never before attempted in this country. It will contain articles from the most popular and pleasing writers of the day on every variety of subject, but the work will be in the main devoted to the cultivation of the home virtues. Hence most of the stories will be of a practical, domestic character, from the pens of our best female writers, while the earliest fashions in all their varieties shall be correctly given;—so as to make the work welcome at every fire-side. In the halls of the fashionable and the gay,—the home of the virtuous matron, whose own needle supplies her raiment as well as in the store and sewing room of the mantua maker and milliner.

THE MAIN DESIGN OF THE WORK.—The prominent design of the Magazine will be to furnish in elegant and attractive style, the earliest, most correct, and full report in advance of all the other Magazines, and prior to the issuing of them here, of the Monthly Fashions direct from Paris and London. The advantage of this to every lady, who makes taste in dress the least matter of life, will at once be apparent, and to the professional dress maker and milliner of the United States, the enterprise will be of incalculable advantage. It is proposed to issue every month a number and variety of costume, which will put to the blush every thing in the way of monthly reports of the Fashions heretofore attempted.

For this purpose the publisher has embarked the most ample means and resources in the enterprise, and has matured his plans both in this country and in Europe prior to commencement. It has been a favorite project, and has been deliberately undertaken, and will be carried through vigorously. The first number will give an idea of the beauty and real excellence of the plates.

ELEGANT STEEL ENGRAVINGS.—In order to render the work ornamental in the highest degree, and to make it a perfect parlor companion, and an ornament to the centre table, as well as entertaining in its literature, and useful in the style of its fashion plates, it is proposed to issue the most elegant Steel and Mezzotint engravings from the first artists in the country, illustrated by choice and entertaining stories of domestic life. To vary the style of illustrations, occasional Lace Patterns and Embroidery, got out in unsurpassed beauty and truth by that excellent artist F. Quarro, Esq. will also be given; and to leave nothing undone, at times, will be given, the most popular music of the day, Songs, Gallopedes Marches, &c.

THE TYPOGRAPHY.—The work will be printed on clear and beautiful type, on a page larger than any of the three dollar Magazines, with fine margin, and strong white paper, and will contain as much matter as can be compressed into thirty-six large octavo pages.

TIME OF DELIVERY.—The Magazine will be issued on or before the 15th of the month preceding the month for which it will be published, or dated, or about the time the steamships which sail from Europe, on the first of the month, usually arrive. Thus the work will be in the hands of every subscriber with the most correct fashions before they can be got out here, and anticipating all other Magazines at least six weeks.

THE TERMS.—To bring the work within the reach of all, it will be issued at two dollars per annum for a single, or three copies for five dollars invariably in advance, post paid. The cheapness of the work will at once be appreciated, when we state that the London World of Fashion retails at \$10 per annum, and the Lady's World of Fashion will include every variety in the same style of excellence.

3 Copies for 5 dollars.
8 do. for 10 dollars.

A PROPOSITION!
Reduction of Terms, and the Cash System!

PROMPTED by a desire to disseminate cheap information, and place his paper within reach of every person, even of the most moderate means, the publisher of the Harrisburg Chronicle proposes, if sustained by the public, to commence the next volume of the paper, opening in February, upon a new system, and upon such terms as will enable every citizen of the commonwealth to become acquainted with matters and doings at the seat of government. We propose upon the commencement of the next volume to reduce the yearly subscription of the paper (which is now three dollars a year) ONE THIRD,—that is to publish it twice a week during the session of the Legislature and once a week during the remainder of the year, for TWO DOLLARS per annum, being a reduction of one dollar upon our former terms.—Subscriptions to be paid invariable IN ADVANCE. The session of the Legislature is generally five months in length, during which time our subscribers will receive two numbers each week, making nearly one hundred numbers each year, for the same price that is now charged for weekly country papers! These terms are very low, as every person will observe, but if our proposition is accepted, and the money forwarded with every subscription, we have no doubt of being able to make the new system work with as much advantage to ourselves as it certainly will for the reading community.

IMPORTANT CAUTION.
BEWARE OF IMPOSITION.—Having noticed several remarks attached to the advertisements of a *Natrum* called a "Compound Syrup of Wild Cherry"—by which it appears the proprietor of that article is endeavoring to injure the reputation of that invaluable and highly approved medicine—"DR. WISTAR'S BALSAM OF WILD CHERRY"—and bolter up his miserable preparation by resorting to fiction and falsehood, we deem it necessary to caution the public against such trickery, and request all those who wish to secure the genuine preparation of Wild Cherry to be very particular when they purchase or article, they may be deceived and get a very different article.

In order to protect the public from imposition, copy rights have been secured, and the genuine medicine will invariably be put up in moulded bottles, with the words—"WISTAR'S BALSAM OF WILD CHERRY"—blown in the glass, and the signature of Henry Wistar M.D. on the label without which none is genuine.

HORSE-POWER AND THRASHING MACHINES.
THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superior quality of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnance, near Millersstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere.

READ WHAT IT HAS DONE.

And if you have a friend, relation, or know one who is afflicted with that distressing disease, CONSUMPTION, perspire it without delay for the best and most certain medicine, the **BALSAM OF WILD CHERRY,** which has cured the wounds of this complaint after every thing else had failed. Read the following unobscured proofs of its efficacy:—

Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully,
JAMES KELLY
Hollersburg, Sept. 12, 1841.

Friend Wistar—I must again trouble thee to send me two more bottles of thy valuable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,
JACOB HOLLOWAY.
Bristol, September 8, 1841.

Dear Doctor—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have made several more since. I believe it will cure me too. I have used a great many balams of different kinds, have tried Javne's Expectorant and other medicines besides, but nothing has ever done me as much good as yours has. Send by the steambath Bolivar. Yours truly,
WILLIAM THOMAS.

Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for **LIVER COMPLAINT, BRONCHITIS, WHOOPING COUGH, &c.** as hundreds will testify who have been cured by it after all other remedies had failed. It is sold by the wholesale and retail by **WILLIAMS & Co., Chemists, No. 32 South Fourth street, Philadelphia.** Price \$1 00 a bottle. For sale at the Drug Store of **S. H. BUEHLER** Gettysburg, Oct. 19, 1841. 6m-30

ANOTHER LIFE SAVED.
By the extraordinary virtues of that unrivalled medicine, the **BALSAM OF WILD CHERRY,** for **CONSUMPTION AND LIVER COMPLAINT, WHOOPING COUGH, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c.** Boston, June 16, 1841.

To Dr. H. WISTAR:—In your last letter you ask if your Balsam has been successful in this city. In reply to that enquiry, I can assure you I have not only cured several of the most distressing cases, but have used it with such universal success, as yours has. In some cases it has effected surprising cures, and in others has given great relief after every other remedy had failed. I have used a bottle of your Balsam, and I have heard of it with great interest. This is a poor woman that has been afflicted with CONSUMPTION for several years, and had tried every thing in vain.—Knowing she was very poor, I have purchased for her a bottle of your Balsam, and she has recovered her health. She told me a few days since that she had not felt so well for the last year, and believed your medicine was the only thing that saved her life. &c. The same good effects have been effected by your Balsam in different persons, and will no doubt purchase many more as they prize it very highly. Yours, respectfully,
H. BARTLE & Co.

Be very particular when you purchase to ask for **DR. WISTAR'S BALSAM OF WILD CHERRY,** as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared, wholesale and retail, by **WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia.** Price \$1 00 a bottle. For Sale at the Drug Store of **S. H. BUEHLER** Gettysburg, Oct. 19, 1841. 6m-30

COUGHS & COLDS.
THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal disease, and one that has killed a multitude of our countrymen. It is a victim to CONSUMPTION every year from no other cause than **NEGLECTED COLDS.** Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you may think you are only suffering with a **COUGH or COLD;** you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pain in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your own health sinking, and you are in a most distressing situation. If then you value life or health, be warned in time, and don't trifle with your **COLD,** or trust to any *quack nostrum* to cure you, but immediately procure a bottle or two of that famous remedy, the **BALSAM OF WILD CHERRY,** which is known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

Be very particular when you purchase to ask for **DR. WISTAR'S BALSAM OF WILD CHERRY,** as there is also a SYRUP of this name in use. Prepared, wholesale and retail, by **WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia.** Price \$1 00 a bottle. For sale at the Drug Store of **S. H. BUEHLER** Gettysburg, Oct. 19, 1841. 6m-30

GROUP IN CHILDREN.
MOTHERS, BE ON YOUR GUARD.—This is the season when your destructive complaints attack your interesting little children, and often rob you of those you fondly dote on, and carries hundred to the grave. Every mother, or should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering fit, grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful **COUGH** that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the **BALSAM OF WILD CHERRY,** is well known to be the most speedy cure ever discovered. It is indeed a precious remedy, mild, safe and innocent, and sure to give the little sufferer immediate relief, and to quickly restore it to its usual health. Every mother who loves her children should always keep in the house and give it to them early by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of **CROUP, BRONCHITIS, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c.** after every other medicine had failed.

Be particularly when you purchase to ask for **DR. WISTAR'S BALSAM OF WILD CHERRY,** as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared only by **WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia.** Price \$1 00 a bottle. For sale at the Drug Store of **S. H. BUEHLER** Gettysburg, Oct. 19, 1841. 6m-30
