THE LADY'S WORLD OF FASHION.

A new Monthly Magazine with the above title, embellished with the earliest Steel and Mezzotint Engravings, Lace Work, Embroidery, Music, &c. will be issued early in December in advance of the other Magazines for January. The work will be devoted especially to the ladies, and will be issued in a style never before attempted in this country. It will contain articles from the most popular and pleasing writers of the day on every variety of subject, but the work will be in the main devoted to the cultivation of the home virtues. Hence most of the stories will be of a practical, domestic character, from the pens of our best female writers, while the earliest fashions in all their varieties shall be correctly given;—so as to make the work welcome at every fire-side.

THE MAIN DESIGN OF THE WORK.—The prominent design of the Magazine will be to furnish in elegant and attractive style, the earliest, most correct, and full report in advance of all the other Magazines, and prior to the issuing of them here, of the Monthly Fashions direct from Paris and London. The advantage of this to every lady, who makes taste in dress the least matter of life, will at once be apparent, and to the professional dress maker and milliner of the United States, the enterprise will be of incalculable advantage. It is proposed to issue every month a number and variety of costume, which will put to the blush every thing in the way of monthly reports of the Fashions heretofore attempted.

ELEGANT STEEL ENGRAVINGS.—In order to render the work ornamental in the highest degree, and to make it a perfect parlor companion, and an ornament to the centre table, as well as entertaining in its literature, and useful in the style of its fashion plates, it is proposed to issue the most elegant Steel and Mezzotint engravings from the first artists in the country, illustrated by choice and entertaining stories of domestic life. To vary the style of illustrations, occasional Lace Patterns and Embroidery, got out in unsurpassed beauty and truth by that excellent artist F. Quarre, Esq. will also be given; and to leave nothing undone, at times, will be given the most popular music of the day, Songs, Gallopedes, Marches, &c.

THE TYPOGRAPHY.—The work will be printed on clear and beautiful type, on a page larger than any of the three dollar Magazines, with fine margin, and strong white paper, and will contain as much matter as can be compressed into thirty-six large octavo pages.

TIME OF DELIVERY.—The Magazine will be issued on or before the 15th of the month preceding the month for which it will be published, or dated, or about the time the steamships which sail from Europe, on the first of the month, usually arrive. Thus the work will be in the hands of every subscriber with the most correct fashions before they can be got out here, and anticipating all other Magazines at least six weeks.

THE TERMS.—To bring the work within the reach of all, it will be issued at two dollars per annum for a single, or three copies for five dollars invariably in advance, post paid. The cheapness of the work will at once be appreciated, when we state that the London World of Fashion retails at \$10 per annum, and the Lady's World of Fashion will include every variety in the same style of excellence.

TO CLUBS. 3 Copies for 5 dollars. 8 do. for 10 dollars. Current funds, post paid. Address C. J. PETERSON, Ledger Buildings, Phila. Jan. 4, 1842.

ADVERTISEMENTS.

The Petition of Nicholas Moritz of Freedom township, Adams county, respectfully sheweth.—That your petitioner now keeps a Tavern or Public House of Entertainment in said Township, it being an old and established stand; that your petitioner is prepared with all things necessary for keeping said house of Entertainment, and desirous to continue his license. He therefore, respectfully prays the Honorable Court to grant him a continuance of his license; and your petitioner as in duty bound will pray, &c.

NICHOLAS MORITZ. The Subscribers being well acquainted with the petitioner, and believing that the building he occupies is highly suitable for a tavern, and that he is a sober man of good repute for honesty and temperance, and well provided for the accommodation of travellers,—we therefore, humbly beg leave to recommend the said Nicholas Moritz, that his license may be continued agreeable to his petition.

PROBATION.

WHEREAS the Hon. D. DURKE, Esq. President of the several Courts of Common Pleas, in the Counties composing the 19th District, and Justice of the Courts of Oyer and Terminer, and General Jail Delivery, for the trial of all capital and other offenders in the said District—and Geo. WILCOX and Geo. SNEY, Esquires, Judges of the Courts of Oyer and Terminer, and General Jail Delivery, for the trial of all capital and other offenders in the County of Adams—have issued their precept, bearing date the 27th day of Nov. in the year of our Lord one thousand eight hundred and forty one, and to me directed, for holding a Court of Common Pleas and General Quarter Sessions of the Peace, and General Jail Delivery, and Court of Oyer and Terminer, at Gettysburg, on Monday the 24th day of January next—

Notice is hereby Given, To all the Justices of the Peace, the Coroner, and Constables, within the said County of Adams, that they be then and there, in their proper person, with their Rolls, Records, Inquisitions, Examinations, and other Remembrances, to do those things which to their offices and in that behalf appertain to be done and also they who will prosecute against the prisoners that are, or then shall be, in the Jail of the said County of Adams, are to be then and there, to prosecute against them as shall be just.

A PROPOSITION! Reduction of Terms, and the Cash System!

PROMPTED by a desire to disseminate cheap information, and place his paper within reach of every person, even of the most moderate means, the publisher of the Harrisburg Chronicle proposes, if sustained by the public, to commence the next volume of the paper, opening in February, upon a new system, and upon such terms as will enable every citizen of the Commonwealth to become acquainted with matters and doings at the seat of government. We propose upon the commencement of the next volume to reduce the yearly subscription of the paper (which is now three dollars a year) ONE THIRD,—that is to publish it twice a week during the session of the Legislature and once a week during the remainder of the year, for TWO DOLLARS per annum, being a reduction of one dollar upon our former terms.—Subscriptions to be paid invariable IN ADVANCE. The session of the Legislature is generally five months in length, during which time our subscribers will receive two numbers each week, making nearly one hundred numbers each year, for the same price that is now charged for weekly country papers! These terms are very low, as every person will observe, but if our proposition is accepted, and the money forwarded with every subscription, we have no doubt of being able to make the new system work with as much advantage to ourselves as it certainly will for the reading community.

H. MONTGOMERY.

IMPORTANT CAUTION. BEWARE OF IMPOSITION.—Having noticed several remedies attached to the advertisements of a Nostrum called a "Compound Syrup of Wild Cherry"—by which it appears the proprietor of that article is endeavoring to injure the reputation of that invaluable and highly approved medicine—DR. WISTAR'S BALSAM OF WILD CHERRY—and bolster up his miserable preparation by resorting to factious falsehoods, we deem it necessary to caution the public against such trickery, and request all those who wish to secure the genuine preparation of Wild Cherry to be very particular when they purchase, or they may be deceived and get a very different article.

In order to protect the public from imposition, the copy rights have been secured, and the genuine medicine will invariably be put up in moulded bottles with the words "WISTAR'S BALSAM OF WILD CHERRY"—blown in the glass, and the signature of Henry Wistar M.D. on the label without which none is genuine. WILLIAMS & Co., Agents for Dr. Wistar. Remember the genuine Balsam is sold only in Gettysburg by SAMUEL H. BUEHLER, Appointed Agent Gettysburg, 14, 1841.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

THE above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841.

RECALD

WHAT IT HAS DONE. And if you have a friend, relation, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them without delay to try the famous remedy, DR. WISTAR'S BALSAM OF WILD CHERRY, which has cured thousands of this complaint after every thing else had failed. Read the following undoubted proof of its efficacy: Boston, Feb. 10, 1841.

Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully, JAMES KELLY. Holmesburg, Sept. 12, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend, JACOB HOLLOWAY. Bristol, September 8, 1841.

Dear Doctor—Hearing of many people who are about the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balams of different kinds, have tried Janc's Expectorant and other medicines besides, but nothing has ever done me as much good as yours has. Send by the steamboat Bolivar. Yours truly, WILLIAM THOMAS. Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, BRONCHITIS, COUGHS, CROUP, WHOOPING COUGHS, &c. as hundreds will testify who have been cured by it after all other remedies had failed. Be very particular to ask for DR. WISTAR'S BALSAM OF WILD CHERRY, which is sold by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Oct. 19, 1841.

ANOTHER LIFE SAVED.

By the extraordinary virtues of that unrivalled medicine, the "BALSAM OF WILD CHERRY," THE WELL-KNOWN REMEDY FOR CONSUMPTION, BRONCHITIS, COUGHS, CROUP, WHOOPING COUGHS, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGHS, &c. Boston, June 16, 1841. To Dr. H. Wistar: Dear Sir—Your last letter to me asking if your Balsam has been successful in this city. In reply to that enquiry, I can assure you I have never before sold any medicine that has sold so rapidly or been so successful in the cure of Consumption, Croup, Whooping Cough, &c. as your Balsam of Wild Cherry. I have given great relief after every other remedy had failed. But there is one case that exceeds any I have yet heard of. This was a young man that has been afflicted with CONSUMPTION for several years, and had tried every thing in vain.—Knowing she was very poor, yet very worthy, I sent her a bottle gratis, which she said relieved her very much. This circumstance has been reported to a religious society she belonged to, and they immediately presented her with half a dozen bottles, which she has also used a part of, and is recovering very fast. She told me a few days since that she had had faith in the Balsam of Wild Cherry, and believed your medicine was the only thing that saved her life, &c. The same society has purchased over thirty bottles for different persons, and will do so if you please to send more. I raise it very highly. Yours, HOODBROOK, BARTLE & Co. Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," which is the name advertised that is a certain cure of Consumption. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For Sale at the Drug Store of S. H. BUEHLER, Gettysburg, Oct. 19, 1841.

COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than NEGLECTED COLDS. Yet our minds are so constituted, that we are apt to such complaints, and the greatest indifference, and then run on for weeks and even months without thinking of the danger. At first you have what you may consider a slight COUGH or COLD; you allow business pleasure or carelessness to prevent you from giving it any attention; it then settles upon your chest, you expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your COLD, or treat it any quack nostrum to cure you, but immediately procure a bottle or two of this famous remedy, the "BALSAM OF WILD CHERRY," which is known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," which is the name advertised that is a certain cure of Consumption. Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Oct. 19, 1841.

GROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when this destructive complaint attacks your interesting little children, and often rns you to those who fondly dot on, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as soon as any slight sacrifice is made with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "BALSAM OF WILD CHERRY," is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should always keep in the house and give it to them early; by doing so you may often save the life of one you fondly love. Remember this is the best and most specific of that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c. after every other medicine had failed.

Be particularly when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," which is the name advertised that is a certain cure of Consumption. Prepared only by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Oct. 19, 1841.
