**IMPORTANT CAUTION.**

BEWARE OF IMPOSITION.—Having noticed several remarks attached to the advertisements of a "Compound Syrup of Wild Cherry"—by which it appears the proprietor of that article is endeavoring to injure the reputation of that invaluable and highly approved medicine—"DR. WISTAR'S BALSAM OF WILD CHERRY"—and bolster up his miserable preparation by resorting to fiction and falsehoods, we deem it necessary to caution the public against such trickery, and request all those who wish to secure the genuine preparation of Wild Cherry to be very particular when they purchase or they may be deceived and get a very different article.

In order to protect the public from imposition, copy rights have been secured, and the genuine medicine will invariably be put up in moulded bottles with the words "WISTAR'S BALSAM OF WILD CHERRY"—blown in the glass, and the signature of Henry Wistar M. D. on the label without which none is genuine.

**HORSE-POWER AND THRASHING MACHINES.**

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best **HORSE POWER AND THRASHING MACHINES** ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere.

## READ WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them without delay to try that famous and unrivalled medicine, the **BALSAM OF WILD CHERRY**, which has cured thousands of the most obstinate cases of this disease, and which has been tried by the following undoubted proofs: Sold at every apothecary, Boston, Sept. 10, 1841.

Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully,  
JAMES KELLY.  
Holmesburg, Sept. 12, 1841.

Friend Wistar—I had again trouble, there to send me two bottles more of your Balsam of Wild Cherry. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,

JACOB HOLLOWAY.  
Bristol, September 8, 1841.

Dear Doctor—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have used it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds, have tried Javne's Expectorant and other medicines besides, but nothing has done me as much good as yours has. Send by the steamboat Bolivar. Yours truly,

WILLIAM THOMAS.  
Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, WHOOPING COUGHS, COLIC, BRONCHITIS, WHOOPING COUGH, &c. as hundreds will testify who have been cured by it after all other remedies had failed.

Be very particular to ask for DR. WISTAR'S BALSAM OF WILD CHERRY, and not some other name, as sold by WILLIAMS & Co., Chemists, No. 23 South Fourth street, Philadelphia.

Price \$1 00 a bottle.

## ANOTHER LIFE SAVED.

By the extraordinary virtues of that unrivalled medicine, the **BALSAM OF WILD CHERRY**, the well-known famous remedy for CONSUMPTION AND LIVER COMPLAINT, COUGHS, COLIC, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c.

Boston, June 16, 1841.

To Dr. H. WISTAR: Dear Sir,—In your last letter you ask if your Balsam has been successful in curing me. I reply to you that I can assure you I have never before sold any medicine that has sold so rapidly or been used with such universal success, as yours has. In some cases it has effected surprising cures, and in others has given relief to every other remedy that has failed. But there is one case that excels any I have yet heard of. This was a poor woman that has been afflicted with CONSUMPTION for several years, and had tried every thing in vain. Knowing she was very near her end, I sent her a bottle gratis, which she said relieved her very much. This circumstance was soon made known to a religious society she belonged to, and they immediately presented her with half a dozen bottles which she has also used a part of, and is recovering very fast. She told me a few days since that she had not felt so well for the last year, and believed your medicine was the only thing that saved her life, &c. The same society have purchased thirty bottles for different persons, and will no doubt purchase many more as they praise it very highly.

Yours, respectfully,  
DARTLE & Co.

Be very particular when you purchase to ask for DR. WISTAR'S BALSAM OF WILD CHERRY, as there is a SYRUP of this name advertised that is entirely a different medicine.

Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 23 South Fourth street, Philadelphia. Price \$1 00 a bottle.

## COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as those complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than **NEGLECTED COLDS.** Yet we find hundreds, nay thousands who, in such complaints with the greatest care, and with the best means for weeks and even months without thinking of the danger. At first you have what you may consider a slight COUGH or COLD; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, mixed with blood, a dry cough, a hoarse, mixed and then you find your own foolish neglect has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your COLD, or trust to any quack nostrum to cure you, but immediately procure a bottle or two of that famous remedy, the **BALSAM OF WILD CHERRY**, which is known to be the most speedy cure ever known, as thousands will testify who have been saved by it.

Be very particular when you purchase to ask for DR. WISTAR'S BALSAM OF WILD CHERRY, as there is also a SYRUP of this name in use.

Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 23 South Fourth street, Philadelphia. Price \$1 00 a bottle.

## GROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when this destructive complaint attacks your interesting little children, and often robs you of your fondly doted one, and carries him to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering. It grows restless, has flashes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the **BALSAM OF WILD CHERRY** is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her child should always keep in the house and ready to give it to them early, by doing so you may often give the life of your fondly loved one. Remember this is the famous remedy that has cured thousands of **CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c.** after every other medicine had failed.

Be particularly when you purchase to ask for DR. WISTAR'S BALSAM OF WILD CHERRY, as there is a SYRUP of this name advertised that is entirely a different medicine. Prepared only by WILLIAMS & Co., Chemists, No. 23 South Fourth street, Philadelphia.
