TO THE CITIZENS OF ADAMS COUNTY.

FELLOW CITIZENS:—I perceive I stand charged in the "Star," a paper of your county, with three offences. First—with making an attempt to injure the reputation of a medicine, "fictitiously" called Dr. Wistar's Balsam of Wild Cherry. This is positively false. Dr. Wistar's Balsam of Wild Cherry never had a reputation to injure. I did say it was fictitious, and I say so still, and I challenge enquiry. Second—I am charged with bolstering up a "Syrup" of Wild Cherry. If it is meant Dr. Swayne's Compound Syrup of Wild Cherry, that medicine has no occasion of bolstering up. It has thousands and tens of thousands to prop it up; its virtue alone would be sufficient if every other prop was cut from under it. My highest aim is to do good, that others may reap the benefit with myself. Third—I am accused with trickery. This is equally false with the rest—which those who know me best can testify. What I would call trickery is coming out under false colours, calling things by names which belong not to them, with a view to give a reputation which they do not deserve. For an individual to make high pretensions to cure the most formidable diseases, without any knowledge of the science of medicine either in theory or practice, is presumptuous in the highest degree. It was years after my medicine was introduced into the sick chamber, and its virtues had become widely known long before others began to catch at the name of "Wild Cherry"—thinking to borrow a reputation from that already established. DR. SWAYNE.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in an announcement that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties. The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superior quality of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them. The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnance, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa. All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them without delay to try that famous and medicinal remedy, the "WILD CHERRY" of WILD CHERRY, which has cured thousands of the afflicted after every other medicine had failed. Read the following unfeigned testimonials of its efficacy: Dear Sir—Please send me a bottle of your great Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and I confidently believe this medicine cures me. I have used a great many remedies since the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully, Wm. H. Wistar, Baltimore, Sept. 19, 1841.

Dear Sir—Having so many people talk about the wonderful cure your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me. I have tried many other Balsams of different kinds, have tried James' Expectant and other medicines besides, but nothing has ever done me so much good as yours has. Send by the steamer to Baltimore. Yours truly, JACOB HOLLOWAY, District, September 8, 1841.
