THE WONDERFUL CURES Performed by Dr. SWAYNE'S Compound Syrup of Wild Cherry, in Pulmonary Consumption, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine, from the earliest ages furnish in parallel; the almost miraculous cures effected by this extraordinary medicine, is unprecedented. A few of the subjoined letters and certificates are from respectable citizens, and some of the many recommendations I have had in favour of the virtue of the above medicine.

IMPORTANT TESTIMONY.—Consumption and Bleeding of the Lungs cured.—Mr. William Sheppard, residing in Beaver county, Pa. near the state line, relates as follows:—In the month of May last my wife was taken with Bleeding from the Lungs, coughing, night sweats, hectic fever, &c. She had taken a violent cold; having previously given symptoms of the approach of Consumption, I felt much alarmed and made immediate application to a physician. Under his treatment she became worse, instead of better, until the first of June, when I heard from an intelligent man of Dr. Swayne's Syrup of Wild Cherry, and from his earnestness in recommending it I was induced to try one bottle.—The effect exceeded my utmost expectations—she felt immediate relief. I then mounted my horse and rode to the office, No. 41 St. Clair street, Pittsburgh, where it is kept for sale, and procured six bottles more, which I am happy to say has effected a perfect cure. Please publish this certificate, with my name in full, that others may know where to find the greatest blessing on earth.

WILLIAM SHEPPARD. The above invaluable Medicine for sale, at my office, No. 54 North 6th street, Phila., and by SAMUEL S. FORNEY, my sole agent for Gettysburg, where the only genuine article can be had. DOCTOR SWAYNE. March 1, 1842. 1m-49

PROSPECTUS

Of a New and very cheap Magazine. On the first of April, will be commenced a New Magazine, (to take the place of the "Phoenix and Budget") under the title— "The Baltimore Monthly Visitor."

It will be issued with a far neater cover—on good paper and type, and will be composed of closely printed matter—amounting to nearly four hundred pages per volume. Each number will be accompanied by a VERY FINE wood cut, illustrating the natural history and customs of the month for which each number is intended. Each design will be accompanied by both prose and poetic sketches, not only of the general features and holiday customs, but likewise of the AGRICULTURAL peculiarities of every month. This will be a new feature, and is hoped, will render the "Monthly Visitor" a peculiarly welcome guest on every FARMER'S table. The first number will, likewise, be embellished with an engraving representing Snake-pearl's "Taming the Steer," illustrated by a story from the pen of Charles Lamb, one of the most popular authors England has ever boasted. This plate, and the illustrations of the months, have never appeared in any other magazine.

The quality of the reading matter of the Baltimore Monthly Visitor, may be inferred from the following list of contributors—to which other distinguished names will be, from time to time, added. To instruct and to amuse will be our aim.

CONTRIBUTORS. Rev. E. Y. Reese, Rev. Leander Keer, Professor J. R. W. Dunbar, Prof. Edward Foreman, Prof. Chapin A. Harris, Dr. C. C. Cox, Dr. James Hamilton, Dr. John Fonerden, Dr. J. W. Geyer, Mrs. Lydia Jane Pierson, Mrs. Amelia B. Welch, Miss Esthar Wetherald, Author of "The Two Christmases," David Hoffman, Esq. N. C. Brooks, A. M. Mr. M. Topham Evans, Mr. T. S. Arthur, author of the "Subordinate," Mr. J. B. Jones, author of "Wild Western Scenes," &c. Mr. L. T. Voight, Mr. J. Austin Sperry, Mr. J. E. S. Rochester, Mr. Thomas C. Atkinson, Mr. E. C. Squier, Mr. Q. Barbour, George Yellot, Esq. M. S. Lovett, E. Tudor Horton, "Mildred Bard," Author of "The Deserted Husband," John Smith of Jun., Author of "A Doctor's MSS. &c. &c. &c."

In the line of critical notices of new books, a decided improvement will be made upon the plan of the "Phoenix and Budget"—and in the way of stories, an important reform will be adopted, which will abolish the plan of giving long novels continued, provokingly, from number to number.

In order to place the work in the hands of such as may not feel willing to pay the more expensive price of monthly magazines, the proprietor has determined to publish the work at the extremely low price charged for its planer and unillustrated predecessor. The price will therefore be \$1.50, for a single copy—five copies for \$5.00. This is giving about four pages for one cent.

It is desirable to receive orders at once, of every description, and of the best Materials. He invites his old customers to give him a call, as he is determined to please those who may favor him.

HORSE-POWER AND THRASHING MACHINES. THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millersport, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above Shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841. 1y-23

READ WHAT IT HAS DONE.

And if you have a friend, relative, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them without delay to try that famous and wonderful medicine, the BALSAM OF WILD CHERRY, which has cured thousands of this complaint after every thing else had failed. Read the following undoubted proofs of its efficacy: Dear Sir—Please send me two or three more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many other things that have relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully, HENRY KEATY, Hagerstown, S. p. 10, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend, JACOB HOLLOWAY, Bristol, Sept. 10, 1841.

Dear Doctor—Hearing so many good talks about this medicine, and seeing it so often advertised in the papers, I went in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more very soon, as I feel that it will cure me. I have now a great many ailments of different kinds have tried Wistar's Expurgator and other medicines besides, but nothing has ever done me as much good as yours has. Send by the steamboat Bolivar. Yours truly, WILLIAM THOMAS, Hagerstown, S. p. 10, 1841.

Bodies its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, BRONCHITIS, COUGHS, CROUP, WHOOPING COUGH, &c. It will cure every case that has been cured by it after all other remedies had failed. Be very particular to ask for DR. WISTAR'S BALSAM OF WILD CHERRY. Sold wholesale and retail by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. RUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

ANOTHER LIFE SAVED.

By the extraordinary virtues of that invaluable medicine, the "BALSAM OF WILD CHERRY," the well-known famous remedy for CONSUMPTION and LIVER COMPLAINT, COUGHS, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c. Boston, June 16, 1841.

To DR. H. WISTAR: Dear Sir—In your last letter you ask if your Balsam has been successful in curing the most common complaint that afflicts the human race. I have never before sold any medicine that has sold so rapidly or been used with such universal success, as yours has. In some cases it has effected surprising cures, and in others has given great relief after every other remedy had failed. But there is one case that excels any I have yet heard of. This was a poor woman that has been afflicted with CONSUMPTION for several years, and had tried every thing in vain. Knowing that she was fast approaching her end, I sent her a bottle gratis, which she said relieved her very much. This circumstance was soon made known to a religious society she belonged to, and they immediately presented her with a dozen bottles. COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can doubt their being the most common cause of a melancholy death, that thousands fall victims to CONSUMPTION every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first, a cough, which may seem a slight or trifling ailment, gradually increases, and if not cured, it leads to a consumption, which is a slow and painful process, and which, if not cured, will terminate in a premature grave.

It is a well known fact, that a cough, which is a sign of a cold, if not cured, will lead to a consumption, which is a slow and painful process, and which, if not cured, will terminate in a premature grave. CROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when this distressing complaint attacks your interesting little children, and often raves you of those who fondly dote on, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has fits of heat, the eyes become red, and swollen, the throat swells with difficulty, and then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "BALSAM OF WILD CHERRY" is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and quick to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should always have in the house and carry about with her, a bottle of this medicine, and be prepared to give it to them early by doing so you may often save the life of one you fondly love. Remember this is the famous remedy that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c. after every other medicine had failed.
