THE WONDERFUL CURES

Performed by Dr. SWAYNE'S Compound Syrup of Wild Cherry, in Pulmonary Consumption, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine, from the earliest ages furnish in parallel; the almost miraculously cured effected by this extraordinary medicine, is unprecedented. A few of the subjoined letters and certificates are from respectable citizens, and some of the many recommendations I have had in favour of the virtue of the above medicine.

IMPORTANT TESTIMONY.—Consumption and Bleeding of the Lungs cured.—Mr. William Sheppard, residing in Beaver county, Pa. near the state line, relates as follows:—"In the month of May last my wife was taken with Bleeding from the Lungs, coughing, night sweats, hectic fever, &c. She had taken a violent cold; having previously given symptoms of the approach of Consumption, I felt much alarmed and made immediate application to a physician. Under his treatment she became worse, instead of better, until the first of June, when I heard from an intelligent man of Dr. Swayne's Syrup of Wild Cherry, and from his earnestness in recommending it I was induced to try one bottle. The effect exceeded my utmost expectations—she felt immediate relief. I then mounted my horse and rode to the office, No. 41 St. Clair street, Pittsburgh, where it is kept for sale, and procured six bottles more, which I am happy to say has effected a perfect cure. Please publish this certificate, with my name in full, that others may know where to find the greatest blessing on earth.

WILLIAM SHEPPARD. At my office, No. 54 North 6th street, Phila., and by SAMUEL S. FORNEY, my sole agent for Gettysburg, who is the only genuine article can be had. DOCTOR SWAYNE. March 1, 1842. 1m-49

PROSPECTUS

Of a New and very cheap Magazine. On the first of April, will be commenced a New Magazine, (to take the place of the "Phoenix and Budget") under the title— "The Baltimore Monthly Visitor."

It will be issued with a far neater cover—on good paper and type, and will be composed of closely printed matter—amounting to nearly four hundred pages per volume. Each number will be accompanied by a VERY FINE wood cut, illustrating the natural history and customs of the month for which each number is intended. Each design will be accompanied by both prose and poetic sketches, not only of the general features and holiday customs, but likewise of the AGRICULTURAL peculiarities of every month. This will be a new feature, and is hoped, will render the "MONTHLY VISITOR" a peculiarly welcome guest on every FARMER'S table. The first number will, likewise, be embellished with an engraving representing Shakespeare's "Taming the Shrew," illustrated by a story from the pen of Charles Lamb, one of the most popular authors England has ever boasted. This plate, and the illustrations of the months, have never appeared in any other magazine.

The quality of the reading matter of the Baltimore Monthly Visitor, may be inferred from the following list of contributors—to which other distinguished names will be, from time to time, added. To instruct and to amuse will be our aim.

CONTRIBUTORS.

REV. E. Y. REESE, REV. LEANDER KOER, Professor J. R. W. DUBAR, Prof. Edward Foreman, Prof. Chapin A. Harris, Dr. C. C. Cox, Dr. James Hamilton, Dr. John Fonerden, Dr. J. W. Goyer, Mrs. Lydia Jane Pierson, Mrs. Amelia B. Welby, Miss Esthar Wetherald, Author of "The Two Christmases," David Hoffman, Esq. N. C. Brooks, A. M. Mr. M. Topham Evans, Mr. T. S. Arthur, author of the "Subordinate," Mr. J. B. Jones, author of "Wild Western Scenes," &c. Mr. L. T. Voight, Mr. J. Austin Sperry, Mr. J. E. S. Rochester, Mr. Thomas C. Atkinson, Mr. E. C. Squier, Mr. Q. Barbour, George Yellot, Esq. M. S. Lovett, E. Taylor Horton, "Milford Bard," Author of "The Deserted Husband," John Smith of Joo," Author of "A Doctor's MSS." &c. &c. &c.

In the line of critical notices of new books, a decided improvement will be made upon the plan of the "Phoenix and Budget"—and in the way of stories, an important reform will be adopted, which will abolish the plan of giving long novels continued, provokingly, from number to number. In order to place the work in the hands of such as may not feel willing to pay the more expensive price of monthly magazines, the proprietor has determined to publish the work at the extremely low price charged for its planer and unillustrated predecessor. The price will therefore be \$1 50, for a single copy—five copies for \$5 00. This is giving about four pages for one cent.

It is desirable to receive orders at once, that we may know how to regulate our issues. The trade will be served at very liberal rates—extremely anxious, as we are, to extend the usefulness of the work, as widely as possible.

Address, postage paid, "The Proprietor of the Monthly Visitor," At the office of the Saturday Visitor, No. 212 N. Gay street, Baltimore, Md. Feb. 15, 1842.

To the Citizens of Adams County.

FELLOW CITIZENS:—I perceive I stand charged in the "Star," a paper of your county, with three offences. First—with making an attempt to injure the reputation of a medicine, "fictitiously" called Dr. Wistar's Balsam of Wild Cherry. This is positively false. Dr. Wistar's Balsam of Wild Cherry never had a reputation to injure. I did say it was fictitious, and I say so still, and I challenge enquiry. Second—I am charged with bolstering up a "Syrup" of Wild Cherry. If it is meant Dr. Swayne's Compound Syrup of Wild Cherry, that medicine has no occasion of bolstering up. It has thousands and tens of thousands to prop it up; its virtue alone would be sufficient if every other prop was cut from under it. My highest aim is to do good, that others may reap the benefit with myself. Third—I am accused with trickery. This is equally false with the rest—which those who know me best can testify. What I would call trickery is coming out under false colours; calling things by names which belong not to them, with a view to give a reputation which they do not deserve. For an individual to make high pretensions to cure the most formidable diseases, without any knowledge of the science of medicine either in theory or practice, is presumptuous in the highest degree. It was years after my medicine was introduced into the sick chamber, and its virtues had become widely known long before others began to catch at the name of "Wild Cherry"—thinking to borrow a reputation from that already established.

DR. SWAYNE. P. S. The above medicine is eminent ly calculated to cure coughs, colds and all other breast complaints. For further particulars enquire of S. S. Forney, my sole agent for Gettysburg, who keeps it pure and unadulterated, likewise at my office No. 54 North sixth street, Philadelphia. Feb. 8, 1842. 61-46

IMPORTANT CAUTION.

Beware of IMPOSITION.—Having noticed several remarks attached to the advertisements of a Nostrum called a "Compound Syrup of Wild Cherry"—by which it appears the proprietor of that article is endeavoring to injure the reputation of that invaluable and highly approved medicine—"DR. WISTAR'S BALSAM OF WILD CHERRY"—and bolster up his miserable preparation by resorting to fiction and falsehoods, we deem it necessary to caution the public against such trickery, and request all those who wish to secure the genuine preparation of Wild Cherry to be very particular when they purchase or they may be deceived and get a very different article. In order to protect the public from imposition, copy rights have been secured, and the genuine medicine will invariably be put up in moulded bottles with the words "WISTAR'S BALSAM OF WILD CHERRY"—blown in the glass, and the signature of Henry Wistar M. D. on the label without which none is genuine. WILLIAMS & Co., Agents for Dr. Wistar's Balsam of Wild Cherry in Gettysburg. SAMUEL H. BUEHLER, Appointed Agent. Gettysburg, 14, 1841. 1f-35

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE POWER AND THRASHING MACHINES ever put in operation in either of the above counties. The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shops in which they are manufactured are Mount Maria Furnace, near Millerstown, Adams county, and at Indian Springs, near Waynesboro', Franklin county, Pa. All orders will be thankfully received and promptly attended to either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere. J. DONALDSON. August 24, 1841. 1y-22

AN Apprentice to the Printing Business wanted at this Office.

READ WHAT IT HAS DONE.

And if you have a friend, relation, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them to try the BALSA M OF WILD CHERRY, which has cured thousands of this complaint after every thing else had failed. Read the following unadorned testimonials of its efficacy:— Boxborough, Sept. 10, 1841.

Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in the morning than I have for many months. Yours, respectfully, JAMES KELLY. Holmesburg, Sept. 12, 1841.

Friend Wistar—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend, JACOB HOLLOWAY. Bristol, September 8, 1841.

Dear Doctor—Hearing so many people talk about the wonderful cure your Balsam of Wild Cherry has made in Consumption, I sent to you one of your agents the other day for a bottle, and have found it to relieve me so much that I want three bottles more. I feel confident, as I believe it will cure me too. I have used a great many balsams of different kinds, have tried Jayne's Expectorant and other medicines besides, but nothing has ever done me so much good as yours has. Send by the steamboat Baltimore. Yours truly, WILLIAM THOMAS. Philadelphia, Sept. 10, 1841.

ANOTHER LIFE SAVED.

By the extraordinary virtues of that universal medicine, the "BALSA M OF WILD CHERRY," the well-known famous remedy for CONSUMPTION, BRONCHITIS, CROUP, WHOOPING COUGH, &c., as hundreds will testify who have been cured by it after all other remedies had failed.

To Do. H. WISTAR. Dear Sir—In your last letter you ask if your Balsam has been successful in this city. In reply to that enquiry, I can assure you I have never before sold any medicine that has sold so rapidly or been sold with such universal success, as yours has. In some cases it has effected surprising cures, and in others has given great relief after every other remedy had failed. But there is one case that exceeds any I have yet heard of. This was a poor woman that has been afflicted with CONSUMPTION for several years, and had tried every thing in vain. Knowing she was very poor, yet very worthy, I sent her a bottle gratis, which she said relieved her very much. This circumstance was soon made known to a religious society she belonged to, and they immediately presented her with a dozen bottles, which she has also used a part of, and is recovering very fast. She told me a few days since that she had not felt so well for the last year, and believed your medicine was the cause of this great relief. The society have purchased over thirty bottles for different persons, and will no doubt purchase many more as they praise its very highly. Yours, respectfully, S. H. BARTLE & Co. 33 South Fourth street, Philadelphia. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny that they are the most common cases of fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you have only a cold, a slight cough, a little sneezing, or a cold; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and you are obliged to discontinue your work, and in this distressing complaint if, from the life or health, be warned in time, and don't trifle with your COLD, or trust to any quack nostrum to cure you, but immediately procure a bottle or two of that famous remedy, the "BALSA M OF WILD CHERRY," which is known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

Prepared, wholesale and retail, by WILLIAMS & Co. Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Oct. 19, 1841. 6m-30

CROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when the destructive complaint attacks your interesting little children, and often robs you of those you fondly dote on, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, being then comes that fearful COUGH that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "BALSA M OF WILD CHERRY," is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should be particularly on their guard, and give it to them early, by doing so you may often save the life of one you fondly love. Remember this is the famous remedy that distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine had failed.
