PROSPECTUS

Of a New and very cheap Magazine.

On the first of April, will be commenced a New Magazine, (to take the place of the "Pleasant and Budget") under the title—

"The Baltimore Monthly Visitor."

It will be issued with a far neater cover—on good paper and type, and will be composed of closely printed matter—amounting to nearly four hundred pages per volume. Each number will be accompanied by a VERY FINE wood cut, illustrating the natural history and customs of the month for which each number is intended. Each design will be accompanied by both prose and poetic sketches, not only of the general features and holiday customs, but likewise of the agricultural peculiarities of every month. This will be a new feature, and is hoped, will render the "MONTHLY VISITOR" a peculiarly welcome guest on every FARMER'S table. The first number will, likewise, be embellished with an engraving representing Shakespeare's "Taming the Shrew," illustrated by a story from the pen of Charles Lamb, one of the most popular authors England has ever boasted. This plate, and the illustrations of the months, have never appeared in any other magazine.

The quality of the reading matter of the Baltimore Monthly Visitor, may be inferred from the following list of contributors—to which other distinguished names will be, from time to time, added. To instruct and to amuse will be our aim.

CONTRIBUTORS.

Rev. E. Y. Keese, Rev. Leamlor Kuer, Professor J. R. W. Dunbar, Prof. Edward Foreman, Prof. Chapin A. Harris, Dr. C. C. Cox, Dr. James Hamilton, Dr. John Fancien, Dr. J. W. Geyer, Mrs. Lydia Jane Pierson, Mrs. Amelia B. Welby, Miss Esther Wetherald, Author of "The Two Christmases," David Hoffman, Esq. N. C. Brooks, A. M. Mr. M. Topham Evans, Mr. T. S. Arthur, author of the "Subordinate," Mr. J. B. Jones, author of "Wild Western Scenes," &c. Mr. L. T. Vought, Mr. J. Austin Sperry, Mr. J. E. S. Rochester, Mr. Thomas C. Atkinson, Mr. E. C. Squier, Mr. Q. Barbour, George Yellot, Esq. M. S. Lovett, E. Tudor Horton, "Miford Bard," Author of "The Deserted Husband," John Smith of "Joe," Author of "A Doctor's MSS." &c. &c. &c.

In the line of critical notices of new books, a decided improvement will be made upon the plan of the "Phoenix and Budget"—and in the way of stories, an important reform will be adopted, which will abolish the plan of giving long novels continued, provokingly, from number to number.

In order to place the work in the hands of such as may not feel willing to pay the more expensive prices of monthly magazines, the proprietor has determined to publish the work at the extremely low price charged for its planer and unillustrated predecessor. The price will be reduced to \$1 50, for a single copy—fine copies for \$1 00. This is giving about four pages for one cent.

It is desirable to receive orders at once, that we may know how to regulate our issues.

The trade will be served at very liberal rates—extremely anxious, as we are, to extend the usefulness of the work, as widely as possible.

Address, postage paid, "The Proprietor of the Monthly Visitor," At the office of the Saturday Visitor, No. 212 N. Gay street, Baltimore, Md. Feb. 15, 1842.

To the Citizens of Adams County.

FELLOW CITIZENS:—I perceive I stand charged in the "Star," a paper of your county, with three offences. First—with making an attempt to injure the reputation of a medicine, "fictitiously" called Dr. Wistar's Balsam of Wild Cherry. This is positively false. Dr. Wistar's Balsam of Wild Cherry never had a reputation in my jurisdiction. I did say it was fictitious, and I say so still, and I challenge enquiry. Second—I am charged with bolstering up a "Syrup" of Wild Cherry. If it is meant Dr. Swayne's Compound Syrup of Wild Cherry, that medicine has no occasion of bolstering up. It has thousands and tens of thousands to prop it up; its virtue alone would be sufficient if every other prop was cut from under it. My highest aim is to do good, that others may reap the benefit with myself. Third—I am accused with trickery. This is equally false with the rest—which those who know me best can testify. What I would call trickery is coming out under false colours, calling things by names which belong not to them, with a view to give a reputation which they do not deserve. For an individual to make high pretensions to cure the most formidable diseases, without any knowledge of the science of medicine either in theory or practice, is presumptuous in the highest degree. It was years after my medicine was introduced into the sick chamber, and its virtues had become widely known long before others began to catch at the name of "Wild Cherry"—thinking to borrow a reputation from that already established.

DR. SWAYNE.

P. S. The above medicine is eminent ly calculated to cure coughs, colds and all other breast complaints. For further particulars enquire of S. S. Forney, my sole agent for Gattysburg, who keeps it pure and unadulterated, likewise at my office No. 54 North Sixth street, Philadelphia. Feb. 8, 1842. 6t-48

IMPORTANT CAUTION.

BEWARE OF IMPOSITION.—Having noted several remarks attached to the advertisements of a Nostrum called a "Compound Syrup of Wild Cherry"—by which it appears the proprietor of that article is endeavoring to injure the reputation of that invaluable and highly approved medicine—"DR. WISTAR'S BALSAM OF WILD CHERRY"—and to bolster up his miserable preparation by resorting to fiction and falsehoods, we deem it necessary to caution the public against such trickery, and request all those who wish to secure the genuine preparation of Wild Cherry to be very particular when they purchase or they may be deceived and get a very different article.

In order to protect the public from imposition, our rights have been secured, and the genuine medicine will invariably be put up in moulded bottles with the words "WISTAR'S BALSAM OF WILD CHERRY"—blown in the glass, and the signature of Henry Wistar, M. D. on the label without which none is genuine.

HORSE-POWER AND THRASHING MACHINES.

THE Subscriber takes pleasure in announcing that he is now prepared to furnish the Farmers of Adams and Franklin Counties with the best HORSE-POWER AND THRASHING MACHINES ever put in operation in either of the above counties.—The advantages of the Horse-Power are obvious from the fact, that a much greater velocity of the cylinder of the Machine is acquired by a slower walk of the horses than in any other Machine now in use, and having greater leverage and less friction requires lighter draught. The superiority of the Thrashing Machine consists in that of Thrashing more grain in any given time with four men to attend it, than the Machines now in use do with seven men to attend them.

The above powers and Machines are permanently constructed, and will wear much longer than any heretofore offered to the public. The Shays in which they are manufactured are Mount Maria Furnace, near Millersstown, Adams county, and an Indian Springs, near Waynesboro', Franklin county, Pa.

All orders will be thankfully received and promptly attended to at either of the above shops. Farmers and others would do well to examine the above, previous to purchasing elsewhere.

WHAT IT HAS DONE.

And if you have a friend, relative, or know any one that is afflicted with that distressing disease, CONSUMPTION, persuade them to delay no longer in trying that famous and unrivalled medicine, DR. WISTAR'S BALSAM OF WILD CHERRY, which has cured thousands of this complaint after every other medicine had failed.

Read the following undoubted proof of its efficacy:—

Boston, Sep. 19, 1841.

Dear Sir—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have had a great many remedies tried the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully,

JAMES KELLY.

Holmesburg, Sept. 18, 1841.

Friend Wistar—I must again trouble thee to send me two more bottles of thy Balsam of Wild Cherry. I have had it done more than once, but I have not been cured by it after all other remedies. I have tried Dr. Wistar's Balsam of Wild Cherry, but nothing has done me as much good as yours has. Send by the next boat to Baltimore. Yours truly,

WILLIAM THOMAS.

Bristol, September 8, 1841.

Dear Doctor—Hearing of many people talk about the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds, have tried Dr. Wistar's Balsam and other medicines besides, but nothing has done me as much good as yours has. Send by the next boat to Baltimore. Yours truly,

WILLIAM THOMAS.

Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, BRONCHITIS, COUGHS, CROUP, WHOOPING COUGH, &c. as hundreds will testify who have tried the very particular medicine for DR. WISTAR'S BALSAM OF WILD CHERRY. Sold wholesale and retail by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle.

ANOTHER LIFE SAVED.

By the extraordinary virtues of that invaluable medicine, the "BALSAM OF WILD CHERRY," the well known famous remedy for CONSUMPTION AND LIVER COMPLAINTS, COUGHS, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c.

Boston, June 16, 1841.

To DR. H. WISTAR:

Dear Sir—In your last letter you ask if my Balsam has been successful in my case. It certainly has. I can assure you I have never before sold any medicine that has sold so rapidly or been used with such universal success, as yours has. In some cases it has effected surprising cures. I have in others given great relief to every other remedy that has failed. But there is one case that excels any I have yet heard of. This was a poor woman that has been afflicted with CONSUMPTION for several years, and has tried every other medicine. She was a religious woman, and she was very worthy. I sent her a bottle gratis, which she said relieved her very much. This circumstance was soon made known to a religious society she belonged to, and a dozen bottles, directly presented her with it, and she recovered very fast. She told me a few days since that she did not feel so well for the last year, and told me she had given up all hope of recovery. I sent her a bottle of your Balsam, and she recovered very fast. The same society have purchased over thirty bottles for different persons, and will no doubt purchase many more as they praise it very highly.

Yours, respectfully,

WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia.

COUGHS & COLDS.

THE CAUSE OF CONSUMPTION.—Simple as these complaints are usually considered, no one can deny their being the most common cause of this fatal and distressing disease. It is indeed a melancholy truth, that thousands of victims to Consumption every year from no other cause than NEGLECTED COLDS. Yet we find hundreds, who thousands of dollars have spent in vain, with the greatest indifference, and not then run on for weeks and even months without thinking of the danger. At first you cough or cold; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your lungs, and you become hoarse, have pain in the side or chest, expectorate a large quantity of matter, perhaps mixed with blood, a difficulty of breathing ensues, or you find your own foolish neglect has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your COLD, or trust to any quack nostrum to cure you, but immediately purchase a bottle of that famous remedy, the "BALSAM OF WILD CHERRY," which is known to be the most speedy cure ever known, as thousands who testify whose lives have been saved by it.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of the same advertised entirely a different medicine.

Prepared, wholesale and retail, by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle.

GROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when that distressing complaint attacks your interesting little children, and often robs you of those you love and dear ones, and carries hundreds to the grave. Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and the countenance is pale. COUGHS that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "BALSAM OF WILD CHERRY," is well known to be the most speedy cure ever discovered.

It is indeed a precious remedy, and should be used in all cases of this kind. It is safe and innocent, and every one who gives it to a child, will find it to be a most valuable and quick restorer to safety and health. Every mother who loves her children should always keep in the house and give it to them early; by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Henry Wistar, which has cured thousands of children.

Be very particular when you purchase to ask for "DR. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of the same advertised that is entirely a different medicine. Prepared only by WILLIAMS & Co., Chemists, No. 33 South Fourth street, Philadelphia. Price \$1 00 a bottle.
