**Important Notice!**

**COBEAN'S NEW PATENT COOK STOVE.**

THE Subscriber has just finished and put in operation a NEW PATENT COOKING STOVE, which he considers equal if not much superior to any other article of the same kind now in use. The wants of the community have been the cause which induced the inventor to take this matter in hand, and he flatters himself that he has accomplished that which others have failed to do, by producing an article which must and will be a great saving to every family that uses it. This Stove will suit large or small families and can be kept up with LESS FUEL and LABOR than the Hathaway or any other Stove now being used. Washing, Baking, Ironing, Cooking and in fact all the culinary operations of a large family can be kept going at one and the same time, without any extra trouble to the person attending it. Besides the saving of fuel, the difference in the prices of this stove is a material consideration, being at least twenty per cent. less than the "Hathaway" Stove. A. COBEAN. April 26, 1845. 1f-6

**HATHAWAY COOK STOVES.**

THE undersigned, having purchased the Patent Right of these celebrated COOK STOVES, for the counties of Adams and Carroll, are now ready to supply any person wanting the article, at all times—they will keep constantly on hand, a large stock of the different sizes, and deliver them at all times to any persons purchasing—also, on hand for sale all the different kinds of Cook Stoves. T. WARREN & CO. Gettysburg, May 11, 1844. 1f-8

**NOTICE.**

THE public is hereby respectfully informed, that I have consented to keep on hand an assortment of the publications (Tracts and Books) of The American Tract Society, for the purpose of supplying all such as may desire to procure the same. I have also left a quantity of these publications at the stores of S. H. Buehler and S. S. Forney, where all calls will be attended to. JOSEPH WELKER, Agent. Seminary, Gettysburg, Aug. 16. 1f-22

**TO CITY & COUNTRY BUYERS.**

THE attention of buyers of Dry Goods from the city and country, is respectfully invited to a lot of NEW GOODS, now opening, and which will be sold at exceedingly low prices. PRINTS; Bleached MUSLINS; Brown Muslins; Tickings; CAMBRICS; Omburgs; Plaid Cottons; Checks; FLANNELS; Sattinetts; Linsays; Kerseys; Kentucky Jeans; Cotton Yarn; Carpet Cloth; Wadding, &c., &c. FORD, STANNARD & CO., corner Baltimore and Liberty streets, Baltimore. July 26, 1845. 3m-19

**NOTICE To Collectors and Tax-payers.**

YOU are hereby notified that, according to existing laws, the Taxes, both State and County, are required to be paid on or before the 1st day of January next—otherwise interest will be chargeable to all delinquents in the payment of State Taxes. Reference for information may be had to the 40th and 42d Section of the Revenue Law, passed in 1844. A part of the Section provides that "Any State Tax remaining unpaid by any individual or corporation, after said tax is due and payable by said County to the Common wealth, shall bear an interest of six per cent, and be a lien on the estate in which it is charged, till fully paid and satisfied." By order of the Commissioners, J. AUGHINPAUGH, Clerk. COMMISSIONER'S OFFICE. Gettysburg, Oct. 10, 1845. }

**SUPERIOR COOK STOVE.**

THE attention of the public is respectfully called to S. BENTZ'S Superior Cook Stove as an article superior to any yet offered to the public for cooking purposes. It was got up expressly to answer the wants of the Farmer, and will not fail to please all who may require a good sized COOK STOVE. One of the many advantages possessed by this Stove is, that water, apple-butter, clothing, &c. can be boiled in a large copper kettle at the same time, whilst cooking is doing for 20 or thirty persons. It is decidedly superior for BAKING—the heat being completely under the control of the cook, who can apply it to the bottom as well as to the top of the oven, and thus bake with perfect regularity. It is unnecessary to give any further detail of its advantages. Please refer to the subjoined certificate from Wm. F. Elliott, Esq. Patent Agent, of Washington City.—Many testimonials equally flattering could be furnished, but this may suffice. Those who want a superior Cook Stove, will do well to try this article—they are warranted or no sale. S. BENTZ. Boonsboro, Md., May 19, 1843. Washington, May 3, 1843.

**Dear Sir:—**

I have tried the Cooking Stove that you sent me, and am well pleased with its performance. My expectations are more than realized. I believe it will perform more cooking in less time, and with less fuel than any of the various Cooking Stoves that I have tried during 25 years' connection with the Patent Office. Its merits need only be more generally known to insure its fame throughout the country. I am at length satisfied in the culinary department of my domestic establishment—for which I acknowledge myself indebted to your genius and enterprise. I remain very respectfully, yours, &c. WM. P. ELLIOTT, Patent Agent.

**THIS DAY APPOINT J. D. PAXTON & Co., my AGENTS for the State of Pennsylvania, for the sale of Territory and otherwise, of my Cook Stove.**

Samuel Bentz, September 17, 1843.

**FARMERS AND OTHERS**

Are respectfully informed that the undersigned have now on hand, and are manufacturing the above Stoves, so that they are now prepared to fill all orders with which they may be favored, upon the shortest notice. J. D. PAXTON & Co. Calcedonia, Franklin co., Sept. 20, 1845. 1f

**BRANDRETH PILLS.**

THE BRANDRETH PILLS as a general family medicine, especially in a country so subject to sudden changes of temperature as this, are absolutely invaluable. By having the Brandreth Pills always on hand, should a sudden attack of sickness take place, they can be given at once, and will often have effected a cure before the physician could have arrived. Now, Brandreth's Pills not only purify the blood, but they lessen the quantity, and at the same time make the quality better. They only take the worn-out parts from the blood, those which, if retained, would be a source of disease. The good effects which are derived from Brandreth's Pills have to be felt in order to be believed. The seeds of decay can be constantly eradicated, by their use, and the Principle of Life—the Blood, strengthened. Thus prolonging vigor of body and mind to a period when we have been accustomed to see the faltering step and the enfeebled intellect. In all cases of Indigestion, Worms, Asthma, Diseases of the Heart, and in all affections of the Stomach and Bowels, the Brandreth Pills will be found a never-failing remedy. To insure the full benefit of these celebrated Pills, they should be kept in the house, so that upon the first commencement of sickness they may be at once resorted to. One dose thus is better than a dozen after the disease has become established in the system. The Brandreth Pills are purely vegetable, and so innocent that the infant of a month old may use them, if medicine is required, not only with safety, but with a certainty of receiving all the benefit medicine is capable of imparting. Females may use them through all the critical periods in their lives; and the Brandreth Pills will insure their health, and produce regularity in all the functions of life. Guard well against counterfeit Pills. To avoid them, observe your securities: SECURITY No. 1. Each Agent who sells the Genuine Brandreth Pills has a CERTIFICATE of AUTHORITY, which has been engraved at a vast expense. It represents the Manufacturer at Sing Sing, on the banks of the Hudson river, and is signed by Dr. Brandreth, with his seal stamped upon the paper. SECURITY No. 2. Above all observe the labels upon the boxes—Each box of the Genuine Pills has now THREE LABELS upon it. The top and the bottom labels contain upwards of 5000 letters in RED INK, the words BENJAMIN BRANDRETH'S PILLS is printed over 200 times upon the two labels. The above justly celebrated Pills can be procured of the following persons, who are the only authorized agents for the county of Adams, Pa. AGENTS. John M. Stevenson, sen. Gettysburg, Abraham King, Hunterstown, M'Sherry & Fink, Littlestown, J. B. McCreary, Gettysburg, Cook & Girton, Hampton, A. M'Farlan, Abbotstown, Mary Duncan, Cashtown, J. Hildebrand, East Berlin. Note.—Dr. Benjamin Brandreth has never authorized any Doctor, Druggist or Apothecary or Pedlar in the United States, to sell his Medicines.—The Brandreth Pills sold by them are Base Counterfeits. The above Genuine Pills can be procured Wholesale or Retail of J. M. STEVENSON in Gettysburg. Oct. 17.
