COMMUNICATED.

To the Officers elect of Adams County, on the Second Tuesday of October last.

Gentlemen, Priends, and Fellow-Citizens: I cannot forbear paying you the tribute of my high respect, sirs, for the great sagacity and marked ability which you have all displayed during the whole of our campaign. I cannot too highly welcome you in taking the chair, and entering upon your official duties. Your achievements, your valor, and your devotion to liberty, virtue and morality, have adorned your lives .-We were stript, three years ago, of our essential rights, and you have arisen in our midst, as good and trusty men, in whom the public confidence centred, and by whom the freemen of old Adams county are to be represented in council-men, whose lives are the pride and ornament of this county, and whose actions will fill the brightest pages in its history.

For the stars and stripes are planted there—they never shall give way; We strove not for the lust of gain, nor combatted for spoils,

But for the boon of freedom, boys; that crowned our fathers' toils. And now the wars are over, and all our rights maintained.

We'll cherish all the noble ones, who have our battles gained. Gentlemen, I, as envoy extraordinary

and plenipotentiary, in behalf of the heirs Are respectfully informed that the undersigned of Uncle Sam's property in the county of have now on hand, and are manufacturing the a Adams, advertised, on the 26th of September last, five Houses to let, it being part of Uncle Sam's property—and I see you have

Besides, you have furnished me with the most conclusive evidence, through the medium of the ballot boxes, of your competency to manage the affairs of Uncle Sam, and I shall now enter into an article of agreement with you, that you are to do the following works, viz: Old Ben is to into the borough of Gettysburg, (taking care not to run against Ziegler's watering trough) and then you will all take your posts as goon as the law will admit. You are to clear off all the rubbage that has grown up within the last three years; you were to make the fonces all in good and permanent order, in the following manner:you will tay the bottom with Whig measures; you will lay it up against Annexation; you will stake it with Distribution, and rider it with Protection, so that the Locofocos can't break in and destroy our pasture." And in consideration for the above works you shall have all the law allows.

I now bid you all adieu, (including the Cabin Hoys and Old Blacksmith, until Pills, they should be kept in the house, so that our next cumpaign, and I shall be with you upon the first commencement of sickness they again.

#### Oct. 20, 1845. SUPERIOR COOK STOVE.

THE attention of the public is respectfully called to S. BENTZ'S FARMER'S COOK STOYE as an article superior to any yet offered to the public for cooking purposes. It was got up expressly to answer the wants of the Farmer, and will not To linger for time on this earth's cheerless waste; fail to please all who may require a good sized COOK STOVE. One of the many advantages possessed by this Stove is, that water, apple-butter, clothing, &c. can be boiled in a large copper Henry Myers, kettle at the same time, whilst cooking is doing Henry Mayer, Esq., for 20 or thirty persons. It is decidedly superior for naking—the heat being completely under the control of the cook, who can apply it to the bottom as well as to the top of the oven, and thus bake with perfect regularity. It is unnecessary to give any further detail of its advantages. Please refer to the subjoined certificate from Wm. F. El-September, 20, 1845. liott. WASHINGTON, May 3, 1843.

To Samuel Bentz, Esq.,

Dear Sir:—I have tried the Cooking Stove that you sent me, and am well pleased with its performance. My expectations are more than realized. I believe it will perform more cooking in less time, and with less fuel than any of the various Cooking Stoves that I have tried during 25 years' connection with the Patent Office. Its merits need only be more generally known to insure its fame throughout the country. I am at length satisfied in the culinary department of my domestic establishment-for which, I acknowledge myself indebted to your genius and enterprise. I remain very respectfully, yours, &c.,

#### BRANDRETH PILLS.

THE BRANDRETH PILLS, as a general family . medicine, especially in a country so subject to sudden changes of temperature as this, are absolutely invaluable. By having the Brandreth Pills atways on hand, should a sudden attack of sickness take place, they can be given at once, and string out Uncle Sams' team, and drive it will often have effected a cure belore the physician could have arrived.

> Now, Brandreth's Pills not only purify the blood, but they lessen the quantity, and at the same time make the quality better. They only take the worn-out parts from the blood, those which, if retained, would be a source of disease. The good effects which are derived from Bran dreth's Pills have to be felt in order to be believe ed . The seeds of decay can be constantly eradica ted, by their use, and the Principle of Life-The Blood, strengthened. Thus prolonging vigor of body and mind to a period when we have been accustomed to see the faltering step and the enfeebled intellect.
>
> In all cases of Indigestion, Worms, Asthma, Diseases of the Heart, and in all affections of the

> Stomach and Bowels, the Brandreth Pills will be found a never-failing remedy.

To insure the full benefit of these celebrate may be at once resorted to. One dose then is better than a dozen after the disease has become es tablished in the system,

The Brandreth Pills are purely vegetable, and

so innocent that the infant of a month old may use them, if medicine is required, not only with safety, but with a certainty of receiving all the benefit medecine is capable of imparting. Females may use them through all the critical periods in their lives; the Brandreth Pills will insure their health, and produce regularity in all the functions of life.

Guard well against counterfeit Pills. To avoid them, observe your securities:
