A Periodical unsurpassed in beauty, interest and excellence.

PROSPECTUS OF THE FIFTH VOLUME OF

Arthur's Magazine
Of Elegant Literature and Art.

Published monthly. Embellished with three Steel Plates in each number, by the very best Artists, and sustained in its Literary Department by the most eminent and talented writers in our country.

Price \$3 per annum, Payable in Advance.
2 copies \$5.

THE publishers of Arthur's Magazine have not only determined to place their magazine side by side with the very best periodicals in the country, but actually to make it superior in typographical and artistic beauty, and literary excellence to any similar work now published. In order to do this they have taken measures to secure the very best talent in the country, both in literature and art.

The general scope of a literary periodical is so well known, that neither time nor space need be consumed here, in setting it forth.

As a guaranty for the interest and excellence of this work, it is only necessary to enumerate a few of the writers from whom articles for its pages may be expected.

| Kate Cleveland, | Dr. Robert Arthur, |
| Mrs. E. C. Embury, | W. D. Gallagher, |
| Mrs. Eliza Dupuy, | Miss Mary Hemple, |
| Henry B. Hirst, | &c. &c. |

These and other distinguished writers will, in connection with T. S. Arthur, the Editor, put forth their best efforts in the cause of American Periodical Literature, and give to this magazine a character for vigorous thought, gracefulness, deep interest, and high moral excellence, heretofore unattained by any similar work in the country.

In the Pictorial Department the same high standard will be set up. None but the finest steel engravings will be used, and the subjects will be chosen with the greatest care. During the year 1846 there will be given a series of exquisitely engraved plates of American scenery, from original pictures, engraved expressly for the publishers of this work by the very best artists that can be procured. Many of these will be Western and Southern views, chosen for their peculiar beauty, and made interesting by their connection with historical or legendary incidents. In this department Arthur's Magazine will be unsurpassed.

Three Exquisite Steel Engravings, in each number, will certainly be given, and many of these will be from original American pictures, or from the compositions of the most eminent artists.

The publishers of this work hardly feel it to be necessary to put forth pledges and promises. The public know how well they have heretofore kept their faith—how fully they have redeemed, and more than redeemed their pledges.

As a whole, the publishers believe that no Magazine in the coming year can possess more attractive features than will be given to Arthur's Magazine, and in this belief, they present their claims for public favor in the confidence that they will deserve it.

All who wish to see the January number as a specimen of the new volume can have it sent to them early in December, free of charge, by writing to the publishers, post paid.

All letters containing the price of the Magazine for one year, can be sent at our cost for postage; but all letters that do not contain money must be post paid to insure attention.

TERMS.
One copy per annum, \$3 00
Two copies per annum, 5 00
Five do. do. 10 00

It will be seen by the above low terms, that Arthur's Magazine, to clubs of five individuals, can be obtained for \$2! This makes it the cheapest Magazine in the country, (and the publishers pledge themselves that it shall be the handsomest and the best.)

DIAMOND TONSOR.

S. R. TIPTON.

FASHIONABLE Barber and Hair-Dresser, has removed his "Temple" to the Diamond, adjoining the County Buildings, where he can at all times be found prepared to attend to the calls of the public. From long experience he flatters himself that he can go through all the ramifications of the Tonsorial departments, with such an infinite degree of skill as will meet the entire satisfaction of all who may submit their clippings to the keen order of his razor. He hopes, therefore, that by attention to business and a desire to please, he will merit as well as receive a liberal share of public patronage. The sick will be attended to at their private dwellings.

Oct. 10.

SUPERIOR COOK STOVE.

THE attention of the public is respectfully called to S. BENZ'S FARMER'S COOK STOVE as an article superior to any yet offered to the public for cooking purposes. It was got up expressly to answer the wants of the Farmer, and will not fail to please all who may require a good sized COOK STOVE. One of the many advantages possessed by this Stove is, that water, apple-batter, clothing, &c. can be boiled in a large copper kettle at the same time, whilst cooking is doing for 24 or thirty persons. It is decidedly superior for a kitchen—the heat being completely under the control of the cook, who can apply it to the bottom as well as to the top of the oven, and thus take with perfect regularity. It is unnecessary to give any further detail of its advantages. Please refer to the subjoined certificate from Wm. F. Elliott, Esq., Patent Agent of Washington City. Many testimonials equally flattering could be furnished, but this may suffice. Those who want a superior Cook Stove, will do well to try this article—it is warranted or not to die.

S. BENZT.

Boon-shore, Md., May 19, 1843.

WASHINGTON, May 3, 1843.

To Saml Benz, Esq.,
Dear Sir:—I have tried the Cooking Stove that you sent me, and am well pleased with its performance. My expectations are more than realized. I believe it will perform more cooking in less time, and with less fuel than any of the various Cooking Stoves that I have tried during 25 years' connection with the Patent Office. It merits its name only more generally known to insure its use throughout the country. I am at length satisfied in the culinary department of my domestic establishment—for which I acknowledged myself indebted to your genius and enterprise.
I remain very respectfully, yours, &c.
WM. F. ELLIOTT, Patent Agent.

771 THIS DAY APPOINT J. D. PANTON & Co., my AGENTS for the State of Pennsylvania, for the sale of Territory and otherwise, of my Cook Stove.

FARMERS AND OTHERS

Are respectfully informed that the undersigned have now on hand, and are manufacturing the above Stoves, so that they are now prepared to fill all orders with which they may be favored, upon the shortest notice.

Protection Against Loss by

THE "Cumberland Valley Mutual Protection Company," being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, John Moore, David W. McCullough, James Weakly, William Moore, Samuel Galbraith, Thomas Paxton, A. G. Miller, Philip Spangler, Samuel Woods, Abraham Kurtz, George Brindle, and Scott Cagle, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

- 1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.
- 2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnify against losses which may happen.
- 3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.
- 4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be \$50 on the \$1000, for which he will have to pay \$2 50 for five years, and \$1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.
