HENRY KAUFFELT.

HERR'S HOTEL, Harrisburg, Pa.

I BEG leave to inform the Public that I
have left Philadelphia, and am now
located in Harrisburg, the seat of the Ex-

ania, where I now occupy the
WELL KNOWN

HOTEL, recently kept by Mr. MATHEW WILSON.

This spacious building having been pur-
posely planned and erected for a Hotel of
the first class, is not surpassed, if equalled,
by any establishment in Pennsylvania, and
having undergone a thorough renovation,
the Parlors, Rooms and Chambers are now
fitted up in a style that combines elegance
with comfort and convenience.

My Table is pledged to be supplied with
the best fare the Markets can produce; the
charges at the same time being as moderate
as any of the best regulated establishments
elsewhere. In short, no exertions shall be
spared on my part, or on the part of every
member of my household, to make it what
it should be, in the Capital of one of the
most populous, wealthy and interesting
States of the Union.

With these promises, accommodations
and facilities, and the fact that the Hotel is
most eligibly situated, with confidence I
most respectfully solicit the patronage of
the public.

S. R. TIPTON.
FASHIONABLE Barber and Hair-
Dresser, has removed his "Temple"

prepared to attend to the calls of the public.
From long experience he flatters himself
that he can go through all the ramifications
of the Tonsorial departments, with such an
infinite degree of skill as will meet the en-
tire satisfaction of all who may submit their
chins to the keen ordeal of his razor. He
hopes, therefore, that by attention to busi-
ness and a desire to please, he will merit
as well as receive a liberal share of public
patronage. The sick will be attended to at

SUPERIOR COOK STOVE.

Attention of the public is respectfully cal-
led to S. BENTZ'S FARMER'S COOK STOVE as
an article superior to any yet offered to the public
for cooking purposes. It was got up expressly
to answer the wants of the Farmer, and will not
fail to please all who may require a good sized
COOK STOVE. One of the many advantages
possessed by this Stove is, that water, apple-but-
ter, clothing, &c. can be boiled in a large copper
kettle at the same time whilst cooking is doing
for 20 or thirty persons. It is decidedly superior
for BAKING—the heat being completely under the
control of the cook, who can apply it to the bot-
tom as well as to the top of the oven, and thus
bake with perfect regularity. It is unnecessary
to give any further detail of its advantages. Please
refer to the subjoined certificate from Wm. F. El-
liott, Esq., Patent Agent of Washington City. Many
testimonials equally flattering could be fur-
nished, but this may suffice. Those who want a
superior Cook Stove, will do well to try this arti-
cle—they are warranted or no sale.

S. BENTZ.
Boonsboro', Md., May 19, 1843.

WASHINGTON, May 3, 1843.
Dear Sir—I have tried the Cooking Stove
that you sent me, and am well pleased with its
performance. My expectations are more than
realized. I believe it will perform more cooking
in less time, and with less fuel than any of the
various Cooking Stoves that I have tried during 25
years' connection with the Patent Office. Its mer-
its need only be more generally known to insure
its fame throughout the country. I am at length
satisfied in the culinary department of my do-
mestic establishment—for which I acknowledge
myself indebted to your genius and enterprise.

Remains very respectfully, yours, &c.,
WM. F. ELLIOTT, Patent Agent.

THIS DAY APPOINT J. D. PAXTON
& Co., my AGENTS for the State of Pennsylv-
ania, for the sale of Territory and otherwise, of
my Cook Stove. SAMUEL BENTZ.

ove Stoves, so that they are now prepared, to fill
all orders with notice which may be favored, upon
the shortest notice.

Protection against Loss by FIRE.

THE "Cumberland Valley Mutual Protection
Company," being incorporated by an act of
the Legislature, is now fully organized and in
operation under the direction of the following Board
of Managers, viz: Thomas C. Miller, John Moore,
David W. McCullough, James Weakly, William
Moore, Samuel Galbraith, Thomas Paxton, A. G.
Miller, Philip Spangler, Samuel Woods, Abraham
Kurtz, George Brindle, and Scott Coyle, call the
attention of the inhabitants of Cumberland and
Adams counties, to the cheapness of the rates, and
the many advantages which this kind of insurance
has over any other.

1st. Every person insured becomes a member
of the company, and takes part in the choice of
officers and the direction of its concerns.

2d. For insurance no more is demanded than is
necessary to meet the expenses of the Company
and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is
avoided by insuring for a term of five years.

4th. Any person applying for insurance must
give his premium note for the cheapest class at
the rate of 5 per centum, which will be \$50 on
the \$1000, for which he will have to pay \$2 50
for five years, and \$1 50 for survey and policy,
and no more unless loss be sustained to a greater
amount than the funds on hand will cover, and
then no more will be required than a pro rata
share. These rates are much cheaper than those
of other companies, except such as are incorpo-
rated on the same principles.
