**LITERATURE FOR 1846.**

**The South's Literary Messenger**

IS a monthly periodical, devoted to every department of Literature and the Fine Arts. It has been established more than 11 years, during which time it has stood at the head of American periodicals. It is published in the neatest style, and contains a great variety of interesting and instructive reading;—differing widely from a majority of our publications, in the solidity and utility of its contents.

Novels, Tales, Poems, Travels, Essays, Critiques, Reviews, Historical and Biographical Sketches, Papers on the Army, Navy, General Politics, and other National interests adorn its pages.

To the South and West it confidently appeals for support. Whilst it is distinctly the friend and advocate of the South and West, it is not sectional, having always circulated quite widely in the North and East, and having imparted a higher National Character to the Periodical Literature of the United States; Its motto is

"In the Union and for the Union! In the South and for the South!"

But the South and West should especially cherish it as it is the only Literary Journal of long and high standing, within all their wide borders, and has vindicated and promoted their rights and interests. During another year it will seek to extend its usefulness and fame, and solicits the increased patronage of the public; and also invokes the aid of its present patrons in extending its circulation.

Its contributors are numerous—embracing professional and Amateur Writers of the first distinction. To the present efficient corps, new writers will be added, and neither trouble nor expense will be spared to make the work eminently worthy of patronage.

The twelfth volume of the Messenger, number CXXXIV, will commence on the 1st of January, 1846. Each number contains 64 Super Royal Octavo pages. It makes during the year a large and elegant volume.

**REDUCTION OF POSTAGE.**—In order to reduce the postage as much as possible, the Messenger will be published on lighter paper; but of the best quality. Subscribers are invited to send in their orders on the following liberal terms:

Single copy, 5¢ per annum. Club of Two, 9, or \$1 50 per copy. Club of Five, 20, or 4 00 " Club of Ten, 35, or 3 50 "

**SUPERIOR COOK STOVE.**

THE attention of the public is respectfully called to S. BENTZ'S FARMER'S COOK STOVE as an article superior to any yet offered to the public for cooking purposes. It was got up expressly to answer the wants of the Farmer, and will not fail to please all who may require a good sized COOK STOVE. One of the many advantages possessed by this Stove is, that water, apple-butter, clothing, &c. can be boiled in a large copper kettle at the same time, whilst cooking is going for 20 or thirty persons. It is decidedly superior for BAKING—the heat being completely under the control of the cook, who can apply it to the bottom as well as to the top of the oven, and thus bake with perfect regularity. It is unnecessary to give any further detail of its advantages. Please refer to the subjoined certificate from Wm. P. Elliott, Esq., Patent Agent of Washington City. Many testimonials equally flattering could be furnished, but this will suffice. Those who want a superior Cook Stove, will do well to try this article—they are warranted or no sale.

S. BENTZ, Boonsboro', Md., May 19, 1843.

WASHINGTON, May 3, 1843.

Dear Sir:—I have tried the Cooking Stove that you sent me, and am well pleased with its performance. My expectations are more than realized. I believe it will perform more cooking in less time, and with less fuel than any of the various Cooking Stoves that I have tried during 25 years' connection with the Patent Office. Its merits need only be more generally known to insure its fame throughout the country. I am at length satisfied in the culinary department of my domestic establishment—for which I acknowledged myself indebted to your genius and enterprise. I remain very respectfully, yours, &c., Wm. P. ELLIOTT, Patent Agent.

THIS DAY APPOINT J. D. PAXTON & Co., my AGENTS for the State of Pennsylvania, for the sale of Territory and otherwise, of my Cook Stove. SAMUEL BENTZ, September 17, 1843.

**FARMERS AND OTHERS**

Are respectfully informed that the undersigned have now on hand, and are manufacturing the above Stoves, so that they are now prepared to fill all orders with which they may be favored, upon the shortest notice. J. D. PAXTON & Co., Caledonia, Franklin co., Sept. 29, 1843. if

**Protection against Loss by FIRE.**

THE "Cumberland Valley Mutual Protection Company," being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, John Moore, David W. McCullough, James Weakly, William Moore, Samuel Galbraith, Thomas Paxton, A. G. Miller, Philip Spangler, Samuel Woods, Abraham Kirtz, George Brindle, and Scott Cople, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be \$50 on the \$1000, for which he will have to pay \$2 50 for five years, and \$1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principle.

THOMAS C. MILLER, PRESIDENT. A. G. MILLER, Sec'y.

**PERJURY AND FALSEHOOD!**

Caution to Editors, Dealers, and the Public generally.

WITHIN a few months past, there has come to light a series of the most barefaced and malicious falsehoods that ever disgraced humanity—put forth ostensibly to injure an inoffensive and worthy citizen. Read and judge, fellow-citizens, for yourselves.

An ignorant, but artful young man, by the name of C. V. Clickener, (an Englishman, we believe,) succeeded in obtaining employment as Travelling Agent for Dr. Brandreth, who in the course of time discharged him (as he affirms) for dishonesty. He then set up making Pills in connection with another Agent, who soon had to put an injunction upon his partner, said C. V. Clickener, when the latter, finding himself cut off from all old quarters, turned his attention to some new field of villany. Seeing the success of Dr. G. BENJAMIN SMITH'S "Sugar Coated Indian Vegetable Pills," he came to Dr. S. and solicited the agency, and failing in which, he got hold of all the old Pills he could, which had been put out by himself and his Partner, put on a sort of sugar coating, and sent them through the country. This is the history of the fellow and his "Sugar Coated Pills." Now, after being put down in New York, this incorrigible young scoundrel privately gets up a Circular, called "Family Doctor," in which are published the grossest falsehoods, and also a PERJURY, and fearing to distribute or Advertise in New York, he hastens from the city to Ohio and Indiana, leaving an agent to send the papers of falsehood to our agents through the country. The first intimation that Dr. Smith had of their existence, one came enclosed as follows, from our agent, one of the most respectable merchants in Boston:

Boston, June 26th, 1845.

Dear Sir:—The object of the present is to inform you that a small paper called "Family Doctor," has been gratuitously circulated in this city, by C. V. Clickener, a discharged agent of Dr. Brandreth. I enclose you one. I more particularly refer you to the last page. I am preparing matter for the press, and will soon silence him, as he has no character to lose. I am disposed to spend ten thousand dollars, rather than not have the matter righted, as I know yours is the standard medicine.

Yours, very respectfully, ISAAC P. CLARK, 2 Water street. LETTER FROM GEO. F. THOMAS, Cincinnati, June 25th, 1845.

Dear Sir:—My object in writing to you at this time, is to inform you that C. V. CLICKENER is in this city, and trying to advertise his pills. Your Pills have sold exceedingly well here, and are likely to continue to sell. I told this Clickener I myself would have nothing to do with his pills, and also warned him against saying any thing about your pills. I told him we would not be the aggressors, but we were able and would defend ourselves; that I was acquainted with his manner of doing business, and would act accordingly; that I was your agent, and resolved that you should have justice done you, and that I would interest myself in your pills as if they were my own.

You will please answer this by return of mail, instructing me what to do, &c. Yours, respectfully, G. F. THOMAS.

So it seems this Clickener, the great "Chemist," is an itinerant pedlar—that he induced H. O. Bush, 79 Barclay street, to act as his agent—but the sign is now down—at Mr. Bush's Store.

Now for Facts, Dates, &c. This Clickener swears that "Dr. Smith called at his place in June 1844, when the deponent and others were making his (Clickener's) "Sugar Coated" Pills, which had then been several months before the public, and were commanding an immense sale; that Dr. Smith took up one Pill, asking what it was. On being told, he (Dr. S.) declared it was the first thing of the kind he ever saw," &c. Clickener further deposed, that he never saw or knew any thing, save by his reputation as a counterfeiter, &c., of Dr. Smith, until the 5th of June mentioned in the affidavit.

We could not believe the above was sworn to, until we went to the Commissioner and found it was so, when it was at once pronounced a perjury; and measures were taken to arrest him wherever he may be found.

The following overwhelming proofs of his falsehoods and baseness have been voluntarily furnished Dr. Smith: Sworn before the Mayor, State of New York, City and County of New York, ss.

In the spring of 1841, about the first of May, a young man calling himself C. V. Clickener called at my store, and after remaining a short time, Dr. G. Benjamin Smith came in, when I introduced them. Said Clickener, being a travelling agent, made some proposition to Dr. Smith to take out his (Dr. Smith's) Pills. They then left my store for Dr. S.'s house, avowedly to consult upon the matter. At this time I knew said Dr. Smith had made his "Sugar Coated Pills" about one year, and that said Clickener had made none to my knowledge. In the course of about a month said Clickener applied to me (being a wholesale Confectioner) to coat some Pills with sugar for him, stating he was about to get some up.

H. N. WILD, 451, Broadway, N. York. Sworn before me, this 30th day of June, 1845. W. F. HAVENMEYER, Mayor.

Clickener swears he never saw Dr. Smith, until the 5th of June, 1844, when he applied for the agency of his Pills in May, 1844. The following Certificate is from the first Druggists and others in N. York, given in 1844, making it two years ago:

New York, June 10th, 1844. We, the undersigned, never saw or heard of "Sugar Coated Pills," until Dr. G. BENJAMIN SMITH manufactured and exhibited them to us about a year ago. RUSHTON & CO., 110 Broadway, and 15 Astor House. ISRAEL RANDOLPH, M. D., 86 Liberty street. HORACE EVERETT, Druggist, 96 Hudson street. JOHN CASTREE, 97 Hudson street.

Also, refer to Gen. C. W. SANDERFORD, 12 Warren street, N. Y. and Dr. T. W. DYOTT & SONS, of Philadelphia. Also hundreds of Agents. Oath before the Mayor, in 1844.

State of New York, City and County of New York, ss. G. Benjamin Smith, within named, being duly sworn, deposes and says, that he is a citizen of the United States, and resides in the city of New York; and that he is the original inventor of the within mentioned "Sugar Coated Pills;" and that to his knowledge or belief, the said pill has never been manufactured or sold by any person except by himself or his authority; and that the statements contained in the within paper are true. G. BENJAMIN SMITH.

Sworn before me, this 14th day of June, 1844. JAMES HARPER, Mayor of the City of New York. The above was sent to Washington with our specification and application for a Patent—the following is the reply:

PATENT OFFICE. Received this 17th day of June, 1844, from Dr. G. Benjamin Smith, the fee of \$300 paid on his application for a Patent for a "Pill Coated with Sugar." H. L. ELLSWORTH, Commissioner of Patents. Oath in 1844.

Made about the day Clickener began to make his miserable imitation. City and County of New York, ss. G. Benjamin Smith, of N. York being duly sworn, deposes and saith, that he is the sole inventor, and first manufacturer of "Sugar Coated Pills," and that he has made them more than one year. He further saith that C. V. Clickener, of N. York, came to him about two months since, for the purpose, as he said, of obtaining the agency for said Pills and other medicines; that said Clickener asked for a box of said Pills—which were given him—and stated that they were the first he had ever seen.

Sworn before me this 17th day of June, 1844. CHAS. W. SANDFORD, Commissioner of Deeds, N. York. Clickener has now the hardihood to claim a patent for his Pills. We wrote to Washington on the 19th of November, 1844, and received this reply, long after he pretended to have a patent, &c.:

PATENT OFFICE. Dear Sir:—Yours of the 19th, with Clickener's advertisement, is received. On examination there is no caveat or application in this office, and consequently no patent has ever been granted him. From the enclosed Patent Laws you may judge how far he has violated the laws of the United States. Respectfully yours, H. L. ELLSWORTH, Commissioner of Patents. G. Benjamin Smith, M. D., New York City.

Are the above forgeries?—From the following judge, who has forged: A Letter from Dr. Sherman. New York, June 28, 1845.

Dear Sir:—The letter published in the "Family Doctor," purporting to have been written by me to C. V. Clickener, in December, 1844, has been so without my knowledge or approbation. I believe that you were the first, by about a year, to make and introduce to the Public, "Sugar Coated Pills," and are following your business with honorable and praiseworthy exertions. (Signed) Yours, &c., A. SIERMAN, M. D., 106, Nassau st. \$50,000.

State of New York—City and County of New York, ss. Dr. G. Benjamin Smith, being duly sworn, deposes and saith, that he has put out over \$50,000 worth of his "Sugar Coated Pills," or "Improved Indian Vegetable Pills," and that he employs 7 teams constantly, independent of the New England; and further that he originated Sugar Coated Pills to the best of his knowledge. G. BENJAMIN SMITH.

Sworn before me, this 30th day of June, 1845. J. D. WHEELER, Commissioner of Deeds, &c. Every Box, in order to be genuine, must have G. Benjamin Smith, M. D. on the side—G. Benj. Smith on the bottom—written with a pen. For sale at the Principal Office, 179 Greenwich street, N. York, and in GETTYSBURG, by special appointment of the Proprietor; at the Drug Stores of SAMUEL H.
