SUPERIOR COOK STOVE.

THE attention of the public is respectfully called to S. BENTZ'S FARMER'S COOK STOVE, an article superior to any yet offered to the public for cooking purposes. It was got up expressly to answer the wants of the Farmer, and will not fail to please all who may require a good sized COOK STOVE. One of the many advantages possessed by this Stove is, that water, apple-butter, clothing, &c. can be boiled in a large copper kettle at the same time, whilst cooking is doing for 20 or thirty persons. It is decidedly superior for BAKING—the heat being completely under the control of the cook, who can apply it to the bottom as well as to the top of the oven, and thus bake with perfect regularity. It is unnecessary to give any further detail of its advantages. Please refer to the subscription certificate from Wm. F. Elliott, Esq., Patent Agent of Washington City. Many testimonials equally flattering could be furnished, but this may suffice. Those who want a superior Cook Stove, will do well to try this article—they are warranted or no sale. S. BENTZ. Boonsboro, Md., May 19, 1843.

WASHINGTON, May 3, 1845.

To Samuel Bentz, Esq. Dear Sir—I have tried the Cooking Stove that you sent me, and am well pleased with its performance. My expectations are more than realized. I believe it will perform more cooking in less time, and with less fuel than any of the various Cooking Stoves that I have tried during 25 years' connection with the Patent Office. Its merits need only be more generally known to insure its fame throughout the country. I am at length satisfied in the culinary department of my domestic establishment—for which I acknowledged myself indebted to your genius and enterprise. I remain very respectfully, yours, &c. W. M. F. ELLIOTT, Patent Agent.

LET THIS DAY APPOINT J. D. PAXTON & Co., my AGENTS for the State of Pennsylvania, for the sale of Territory and otherwise, of my Cook Stove. SAMUEL BENTZ. September 17, 1843.

FARMERS AND OTHERS

Are respectfully informed that the undersigned have now on hand, and are manufacturing the above Stoves, so that they are now prepared to fill all orders with which they may be favored, upon the shortest notice. J. D. PAXTON & Co. Caledonia, Franklin co., Sept. 20, 1845.

Protection against Loss by FIRE.

THE "Cumberland Valley Mutual Protection Company," being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, John Moore, David W. McCullough, James Weakly, William Moore, Samuel Galbraith, Thomas Paxton, A. G. Miller, Philip Spangler, Samuel Woods, Abraham Kurtz, George Brindle, and Scott C. Coy, call the attention of the inhabitants of Cumberland and Adams counties to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance, must give his premium note for the cheapest class at the rate of 5 per centum, which will be \$30 on the \$1000, for which he will have to pay \$2 50, for five years, and \$1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

THOMAS C. MILLER, PRESIDENT. A. G. MILLER, Secy.
