Protection against Loss by TOTAL RELIEF

THE "Cumberland Valley Mutual Protection Company," being incorporated by an act of the Logislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, John Moore, David W. M'Cullough, James Weakly, William Moore, Samuel Galbraith, Thomas Paxton, A. G. Miller, Philip Spangler, Samuel Woods, Abraham Kurtz, George Brindle, and Scott Coyle, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other :

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns. 2d. For insurance no more is demanded than is ecessary to meet the expenses of the Company and indomnity against losses which may happen

3d. The inconvenience of frequent renewals is

voided by Insuring for a term of five years. 4th. Any person applying for insurance must give his premium note for the cheapest class at he rate of 5 per centum, which will be \$50 on he \$1000, for which he will have to pay \$2 50 for five years, and \$1 50 for survey and policy, and no more unless loss be sustained to a greater mount than the funds on hand will cover, and hen no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.
