The BRANDRETH PILLS, as a general family medicine, especially in a country so subject to sudden changes of temperature as this, their value is incalculable. By having the Brandreth Pills always on hand, should a sudden attack of sickness take place, they can be given at once, and will often have effected a cure before the physician could have arrived.

In cholic and inflamation of the bowels these Pills will at once relieve, and perseverance in their use, according to the directions, will surely do all that medicine can do, to restore the health of the patient.

In all cases of Indigestion, Worms, Asthma, Diseases of the heart, and all affections of the stomach and bowels, the Brandreth Pills will be found a never failing remedy.

To insure the full benefit of these celebrated Pills, they should be kept in the house so that, upon the first commencement of sickness, they may be at once resorted to. One dose then is better then than a dozen after disease is established in the system.

☞SAND'S SARSAPARILLA.—This valuable medicine combines the most salutary productions, the most potent simples of the vegetable kingdom. Its unprecedented success in the restoration of health to those who had long pined under the most distressing chronic maladies, has given it an exalted character, furnishing, as it does, evidence of its most intrinsic value, and recommending it to the afflicted in terms the afflicted only can know. It has long been a most important desideratum in the practice of medicine to obtain a remedy similar to this—one that would act on the liver, stomach and bowels, with all the precision and potency of mineral preparations, yet without any of their deleterious effects upon the vital powers of the system.

☞For further particulars and conclusive evidence of its superior efficacy, see Pamphlets, which may be obtained of agents gratis. Prepared and sold, wholesale and retail, by A. B. & D. Sands, 76 Fulton street New York. Sold also by appointment of the Proprietor, by S. H. BUEHLER, Gettysburg, Pa. Price $1 per bottle. Six bottles for $5.

War! War! with Mexico!

To the Farmers of Adams County.

Now, I care not whether you are in favor of the War, or the course pursued by the Administration, or not; there is one thing certain,—if the war continues, the price of produce will rise, and then, of course, the more Corn and Wheat the Farmers can raise, the more it will be to their advantage. The old proverb says:—"Neither workmen nor fools can work without tools," and throughout all the variety of farming operations, the proverb will, in a great measure, be verified. The better kind of farming utensils we have, the more it will be to our advantage.—And amongst all the varieties of Cultivators calculated to cultivate corn or put in wheat, you will find

BIRDSELL'S CONVEX SELF-SHARPENING

CULTIVATOR

to possess a decided advantage over all others by being a self-sharpener, and consequently the shares and cutters, by always being sharp, are death upon briers, weeds, grass or small bushes.

Now, notice is hereby given to all the farmers of Adams County, that you can obtain them in the respective townships of the following individuals, to whom I have sold my right in said townships, as purchased by me from James Birdsell:

Cumberland tp—C. W. Hoffman, Gettysburg.
Franklin—Abraham Scott, Cashtown.
Germany—John Toner and G. Gonder, Littlestown
Conewago—J. Busby, M'Sherrystown.
Union—F. Lytle & J. K. Harkins, M'Sherrystown.
Tyrone—Wm. H. Webb, near York Springs.
Hamilton & Reading—C. Cashman, Hampton.
Menallen & Berwick—Samuel Harris, Menallen.
Huntington—Samuel A. Neely, Petersburg.
Mountpleasant—John Albert.
Straban—Thomas Snodgrass, near Bell's Mill.
Hamiltonban—John Kriner, Millerstown.
Freedom and Liberty—Thos. Warren, Gettysburg.

☞Having recently purchased of the patentee, James Birdsell, 45 counties in the State of Pennsylvania, and all the State of Virginia, I will sell them by counties at reasonable prices, that any person purchasing counties and retailing them by townships, may make a great profit.

Protection against Loss by FIRE.

THE *"Cumberland Valley Mutual Protection Company,"* being incorporating by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz. Thomas C. Miller, John Stevens, David W. M'Clellan, James Weakley, William Moore, Samuel Galbraith, Thomas Paxton, A. G. Miller, Philip Spangler, Samuel Woods, Abraham Kurtz, George Brindle and Scott Cogle, call the attention of the inhabitants of Cumberland and Adams counties, to the exigences of the times, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and in security against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of ½ per centum, which will be $2 50 on the $1000, for which he will have to pay $12 50 for five years, and $1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

SUPERIOR COOK STOVE.

THE attention of the public is respectfully called to S. BENTZ'S FARMER'S COOK STOVE as an article superior to any yet offered to the public for cooking purposes. It was got up expressly to answer the wants of the Farmer, and will not fail to please all who may require a good sized COOK STOVE. One of the many advantages possessed by this Stove is, that water, apple-butter, clothing, &c. can be boiled in a large copper kettle at the same time, whilst cooking is doing for 20 or thirty persons. It is decidedly superior for BAKING—the heat being completely under the control of the cook, who can apply it to the bottom as well as to the top of the oven, and thus bake with perfect regularity. It is unnecessary to give any further detail of its advantages. Please refer to the subjoined certificate from Wm. F. Elliott, Esq., Patent Agent, of Washington City.—Many testimonials equally flattering could be furnished, but this may suffice. Those who want a superior Cook Stove, will do well to try this article—they are warranted or no sale.

S. BENTZ.

Boonsboro', Md., May 19, 1843.

WASHINGTON, May 3, 1843.

To Samuel Bentz, Esq.

Dear Sir—I have tried the Cooking Stove that you sent me, and am well pleased with its performance. My expectations are more than realized. I believe it will perform more cooking in less time, and with less fuel, than any of the various Cooking Stoves that I have tried during twenty-five years' connection with the Patent Office. Its merits need only to be more generally known to insure its fame throughout the country. I am at length satisfied in the culinary department of my domestic establishment—for which I acknowledge myself indebted to your genius and enterprise.

I remain, very respectfully, yours, &c.
