Eleven Days Later from Europe. PHZ SPAR & BANNER, at New York on Wednesday last with cleven days later news from Europe. Intelligence relative to the War between the U. States and Mexico, arrived in England by the Cambria, on the 28th ult. which produced a great sensation, and considerable public sympathy was manifested in behalf of Mexico, as the weaker party. The Corn Bill passed the House of Lords by a majority of 47.

The accouchment of the Queen had taken place and she become the Mother of a daughter, and both were doing well. The Cotton Market was 'quiet, and but

little doing. The corn market was rather depressed, with slow sales to retail buyers. The London Sun says nothing whatever can prevent the triumphant settlement of the corn bill.
