There does not appear to be much news of interest from our Army. The Mexican forces are supposed to be concentrated in the vicinity of Montery, under the immediate command of Gen. PAREDES. The American army appear to be on the point of taking up their march to penetrate as far

Correspondence of the N. O. Picayune. POINT ISABEL, JULY 3, 1846. I lest Matamoras last evening and started from Gen. Smith's camp, on this side of the Rio Grande, at nine o'clock, with a volunteer officer, to ride across the prairie. Gen. Smith was to begin to remove his camp to-day some twelve or fifteen miles up the river, on the Mexican side. The musquitoes showed themselves in numbers for the first time at headquarters last evening. The volunteer camp was perfectly shrouded by smoke, raised by the men to An active, intelligent, well-disposed lad, to learn keep off the intruders. That a large part of the army will move
