Protection against Loss by Fire.

THE Columbia County Mutual Insurance Company, incorporated by the Legislature and fully organized according to the directions of the charter, continue to insure Buildings, Merchandize, Household Furniture, Barns, Stock, Grain, &c. against loss or damage by fire, on the most favorable terms. David W. Cook, John Jones, Wm. Moore, Samuel Gabriel, Peter Hoffer, Philip Spangler, Samuel Wagner, Henry Lentz, George Bundle, and Scott Haldeman, all residents of the immediate neighborhood of Centre and Adams counties, to the charge of the Directors, offer the many advantages which this kind of risk has over any other.

1st. Every person insured becomes a member of the company and takes part in the election of officers and the direction of its concerns.

2d. The insurance is mutual—the profits of the business, after paying all losses and expenses, and indemnity against losses which may occur, are divided among the insured.

3d. The membership of property holders can be avoided by insuring for a term of years.

4th. Any person applying for insurance may give his premium note for the amount to be insured at the rate of 3 per centum, which will be the highest for which he will have to pay for five years, and at the end of that time, if the amount than the funds on hand will require, then no more will be required than a proportionate share. These rates are much cheaper than those of other companies, except such as are conducted on the same principles.

EMBROCATION

HEMORRHOIDS, OR PILES, is a disease produced by local irritation, costiveness, purgative stimulants, undue determination of blood to the hemorrhoidal vessels by excessive riding or walking, or a torpid state of the liver, and often by a debility of the constitution itself.

It is usually considered under three kinds, or varieties, as follows: Blind Piles, White Piles, and Bleeding Piles.

This disease is so common, and so very well known, that a description of its symptoms is not deemed necessary.

The success which has followed the use of the Embrocation in the cure of this disease, has been truly astonishing. Physicians now advise their patients to try it, as the only PILE MEDICINE.

In addition to its being a positive remedy for the piles, it never fails to cure that INTOLERABLE ITCHING, which is so very common, and has its location in the same parts as the piles.

Certificates of cures may be seen by calling on his agent, in Gettysburg,

FOR the cure of DEAFNESS, Pains, and the discharge of matter from the Ears. Also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, &c., &c., which are symptoms of approaching deafness, and also generally attendant with the disease. Many persons who have been deaf for ten, fifteen and twenty years, and were obliged to use ear trumpets, have, after using one or two bottles, thrown aside their trumpets, being made perfectly well. Physicians and Surgeons highly recommend its use.

The application of the oil produces no pain, but on the contrary an agreeable sensation. The recipe for this medicine has been obtained from an Aurist of great reputation, who has found, from long observation, that deafness, in nineteen cases out of twenty, was produced either from a want of action in the nerves of hearing, or a dryness in the ears; his object, therefore, was to find something that would create a healthy condition of those parts. After a long series of experiments his efforts were at last crowned with success, in the discovery of this preparation, which has received the name of SCARPA'S COMPOUND ACOUSTIC OIL.

Garlegant's Balsam of Health,

PREPARED ONLY BY THE SOLE PROPRIETOR,

THE Subscriber has just received a fresh supply of this valuable Medicine, which has acquired a celebrity which few others ever received in so short a time as a few years. The sale of which has constantly increased, and will continue as its merits are made known.

This celebrated Balsam of health is a medicine of vegetable compound, warranted a safe and effectual remedy, not only for dyspepsia, but for the whole train of diseases resulting from a connection with a disordered condition of the stomach and liver, or derangement of the digestive functions.

As a family medicine it stands unrivalled and should be possessed by all heads of families, particularly by those that are subject to a constipation of the bowels. It operates as a gentle apperient, giving a tone and action to the whole system. This Balsam of Health does not contain a particle of Mercury, but is composed altogether of vegetable matter, which renders it perfectly harmless and can be taken at all times, and is no hindrance to business nor any customary habits.

The proprietor could give a great number of certificates of cures performed by the medicine, but he deems it unnecessary, as they can see them attached to each directions, by applying to his authorised agents in every place where it is advertised and sold.
