**BE WISE.**—No time must be lost by the use of foolish remedies, such as bleeding, or mercury, for they both only puff off the evil day to make it more fatal. Even in inflammatory diseases, bleeding never ought to be resorted to, for in nine cases out of ten it will take away the power of nature to effect the cure, even when aided by Brandreth's Pills. They can take out the impurities from the blood, but alas! they cannot put new blood into the body, this requires time, but they CAN REMOVE OLD BLOOD, but the old blood must be there. It is at all times easier to eradicate mercury from the system and restore the mercurialized being to full health, than it is to affect the restoration of the man who has repeatedly been bled. Bleeding and the effects of opium are the greatest antagonists of the Brandreth's Pills have to contend against. Let us therefore be wise and when sickness assails us, abstract the disease OUT OF THE BLOOD, not the blood out of the body which bleeding does.

Now, Brandreth's Pills not only purify the blood, but they lessen the quantity and at the same time make the quality better. They only take the worn out parts from the blood, those which, if retained, would be a source of disease. The good effects which are derived from Brandreth's Pills have to be felt to be believed. The seeds of decay can be constantly eradicated by their use, and the PRINCIPLE OF LIFE—THE BLOOD—strengthened. Thus protracting vigor of body and mind to a period when we have been accustomed to see the faltering step and the enfeebled intellect.

The genuine Brandreth's Pills can be had of the following Agents—**J. M. STEVENSON & Co.**—Gettysburg. **Jno. B. McCreary**—Petersburg. **Abraham King**—Hunterstown. **A. McFarland**—Abbotstown. **Cook & Taylor**—Hampton. **McSherry & Fink**—Littlestown. **Mary Duncan**—Cashtown. **John Hoke**—Fairfield. August 7, 1846.—31

**Protection against Loss by**

**THE**

**"Cumberland Valley Mutual Protection Company,"** being incorporated by an act of the Legislature and fully organized in accordance with the direction of the following Board of Managers, viz: Thomas C. Miller, John Moore, David W. McCullough, James Weakly, William Moore, Samuel Gallaghair, Thomas Paxton, A. G. Miller, Philip Spangler, Samuel Woods, Abraham Kutz, George Brande, and Scott Coyle, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expense of the Company and indemnity against loss, which may happen. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

3d. Any person applying for insurance must give his premium rate for the cheapest class at the rate of 5 per centum which will be \$50 on the \$1000, for which he will have to pay \$250 for five years, and \$150 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required until the next year. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

**EMBRICATION**

**HEMORRHOIDS, OR PILES,** is a disease produced by local irritation, costiveness, purgative stimulants, undue determination of blood to the hemorrhoidal vessels by excessive riding or walking, or a congestive state of the liver, and of a peculiarity of the constitution itself.

It is usually considered under three forms, or varieties, as follows: Blind Piles, White Piles, and Bleeding Piles.

This disease is so common, and so very well known, that a description of its symptoms is not deemed necessary.

The success which has followed the use of the Embrication in the cure of this disease, has been truly astonishing. Physicians now advise their patients to try it, as the only PILE MEDICINE.

In addition to its being a positive remedy for the piles, it never fails to cure that intolerable remedy, which is so very common, and has its location in the same parts as the piles.

Certificates of cures may be seen by calling on his agent, in Gettysburg.

**SCARPA'S ACQUICUO OIL!**

FOR the cure of DEAFNESS, Pains, and the discharge of matter from the Ears. Also, all those disagreeable noises like the buzzing of insects, filling of water, whizzing of steam, &c., &c., which are symptoms of approaching deafness, and also generally attendant with the disease. Many persons who have been deaf for ten, fifteen, and twenty years, and were obliged to use ear trumpets, have, after using one or two bottles, thrown aside their trumpets, being made perfectly well. Physicians and Surgeons highly recommend its use.

The application of the oil produces no pain, but on the contrary an agreeable sensation. The recipe for this medicine has been obtained from an Auroist of great reputation, who has found, from long observation, that deafness, in nineteen cases out of twenty, was produced either from a want of action in the nerves of hearing, or a dryness in the ears; his object, therefore, was to find something that would create a healthy condition of those parts. After a long series of experiments his efforts were at last crowned with success, in the discovery of this preparation, which has received the name of **SCARPA'S COMPOUND ACQUICUO OIL.**

Certificates of cures may be seen by calling on his agent, in Gettysburg.
