From the N. O. Times, of Aug. 24. Through the attention of a highly responsible commercial House, we have just : been placed in possession of the subjoined highly important intelligence from Mexico. The news was received by the British man of war, which touched at the Balize with despatches from the British Minister at Mexico, for his government. The purport of the despatches are that the United States have taken possession of California and that the Revolution in favor of Santa
