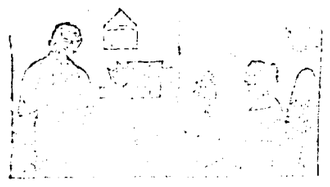
Daguerreotype Portraits

Single or in Groups.



To the Ladies and Gentlemen of
GETTYSBURG

THE Subscriber, (one proprietor of the Pekin Tea Company,) has taken the Gallery, and has been for the last two weeks, engaged in fitting up the same, for the purpose of taking Daguerreotype Portraits, in a style which he flatters himself will be found equal to any in the country. He has been induced to open a Gallery in this place, from the fact that many of the citizens of this place, and vicinity, have expressed a desire to have Likenesses taken, &c., at Mr. S. S. M'CREARY'S residence, in Chambersburg street, a few doors East of the Lutheran Church, where they can be prepared to execute Portraits and Miniatures of a superior quality, either plain, colored or ornamented, single or in groups.

Our facilities are not only more extensive but superior to any heretofore used out of the large cities, and enable us to produce likenesses unsurpassed by any other artists.

Particular attention is given to the position, especially those of Children, while sitting, in order to produce the happiest of artistical effect combined with what is more desirable,—a faithful perspective.

Satisfaction given or no charge made.

☞ Instructions given in the Art and all materials furnished on reasonable terms.

Ladies and Gentlemen are invited to call and examine our large collection of superior specimens.

For further particulars see circulars.

PERUVIAN GUANA.

P. A. & S. SMALL,

of York, Pa.

HAVE constantly on hand GUANO of the best quality, which will be sold at the lowest prices.

Extract from the American Agriculturist:

"Guano is valuable for every kind of soil except that which is already rich, and for every kind of field or garden crop, Grass, Vegetables, Fruits and Flowers. The reason it is so serviceable to all arises from the fact of its containing every kind of food necessary for the growth of stem, flower, fruit and seed. The eminent chemist Dr. Jackson, of Massachusetts, says it comes nearer to a *Universal Compost* than any other excremental manure."

Purchasers will be furnished with directions for use.

Protection against Loss by

FIRE AND LIGHTNING.

THE Gettysburg Mutual Fire Company" having been organized by a part of the Legislature, is fully organized and in operation under the direction of the following Board of Managers, viz: Thomas C. Miller, John Moore, Prof. W. M'Clellough, James Weakly, William Moore, Samuel Galbraith, Thomas Paxton, A. G. Miller, Philip Spangler, Samuel Woods, Abraham Kurtz, George Bucher, and Scott Cogle, call the attention of the inhabitants of Cumberland and Adams counties, to the exceptions of the hazards and the same advantages which the kind of insurance has over any other.

1st. Every person insured becomes a member of the Company, and takes a part in the choice of officers and the direction of its concerns.

2d. For insurance no money is demanded that is necessary to meet the expenses of the Company and indemnify against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must pass his premium rate for the cheapest class at the rate of four cents, which will be $60 on the $1000, for which he will have to pay $2 40 for five years, and $1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

EMBROCATION

HEMORRHOIDS, OR PILES, is a disease produced by local irritation, restiveness, purgative stimulants, undue determination of blood to the hemorrhoidal vessels by excessive riding or walking, or a congestive state of the liver, and often by a peculiarity of the constitution itself.

It is usually considered under three forms, or varieties, as follows: Blind Piles, White Piles, and Bleeding Piles.

This disease is so common, and so very well known, that a description of its symptoms is not deemed necessary.

The success which has followed the use of the Embrocation in the cure of this disease, has been truly astonishing. Physicians now advise their patients to try it, as the only PILE MEDICINE.

In addition to its being a positive remedy for the piles, it never fails to cure that INTOLERABLE ITCHING, which is so very common, and has its location in the same parts as the piles.

☞ Certificates of cures may be seen by calling on his agent, in Gettysburg.

FOR the cure of DEAFNESS, Pains, and the discharge of matter from the Ears. Also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, &c., &c., which are symptoms of approaching deafness, and also generally attendant with the disease. Many persons who have been deaf for ten, fifteen, and twenty years, and were obliged to use ear trumpets, have, after using one or two bottles, thrown aside their trumpets, being made perfectly well. Physicians and Surgeons highly recommend its use.

The application of the oil produces no pain, but on the contrary an agreeable sensation. The recipe for this medicine has been obtained from an Aurist of great reputation, who has found, from long observation, that deafness in nineteen cases out of twenty, was produced either from a want of action in the nerves of hearing, or a dryness in the ears; his object, therefore, was to find something that would create a healthy condition of these parts. After a long series of experiments his efforts were at last crowned with success, in the discovery of this preparation, which has received the name of SCARPA'S COMPOUND ACCOUSTIC OIL.

Garlegant's Balsam of Health,

PREPARED ONLY BY THE SOLE PROPRIETOR,

THE Subscriber has just received a fresh supply of this valuable Medicine, which has acquired a celebrity which few others ever received in so short a time as a few years. The sale of which has constantly increased, and will continue as its merits are made known.

This celebrated Balsam of health is a medicine of vegetable compound, warranted a safe and effectual remedy, not only for dyspepsia, but for the whole train of diseases resulting from a connection with a disordered condition of the stomach and liver, or derangement of the digestive functions.

As a family medicine it stands unrivalled and should be possessed by all heads of families, particularly by those that are subject to a constipation of the bowels. It operates as a gentle apperient, giving a tone and action to the whole system. This Balsam of Health does not contain a particle of Mercury, but is composed altogether of vegetable matter, which renders it perfectly harmless and can be taken at all times, and is no hindrance to business nor any customary habits.

The proprietor could give a great number of certificates of cures performed by the medicine, but he deems it unnecessary, as they can see them attached to each directions by applying to his authorised agents in every place where it is advertised and sold.
