Oakridge Female Seminary.

A Peculiar feature of this School is that not more than 12 or 14 Young Ladies are admitted as boarding pupils; they are received as members of the family of the Principal, and from the smallness of their number very unusual facilities are afforded for the cultivation of proper sentiments and habits, as well as for mental improvement. The assistant teachers are from the Pittsfield and Mount Holyoke Seminaries, of Mass. The location of the school is elevated, healthful, and half a mile from Gettysburg. The course of studies is as extensive as at any other school and the terms low. Further information can be obtained upon application by letter or otherwise to the Principal (Prof. Haupt) at Gettysburg. The next session will commence Nov. 2d.

Protection against Loss by FIRE INSURED.

THE Cumberland Valley Mutual Protection Company, being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, David W. M. Caldwell, James Weekly, Samuel Galbraith, A. G. Miller, Philip Spangler, Samuel Tritt, Thomas M. McKinney, Abraham King, John Zieg, Samuel Huston, J. T. Green, John Bear, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expense of the Company and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be \$70 on the \$1000, for which he will have to pay \$2.50 for five years, and \$1.50 for survey and policy, and no more unless lost or sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.
