BE UNPREJUDICED.—Let no foolish persons be so prejudiced against this now truly celebrated medicine as to despise this advice; let it be used immediately on pain being felt! No matter where it may be, whether in the head or feet, whether in the back or abdomen, whether arising from external or internal cause, use the Brandreth's Pills, and rely upon it, that the pain will go, the body will be restored to health as soon as nature has received sufficient assistance from their effect.

The quantity of impure humors discharged from the body by the action of Brandreth's Pills, is replaced in the course of a few hours with new and pure blood, by the digestion of a moderate meal. By purging the body with this medicine, the whole mass of blood becomes entirely purified and regenerated.

That the blood is the life of the body, I presume is undisputed, therefore I shall say that it being the SEAT OF LIFE, it must be the seat of disease. If disease be in the blood, we should abstract the disease only, not the blood. It is the impurities which must be removed by purgation to secure our health, in all states of weather, in all situations, and in all climates. The blood, like a good spirit, is always trying to benefit the body by its struggles to expel impurities. But it is not capable to effect its own purification at all times: to do this it must often have assistance. When the blood is loaded with impurities, especially in this climate, the consequences may be fatal, provided the blood is not purified at once, and this is sure to be effected if Brandreth's Pills are used.

The genuine Brandreth's Pills can be had of the following Agents:—
J. A. Stevenson & Co.,—Gettysburg.
Jno. B. McCreary,—Petersburg.
Abraham King,—Hunterstown.
A. McFarland,—Abbotstown.
Cook & Tudor,—Hampton.

Protection against Loss by FIRE.

THE "Chambersburg Valley Mutual Protection Company," being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, David W. M. Cullough, James Weakly, Samuel Galbraith, A. G. Miller, Philip Spangler, Samuel Tritt, Thomas M. McKinney, Abraham King, John Zieg, Samuel Huston, J. T. Green, John Bear, call the attention of the inhabitants of Chambersburg and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other.

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.
2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.
3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.
4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be \$50 on the \$1000, for which he will have to pay \$250 for five years, and \$150 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

Ague and Fever Cured for ONE DOLLAR.
NO CURE—NO PAY!

THE Subscribers have been induced, at the solicitation of a number of friends to introduce to the afflicted their Specific for Fever and Ague. They have tried it with unparalleled success—in no instance without effecting a perfect cure; and many who have been under the hands of skillful physicians for months. It is purely vegetable, and has gained great reputation under the practice of a brother of one of the proprietors in the State of Missouri. We warrant it in all cases when the directions are carefully observed, and ask no pay if it fails.

Many certificates are in our possession and some of them can be seen at the stores of our agents: enough to satisfy any one of the efficacy of our medicine. It not only cures the most cases of intermittent, but acts as a tonic on all debilitated frames. Being perfectly innocent, we can with confidence ask a trial.

THE Subscriber has just received a fresh supply of this valuable Medicine, which has acquired a celebrity which few others ever received in so short a time as a few years. The sale of which has constantly increased, and will continue as its merits are made known.

As a family medicine it stands unrivalled and should be possessed by all heads of families, particularly by those that are subject to a constipation of the bowels. It operates as a gentle aperient, giving a tone and action to the whole system. This Balsam of Health does not contain a particle of Mercury, but is composed altogether of vegetable matter, which renders it perfectly harmless and can be taken at all times, and is no hindrance to business nor any customary habits.
