SCARPA'S ACUSTIC OIL!

THE ONLY CURE FOR DEAFNESS.

FOR the cure of DEAFNESS, Pains and the discharge of matter from the Ears. Also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, &c., &c., which are symptoms of approaching deafness, and also generally attendant with the disease. Many persons who have been deaf for ten, fifteen, and twenty years, and were obliged to use ear trumpets, have, after using one or two bottles, thrown aside their trumpets, being made perfectly well. Physicians and Surgeons highly recommend its use. The application of the oil produces no pain, but on the contrary an agreeable sensation. The recipe for this medicine has been obtained from an Audivist of great reputation, who has found, from long observation, that deafness, in nineteen cases out of twenty, was produced either from a want of action in the nerves of hearing, or a dryness in the ears; his object, therefore, was to find something that would create a healthy condition of those parts. After a long series of experiments his efforts were at last crowned with success, in the discovery of this preparation, which has received the name of SCARPA'S COMPONED ACUSTIC OIL.

Certificates of cures may be seen by calling on his agent, in Gettysburg, S. H. BUEHLER. Gettysburg, June 26, 1846. 3m

AGUE and Fever Cured for ONE BOTTLE.

NO CURE—NO PAY!

THE Subscribers have been induced, at the solicitation of a number of friends to introduce to the afflicted their Specific for Fever and Ague. They have tried it with unparalleled success—in no instance without effecting a perfect cure; and many who have been under the hands of skillful physicians for months. It is purely vegetable, and has gained great reputation under the practice of a brother of one of the proprietors in the State of Missouri. We warrant it in all cases when the directions are carefully observed, and ask no pay if it fails.

Many certificates are in our possession and some of them can be seen at the stores of our agents: enough to satisfy any one of the efficacy of our medicine. It not only cures the most cases of intermittent, but acts as a tonic on all debilitated frames. Being perfectly innocent, we can with confidence ask a trial.

OBER & M'CONKEY, No. 271 Baltimore st., Baltimore. The above medicine is for sale, by appointment of the proprietor, in Gettysburg, at the Drug Store of S. H. BUEHLER. Sept. 11, 1846. 2m

Parlegant's Balsam of Health,

PREPARED ONLY BY THE SOLE PROPRIETOR.

THE Subscriber has just received a fresh supply of this valuable Medicine, which has acquired a celebrity which few others ever received in so short a time as a few years. The sale of which has constantly increased, and will continue as its merits are made known.

This celebrated Balsam of Health is a medicine of vegetable compound, warranted a safe and effectual remedy, not only for dyspepsia, but for the whole train of diseases resulting from a connection with a disordered condition of the stomach and liver, or derangement of the digestive functions.

As a family medicine it stands unrivalled and should be possessed by all heads of families, particularly by those that are subject to a constipation of the bowels. It operates as a gentle aperient, giving a tone and action to the whole system. This Balsam of Health does not contain a particle of Mercury, but is composed altogether of vegetable matter, which renders it perfectly harmless and can be taken at all times, and is no hindrance to business nor any customary habits.

The proprietor could give a great number of certificates of cures performed by the medicine, but he deems it unnecessary, as they can see them attached to each directions by applying to his authorized agents in every place where it is advertised and sold.
