it is probable, will be the nomince of the Whig party for the office of Governor. Both are warmly urged by their respective friends. Mr. COOPER is recommended by distinguished services, both in Congress and the Legislature-by exalted intellectual attainments, high moral worth, and great personal popularity. Gen. Invin has likewise been in Congress : but he is recommended rather by his supposed popularity than his talents or the services which he has rendered. It is not our intention, at present, to institute a comparison beween the two gentlemen as to their qualifications and services; the most ardent supporters of Gen. Invis do not deny Mr. Coopen's superiority as a man of talents, nor that his services have been greater. They alledge, however, that the greater popularity of the former overbalances his inferiority she had done for many other portions of Theological Seminary at this place, has taken those who think that ability to discharge the duties At freedom's stern call, to the contest again, the State; the Legislature had done no-charge of Congregations at Berlin, Somerset coun-of an office is a principal recommendation for it, They rush with a zeal she alone can impart ?" of an office is a principal recommendation for it, and that its absence is badly compensated for even It rains Whig Victories!
