

VALUABLE MILL PROPERTY FOR SALE.

BY order of the Orphans' Court of Adams county, the Subscribers, trustees, appointed to sell the Real Estate of SAMUEL KNOX, late of Hamilton township, Adams county, Pa., deceased, will expose to Public Sale on

Thursday the 24th of December, at 10 o'clock, A. M., on the premises, the following described Real Estate of said deceased, viz: a Tract of Land containing

170 ACRES, more or less, lying partly in Hamilton and partly in Franklin township, and adjoining lands of Joseph Kerr, John Pfoutz, William Paxton, Hugh McLaughly, and others, about five miles from Gettysburg, 4 1-2 from Fairfield, and 5 from Cashtown. The improvements on the Farm are a ONE AND ONE-HALF STORY **Stone Dwelling House,** a one and one-half story Frame Tenant House, a double log Barn, together with other out-building. There is also on the premises a valuable

GRIST MILL, 45 feet by 30, three stories high, the first story of which is stone, the balance frame and weatherboarded, with an over-shoot fall of 14 feet, driving one run of Burrs, one pair of chopping Stones, a Corn Crusher, and a Plaster Machine. There is also a good

SAW MILL which, from its convenient location to the surrounding timber lands, must command a large share of Custom. The Grist Mill and all the machinery in it is nearly new, having been built only about four years, and a good portion of the works put in during the last year. It is arranged so as to admit of another run of Burrs, which can be put up at small expense. About one-half of the Farm is covered with good

Thriving Timber. The balance is cleared and under a good state of cultivation—about 16 acres being excellent Meadow. There is a well of water near the door of the dwelling, with water in nearly all the fields.

To the enterprising the property holds out great inducements, being situated in a central position to the surrounding towns, in a grain-growing neighborhood, and having five public roads leading from every point directly to it—all which render it well adapted for Milling and other public business. The stream on which the Mills are built (Little Marsh) is one of the most permanent in the county, and the Race being very short (not over 150 yards in length) gives it advantages in dry seasons, over most mills in the neighborhood. The property will be shown to persons desiring to purchase by either of the subscribers, by **Wm. Blythe,** residing on the property, or by **Hugh F. McLaughly,** of the same.

By the Court—**Wm. S. HAMILTON, Clerk.** Nov. 20, 1846.

IT NEVER FAILS!!

DR. CULLEN'S INDIAN VEGETABLE PANACEA.

PERSONS afflicted with Scrofula, Kings Evil, Cancer, Erysipelas, Old Sores, Ulcers, Tetters, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine. READ! READ! READ!!

We, the undersigned, having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowland & Walton, 376 Market Street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of.

His disease was **SCROFULA**, and terrible must have been his twelve years' conflict with the destroyer. His palate, the entire roof of his mouth, nose, upper lip, and lower lid of the nose were have been destroyed, his face nearly eaten up, and part of the jaw bone carried away. And yet we can give no description of his case.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission.

Now his flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brooks's case, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the Panacea alone has wrought this wonderful change. **David Smith,** Bucks county, Pa. **Charles L. Rowland,** Meadville, Crawford county, Pennsylvania.

The above named gentlemen (constituting but a small portion of those who have visited Mr. Brooks at our office in Philadelphia who would certify to the same facts if necessary) are well known—and their high standing in society properly carries the idea of their leading their names to the public.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily arrested.

We have at this time a multitude of patients under treatment, all of whom are doing well.—Among them is one of **CANCER**, which was pronounced by physicians beyond the reach of Surgical assistance, but from all appearances will be cured in a few months.

It is the above valuable medicine is for sale, wholesale and retail, by Messrs. Rowland & Walton, Proprietors, 376 Market Street Philadelphia, and by the following Agents:
