Great Cure of Nervous Headache by the IMPROVED INDIAN VEGETABLE PILLS.

My daughter endured almost intolerable suffering with the NERVOUS HEADACHE, for five years, and nothing seemed to give relief. I had the curiosity to get a box of Dr. Smith's Pills, of G. Dexter, in Albany, and gave a dose to her, from which she derived immediate benefit. Confidence now taking the place of curiosity, I obtained the agency of these good Pills, and have sold a great many, because I can honestly recommend them. My daughter is now perfectly well, and is attending the Auburn Female Seminary. W. M. LANSING. East Albany, N. Y., April, 1846.

The genuine Pills are for sale in Gettysburg, by S. H. Buehler and S. S. Eorny; in Hunterstown by Abraham King; in Petersburg by Mrs. Fuller; in Cashtown by Mrs. Duncan, and in Hampton by J. H. Aulebaugh. Dec. 25, 1846.

Protection against Loss by FIRE.

THE "Cumberland Valley Mutual Protection Company," being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, David W. M. Cullough, James Weakly, Samuel Galbraith, A. G. Miller, Philip Spangler, Samuel Tritt, Thomas M. McKinney, Abraham King, John Zug, Samuel Hinson, J. T. Green, John Bear, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other.

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be \$30 on the \$1000, for which he will have to pay \$2 50 for five years, and \$1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.
