SAND'S SAFFRAN.—Light is the most important, the most sensible and striking phenomenon of the universe. It affords the means of exalted and exquisite pleasures, and is the source whence man derives the largest portion of valuable knowledge. When decomposed it is found to consist of seven primary colors, thus proving the Sun, the source whence it comes, to be the grand painter of creation. As light is to the physical world, so is health to the physical frame—remove the one, and all is blank; take away the other, and man withers ere he blooms. As the genial rays of the Sun infuse warmth and renewed vigor into the vegetable creation, so SAND'S SAFFRAN infuses strength into the languid frame. Daily experience, shows results the most pleasing and unlooked for, thus gladdening the hearts of thousands who had given up in despair. Cures are recorded calculated to satisfy the most incredulous; and as "facts are stubborn things," they have only to be mentioned. Chronic derangements, cutaneous diseases, impurities of the blood, &c. are safely and perfectly cured by its use.

For further particulars and conclusive evidence of its superior efficacy, see Pamphlets, which may be obtained of agents gratis. Prepared and sold, wholesale and retail, by A. B. & D. SANDS, 70 Fulton street New York. Sold also by appointment of the Proprietor, by S. H. BUEHLER, Gettysburg, Pa. Price \$1 per bottle. Six bottles for \$5.

GREAT CURE OF NERVOUS HEADACHE BY THE IMPROVED INDIAN VEGETABLE PILLS.

My daughter endured almost intolerable suffering with the NERVOUS HEADACHE, for five years, and nothing seemed to give relief. I had the curiosity to get a box of Dr. Smith's Pills, of G. Dexter, in Albany, and gave a dose to her, from which she derived immediate benefit. Confidence now taking the place of curiosity, I obtained the agency of these good Pills, and have sold a great many, because I can honestly recommend them. My daughter is now perfectly well, and is attending the Auburn Female Seminary.

East Albany, N. Y., April, 1846.

COMPUND MEDICATED CANDY.
FOR the Cure of Colds, Coughs, Spitting of Blood, Bronchitis, Asthma, Whooping Cough, Pains and Oppressions of the breast, and all other Pulmonary complaints, and other diseases which have a tendency to produce Consumption. It serves also as an effectual clearer of the voice.

PROTECTION against Loss by FIRE.
THE "Cumberland Valley Mutual Protection Company," being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, David W. McCallough, James W. Kelly, Samuel Colburn, A. G. Miller, Philip Spangler, Samuel Tait, Thomas M. McKim, Abraham King, John Zug, Samuel Huston, J. T. Green, John Bear, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.
2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.
3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.
4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be \$50 on the \$1000, for which he will have to pay \$2 50 for five years, and \$1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.

THOMAS C. MILLER, President.
A. G. MILLER, Sec'y.

DIAMOND TONSOR
S. R. TIPTON,

FRASHIONABLE Barber and Hair-Dresser, has removed his "Temple" to the Diamond, adjoining the County Buildings, where he can at all times be found prepared to attend to the calls of the public.

From long experience he flatters himself that he can go through all the ramifications of the Tonsorial departments, with such an infinite degree of skill as will meet the entire satisfaction of all who may submit their chins to the keen ordeal of his razor. He hopes, therefore, that by attention to business and a desire to please, he will merit as well as receive a liberal share of public patronage. The sick will be attended to at their private dwellings.
