Messrs. Rowand & Walton-Feeling grateful for the extraordinary Cure performed upon me by your Dr. Cullen's Indian Vegetable Funacea, I feel it my duty to furnish you with a short history of my case. When about 12 years of age 1 was attacked with King's Evil. 1 was under the care of an eminent Physician, and after a long course of medical treatment, was pronounced cured. At 14 years of age a disease, pronounced by some of the medieal faculty as "Scrofula," and by others "Cancerous," manifested itself. This disease increased in its rayages, till my throat can no longer be a reasonable doubt entertained of was filled with ulcers, and my face was its extraordinary success and friumph over the covered with them; my nose was ulcerated and swollen to apparently four times. its natural size. I also had Tumors in my breast and Ulcers on different parts of my person. I was placed under the care, at various times, of the most eminent Physicians of New York, Philadelphia, Baltimore and Cincinnati, who, after having used their utmost endeavors to effect a cure, my case was by them pronounced incurable. I have travelled over 21 States of the Union seeking relief; no expense was spared, and a large amount of money was expended, but all in vain. I then used large quantities of Swaim's Panacea; have also taken Carpenter's Sarsaparilla, Schenck's Pulmonic Syrup, Townsend's Sarsaparilla, and numerous other preparations, without effect; my throat, nose, and face, were still ulcerated, and at length I lost entirely the sense of smelling. I continued in this deplorable condition for about 2 years; having given up all hopes of recovery I resigned myself to the will of

Providence, supposing that every means of relief had failed. On the 5th day of August last, I commenced taking your Dr. Cullen's Indian Vegetable Panacea, having but little hopes of its benefitting me. After having used one bottle, I discovered to my utter astonishment and gratification that my sense of smelling was entirely restored, and that the ulcers were rapidly diminishing in size. I have now taken

three bottles of the Panacca; my face, mouth, throat and nose are entirely healed. I am now 40 years of age, and after 28 years of indescribable suffering, my gene-
