**SALT RHEUM CURED.**—This is to certify that my wife, being for some time troubled with the Salt Rheum, and having occasion to use some Pills, I recommended Dr. Smith's Improved Indian Vegetable Sugar Coated Pills, and after taking three or four doses, she found that her hands commenced getting better, and in less than three weeks they effected a final cure.—she then recommended them to one of our near neighbors, by the name of Levi Falkner, whose wife had been complaining with the same complaint for three years, and could find no cure, after using one box was much better, and still continues to take the Pills with a happy effect.

## IT NEVER FAILS!!

## DR. CULLEN'S

INDIAN VEGETABLE PANACEA.

PERSONS afflicted with Croup, Whooping Cough, Bronchitis, Hoarseness, Sore Throat, Measles, Diphtheria, or any other eruptions arising from impurities of the blood, are requested to read the following testimonials in proof of the wonderful properties of the above named medicine. READ! READ! READ!!!

Messrs. Leonard & Walter.—Feeling grateful for the extraordinary Cure performed upon me by your Dr. Cullen's Indian Vegetable Panacea, I feel it my duty to furnish you with a short history of my case. When about 12 years of age I was attacked with King's Evil. I was under the care of an eminent Physician, and after a long course of medical treatment, was pronounced cured. At 14 years of age a disease, pronounced by some of the medical faculty as "Scrofula," and by others "Cancerous," manifested itself. This disease increased in its ravages, till my throat was filled with ulcers, and my face was covered with them; my nose was ulcerated and swollen to apparently four times its natural size. I also had Tumors in my breast and Uterus on different parts of my person. I was placed under the care, at various times, of the most eminent Physicians of New York, Philadelphia, Baltimore and Cincinnati, who, after having used their utmost endeavors to effect a cure, my case was by them pronounced incurable. I have travelled over 21 States of the Union seeking relief; no expense was spared, and a large amount of money was expended, but all in vain. I then used large quantities of Swain's Panacea; Schenck's Pulmonic Syrup, Townsend's Sarsaparilla, and numerous other preparations, without effect; my throat, nose, and face, were still ulcerated, and at length I lost entirely the sense of smelling. I continued in this deplorable condition for about 2 years; having given up all hopes of recovery I resigned myself to the will of Providence, supposing that every means of relief had failed. On the 5th day of August last, I commenced taking your Dr. Cullen's Indian Vegetable Panacea, having but little hopes of its benefiting me. After having used one bottle, I discovered to my utter astonishment and gratification that my sense of smelling was entirely restored, and that the ulcers were rapidly diminishing in size. I have now taken three bottles of the Panacea; my face, mouth, throat and nose are entirely healed. I am now 40 years of age, and after 28 years of indescribable suffering, my general health is better, and in fact, at no period of my life, have I felt as well as I have since using your invaluable Panacea.

JULIA BRANCH, N. York, Sept. 30, 1846, 111 Cliff st.

We, the undersigned, being personally acquainted with Mrs. Julia Branch, of No. 111 Cliff street, and having a knowledge of her situation for several years past, do hereby certify that the above is a true statement of her case, so far as our personal knowledge goes; and from her character and standing we have full confidence in her statements, and in the efficacy of Dr. Cullen's Indian Vegetable Panacea.  
E. A. Ware, 113 Cliff st., C. O. Neal, 23 Rosevelt St. Baxter, 61 Mulberry, Emily Earle, Hudson.

You learned ones of the "Healing Art," if you can so far overcome professional pride as to use a medicine which you know not how to compound, you may preserve many valuable lives which will otherwise be sacrificed. Will you not prescribe it? If it shall not accomplish all we claim for it after a fair trial, according to directions, we will publish an account of its failure in any three papers in the U. States at our own expense.  
And here say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily arrested.  
We have at this time a multitude of patients under treatment, all of whom are doing well. A more than one case of CANCER, which was pronounced by physicians beyond the reach of Surgical assistance, but from all appearances will be cured in a few months.  
If the above valuable medicine is for sale wholesale and retail, by Messrs. Rowan and Walton, Proprietors, 370 market street, Philadelphia, and by the following agents:  
Samuel H. Buehler, Gettysburg, Pa.  
C. A. Morris, York, Pa.
