case. When about 12 years of age I was attacked with King's Evil. I was under pronounced cured. At 14 years of age a disease, pronounced by some of the medical faculty as "Scrofula," and by others "Cancerous," manifested itself. This discase increased in its rayages, till my throat was filled with ulcers, and my face was covered with them; my nose was ulcerated and swollen to apparently four times its natural size. I also had Tumors in my breast and Ulcers on different parts of my person. I was placed under the care, at various times, of the most eminent Physicians of New York, Philadelphia, Baltimore and Cincinnati, who, after having used their utmost endeavors to effect a cure, my case was by them pronounced incurable. I have travelled over 21 States of the Union seeking relief; no expense was spared, and a large amount of money was expended, but all in vain. 1 then used large quantities of Swaim's Panacea; have also taken Carpenter's Sarsaparilla, Schenck's Pulmonic Syrup, Townsend's Sarsaparilla, and numerous other preparations, without effect; my throat, nose, and face, were still ulcerated, and at length I lost entirely the sense of smelling.
