DR. MCLANE'S LIVER PILLS.

For the cure of Hepatitis or Liver Complaint Dyspepsia and Sick Head-Ache. THIS remedy has been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison, and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to take such a course as would give it a more extensive circulation with a view to lessen the amount of human suffering. Aware of the fact that many nostrums have been palmed upon the public, he hesitated for several years, until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great number of instances, and even to alleviate those cases which are quite inoperable.

Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side; sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are constipated, sometimes alternating with lax, the head is troubled with pain accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body after death has shown the liver to have been extensively diseased.

CERTIFICATES. This is to certify, that having been associated with Dr. McLane in the practice of medicine for nearly two and a half years, I had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment. Oliver Morgan, M. D. Dec. 7, 1836.

Mr. McLane's Liver Pills. This is to certify that I have been afflicted for six years with the Liver Complaint, and applied to different Physicians, obtaining temporary relief. On hearing of Dr. McLane's Liver Pills I obtained and used two boxes. I now feel almost fully restored to health.—The Liver Pills have given me surprising relief. S. DAVIS, near Pittsburg. Stanton's External Remedy, HUNT'S LINIMENT, now universally acknowledged to be the INFALLIBLE REMEDY for Rheumatism, spinal affections, contractions of the muscles, sore throat and quinsy, issues, old ulcers, pains in the back and chest, ague in the breast and face, tooth-ache, sprains, bruises, salt rheum, burns, cramp, frost-bite, and all nervous diseases. Fever Sores.—The following letter has just been received from the hands of Dr. Benjamin D. Miller, of the cure of an old Indolent Ulcer, or Fever Sore. This person has been under the hands of several Physicians, and used every remedy, yet found no relief, till he was induced to try Hunt's Liniment, which effected a perfect cure. Pinesbridge, June 12, 1845.

Geo. B. Stanton, Esq. Dear Sir—For six years I have suffered with what is commonly called a Fever Sore on my leg. I can scarcely describe to you all I endured for this long period, by this dreadful complaint, only about half that time have I been able to work. I have had it examined by several Physicians and tried many of the remedies of the day for this kind of disease, but none of them afforded me any relief. I sent for Dr. Miller, and he recommended me to use Hunt's Liniment. I did so, and after using five bottles I am entirely well of a disease which I supposed would hang on me for life. I feel like a new man, and heartily recommend this Liniment to all suffering persons; that they may be relieved at once. Most respectfully yours, Owen O'Slain.

P. S. I cheerfully bear testimony to the truth of the above statement. Benj. D. Miller, M. D.

The following is selected out of a vast amount of testimony, showing the great value of Hunt's Liniment in cases of Rheumatism. To Geo. B. Stanton, Esq.—Sir—Having been afflicted with the Rheumatism for upwards of five years in my ankles and feet, and at times so painful that I could not walk, and had to be assisted to dress and undress myself; and having been under the care of four or five different physicians, and having tried almost every remedy I heard of, but not to much effect, I had given up all hopes of ever being cured, until I heard of Hunt's Liniment; I tried one bottle of it, and found immediate relief. It is about four months ago, and in that time I have used one dollar's worth, and now feel almost as well as ever I did. My family, as well as myself, can testify to its value; and I would advise all who are afflicted with pains and aches, to use Hunt's Liniment. Yours, Henry L. Buehler.

DR. CULLEN'S INDIAN VEGETABLE PANACEA.

INDIAN VEGETABLE PANACEA. PERSONS afflicted with Scrofula, Erysipelas, Cancer, Erysipelas, Old Sores, Ulcers, Tetters, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials in proof of the wonderful properties of the above named medicine. READ! READ! READ!!!

Messrs. Rowan & Walton.—Feeling grateful for the extraordinary Cure performed upon me by your Dr. Cullen's Indian Vegetable Panacea, I feel it my duty to furnish you with a short history of my case. When about 12 years of age I was attacked with King's Evil. I was under the care of an eminent Physician, and after a long course of medical treatment, was pronounced cured. At 14 years of age a disease, pronounced by some of the medical faculty as "Scrofula," and by others "Cancerous," manifested itself. This disease increased in its ravages, till my throat was filled with ulcers, and my face was covered with them; my nose was ulcerated and swollen to apparently four times its natural size. I also had Tumors in my breast and Ulcers on different parts of my body. I was placed under the care, at various times, of the most eminent Physicians of New York, Philadelphia, Baltimore and Cincinnati, who, after having used their utmost endeavors to effect a cure, my case was by them pronounced incurable. I have travelled over 21 States of the Union seeking relief; no expense was spared, and a large amount of money was expended, but all in vain. I then used large quantities of Swain's Panacea; I have also taken Carpenter's Sarsaparilla, Schenck's Pulmonic Syrup, Townsend's Sarsaparilla, and numerous other preparations, without effect; my throat, nose, and face, were still ulcerated, and at length I lost entirely the sense of smelling. I continued in this deplorable condition for about 2 years; having given up all hopes of recovery I resigned myself to the will of Providence, supposing that every means of relief had failed. On the 5th day of August last, I commenced taking your Dr. Cullen's Indian Vegetable Panacea, having but little hopes of its benefiting me. After having used one bottle, I discovered to my utter astonishment and gratification that my sense of smelling was entirely restored, and that the ulcers were rapidly diminishing in size. I have now taken three bottles of the Panacea; my face, mouth, throat and nose are entirely healed. I am now 40 years of age, and after 28 years of indescribable suffering, my general health is better, and in fact, at no period of my life, have I felt as well as I have since using your invaluable Panacea.

JULIA BRANCH, N. York, Sept. 30, 1846, 111 Cliff st.

We, the undersigned, being personally acquainted with Mrs. Julia Branch, of No. 111 Cliff street, and having a knowledge of her situation for several years past, do hereby certify that the above is a true statement of her case, so far as our personal knowledge goes; and from her character and standing we have full confidence in her statements, and in the efficacy of Dr. Cullen's Indian Vegetable Panacea.

E. A. Ware, 113 Cliff st., C. O'Neal, 111 Cliff st., Maria Ware, do S. G. Slosson, 23 Roosevelt S. Baxter, 61 Mulberry, Emily Earle, Hudson.

We learned one of the "Healing Art," if we can so far overcome professional pride as to use a medicine which we know not how to compound, we may preserve many valuable lives which would otherwise be sacrificed. Will you not prescribe it? It shall not accomplish all we claim for it after a fair trial, according to directions, we will publish an account of its failure in any three papers in the U. States at our own expense.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily arrested.

We have at this time a multitude of patients under treatment, all of whom are doing well. Among them is one of CANCER, which was pronounced by physicians before the reach of Surgical assistance, but from all appearances will be cured in a few months.

The above valuable medicine is for sale wholesale and retail, by Messrs. Rowan and Walton, Proprietors, 376 Market street, Philadelphia, and by the following Agents:
